### About Embarck

Embarck Trucks, Inc., a wholly owned subsidiary of Nasdaq-listed Embarck Technology, Inc. (Nasdaq: EMBK), is an autonomous vehicle company building the software powering autonomous trucks, focused on improving the safety, efficiency, and sustainability of the nearly \$730 billion a year trucking market. Headquartered in San Francisco, CA since its founding in 2016, Embarck is America's longest-running self-driving truck program. The company partners with some of the largest shippers and carriers in the nation, collectively representing over 38,000 trucks.

Embarck's mission is to realize a world where consumers pay less for the things they need, drivers stay close to the homes they cherish, and roads are safer for the people we love. To learn more about Embarck, visit [embarcktrucks.com](http://embarcktrucks.com).
