About Embarc

Embarc Trucks, Inc., a wholly owned subsidiary of Nasdaq-listed Embarc Technology, Inc. (Nasdaq: EMBK), is an autonomous vehicle company building the software powering autonomous trucks, focused on improving the safety, efficiency, and sustainability of the approximately \$730 billion a year U.S. highway truck freight market. Headquartered in San Francisco, CA since its founding in 2016, Embarc is America's longest-running self-driving truck program and partners with some of the largest shippers and carriers in the nation.

Embarc's mission is to realize a world where consumers pay less for the things they need, drivers stay close to the homes they cherish, and roads are safer for the people we love. To learn more about Embarc, visit embarctrucks.com.
