Ladies and Gentlemen:

Northern Genesis Acquisition Corp. II, a Delaware corporation (the “*Company*”), proposes to issue and sell to the several underwriters listed in Schedule 1 hereto (collectively, the “*Underwriters*”), for whom you are acting as representatives (collectively, the “*Representatives*”), an aggregate of 36,000,000 units of the Company (the “*Underwritten Units*”) and, at the option of the Underwriters, up to an additional 5,400,000 units of the Company (the “*Option Units*”). The Underwritten Units and the Option Units are herein referred to as the “*Public Units*.”

---

Each Public Unit consists of one share of the Company's common stock, par value \$0.0001 per share (the "**Common Stock**"), and one-third of one redeemable warrant, where each whole warrant entitles the holder to purchase one share of Common Stock (the "**Warrant(s)**"). The shares of Common Stock included in the Public Units (the "**Public Shares**") and the Warrants included in the Public Units (the "**Public Warrants**") will not trade separately until the 52nd day following the date of the Prospectus (as defined below) (unless the Representatives inform the Company of their decision to allow earlier separate trading), subject to (a) the Company's preparation of an audited balance sheet reflecting the receipt by the Company of the proceeds of the Offering (as defined below), (b) the filing of such audited balance sheet with the Securities and Exchange Commission (the "**Commission**") on a Current Report on Form 8-K or similar form by the Company that includes such audited balance sheet and (c) the Company having issued a press release announcing when such separate trading will begin. No fractional Warrants will be issued upon separation of the Public Units, and only whole Warrants will trade. Each whole Warrant entitles its holder, upon exercise, to purchase one share of Common Stock at a price of \$11.50 per share during the period commencing on the later of thirty days after the completion of the Company's initial Business Combination (as defined below) and twelve months from the date of the consummation of the Offering and terminating on the five-year anniversary of the date of the completion of such initial Business Combination or earlier upon redemption or liquidation of the Company; *provided, however*, that pursuant to the Warrant Agreement (as defined below), a fractional Warrant may not be exercised, so that only a whole Warrant may be exercised at any given time by a holder thereof. As used herein, the term "**Business Combination**" (as described more fully in the Prospectus) shall mean a merger, capital stock exchange, asset acquisition, stock purchase, reorganization or similar business combination with one or more businesses involving the Company.

The Company has entered into an Investment Management Trust Agreement, effective as of the date hereof (the "**Trust Agreement**"), with Continental Stock Transfer & Trust Company ("**CST**"), as trustee (the "**Trustee**"), in substantially the form filed as Exhibit 10.2 to the Registration Statement (as defined below), pursuant to which proceeds from the sale of the Private Placement Warrants (as defined below) and proceeds of the Offering will be deposited and held in a trust account (the "**Trust Account**") for the benefit of the Company, the Underwriters and the Public Stockholders (as defined below).

The Company has entered into a Warrant Agreement, effective as of the date hereof (the "**Warrant Agreement**"), with respect to the Public Warrants, the Private Placement Warrants (defined below), the Working Capital Warrants (defined below), and any Warrants that the Company may issue in connection with or following the Business Combination ("**Post IPO Warrants**"), including the Forward Purchase Warrants (defined below), with CST, as warrant agent, in substantially the form filed as Exhibit 4.4 to the Registration Statement, pursuant to which CST will act as warrant agent in connection with the issuance, registration, transfer, exchange, redemption, and exercise of the Warrants.

The Company has entered into a Subscription Agreement, dated as of October 2, 2020 (the "**Founder's Purchase Agreement**"), with Northern Genesis Sponsor II LLC, a Delaware limited liability company (the "**Sponsor**"), pursuant to which the Sponsor purchased an aggregate of 10,350,000 shares of Common Stock (the "**Founder Shares**"), for an aggregate purchase price of \$25,000. Up to 1,350,000 Founder Shares are subject to forfeiture depending on the extent to which the Underwriters purchase the Option Units. The Founder Shares are identical to the Public Shares.

The Company has entered into a Subscription Agreement, dated as of the date hereof (the "**Warrant Purchase Agreement**"), with the Sponsor, in substantially the form filed as Exhibit 10.5 to the Registration Statement, pursuant to which the Sponsor agreed to purchase an aggregate of 5,966,667 Warrants (or up to 6,686,667 Warrants if the over-allotment option is exercised in full), at a price of \$1.50 per Warrant (the "**Private Placement Warrants**"), each entitling the holder to purchase one share of Common Stock for \$11.50 per share. The Private Placement Warrants are substantially similar to the Public Warrants, except as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus.

In order to provide working capital or finance transaction costs in connection with an intended initial business combination, the Sponsor, any the Company's officers, directors, or director nominees, or any of their respective affiliates may loan funds to the Company on a non-interest basis and, at the option of the lender, may elect to cause the Company to convert up to \$3,000,000 of such loans, in the aggregate, to Warrants having the same terms as the Private Placement Warrants (the "**Working Capital Warrants**"), at a price of \$1.50 per Warrant.

The Company has entered into a Forward Purchase Agreement, dated as of January 11, 2021 (the "**Forward Purchase Agreement**"), with Northern Genesis Capital LLC ("**Northern Genesis Capital**"), pursuant to which Northern Genesis Capital has agreed to purchase, subject to certain conditions, up to \$75,000,000 of (i) a number of forward purchase units (the "**Forward Purchase Units**"), consisting of shares of Common Stock (the "**Forward Purchase Shares**") and warrants (the "**Forward Purchase Warrants**"), for \$11.00 per unit, or (ii) a number of Forward Purchase Shares for \$9.75 per share (together with the Forward Purchase Units and the Forward Purchase Shares and Forward Purchase Warrants contained in such Forward Purchase Units, the "**Forward Purchase Securities**"), upon the completion of the initial Business Combination.

The Company has entered into a Registration Rights Agreement, dated as of the date hereof (the "**Registration Rights Agreement**"), with the Sponsor and the other parties thereto, in substantially the form filed as Exhibit 10.4 to the Registration Statement, pursuant to which the Company has granted certain registration rights in respect of the Founder Shares, the Private Placement Warrants, the Working Capital Warrants, the Forward Purchase Securities, and the shares of Common Stock issuable upon exercise of any Private Placement Warrants, Working Capital Warrants or Forward Purchase Warrants.

The Company has caused to be duly executed and delivered a letter agreement, dated as of the date hereof (the "**Insider Letter**"), by and among the Sponsor and each of the Company's officers, directors and director nominees, in substantially the form filed as Exhibit 10.1 to the Registration Statement.

The Company has entered into an Administrative Services Agreement, dated as of the date hereof (the "**Administrative Services Agreement**" and, collectively with this Agreement, the Trust Agreement, the Warrant Agreement, the Founder's Purchase Agreement, the Warrant Purchase Agreement, the Forward Purchase Agreement, the Registration Rights Agreement and the Insider Letter, the "**Transaction Documents**"), with the Sponsor, in substantially the form filed as Exhibit 10.6 to the Registration Statement, pursuant to which the Company will, subject to the terms of the Administrative Services Agreement, pay to an affiliate of the Sponsor, an aggregate monthly fee of \$10,000 for office space, utilities, secretarial support and administrative services from the date that the Public Units are first listed on the New York Stock Exchange ("**NYSE**") until the earlier of (x) the consummation of an initial Business Combination and (y) the Liquidation (as defined below).

The Company hereby confirms its agreement with the several Underwriters concerning the purchase and sale of the Public Units, as follows:

1. *Registration Statement.* The Company has prepared and filed with the Commission under the Securities Act of 1933, as amended, and the rules and regulations of the Commission thereunder (collectively, the “**Securities Act**”), a registration statement (File No. 333-251639), including a prospectus, relating to the Public Units and the Public Shares and Public Warrants included therein. Such registration statement, as amended at the time it became effective, including the information, if any, deemed pursuant to Rule 430A, 430B or 430C under the Securities Act to be part of the registration statement at the time of its effectiveness (“**Rule 430 Information**”), is referred to herein as the “**Registration Statement**”; and as used herein, the term “**Preliminary Prospectus**” means each prospectus included in such registration statement (and any amendments thereto) before effectiveness, any prospectus filed with the Commission pursuant to Rule 424(a) under the Securities Act and the prospectus included in the Registration Statement at the time of its effectiveness that omits Rule 430 Information, and the term “**Prospectus**” means the prospectus in the form first used (or made available upon request of purchasers pursuant to Rule 173 under the Securities Act) in connection with confirmation of sales of the Public Units. If the Company has filed an abbreviated registration statement pursuant to Rule 462(b) under the Securities Act (the “**Rule 462 Registration Statement**”), then any reference herein to the term “**Registration Statement**” shall be deemed to include such Rule 462 Registration Statement.

At or prior to the Applicable Time (as defined below), the Company had prepared the following information (collectively with the pricing information set forth on Annex A, the “**Pricing Disclosure Package**”): a Preliminary Prospectus dated January 8, 2021.

“**Applicable Time**” means 4:30 P.M., New York City time, on January 12, 2021.

2. *Purchase of the Public Units.*

(a) The Company agrees to issue and sell the Underwritten Units to the several Underwriters as provided in this underwriting agreement (this “**Agreement**”), and each Underwriter, on the basis of the representations, warranties and agreements set forth herein and subject to the conditions set forth herein, agrees, severally and not jointly, to purchase at a price per unit of \$9.80 (the “**Purchase Price**”) from the Company the respective number of Underwritten Units set forth opposite such Underwriter’s name in Schedule 1 hereto.

(b) In addition, the Company agrees to issue and sell the Option Units to the several Underwriters as provided in this Agreement, and the Underwriters, on the basis of the representations, warranties and agreements set forth herein and subject to the conditions set forth herein, shall have the option to purchase, severally and not jointly, from the Company the Option Units at the Purchase Price less an amount per unit equal to any dividends or distributions declared by the Company and payable on the Underwritten Units but not payable on the Option Units.

If any Option Units are to be purchased, the number of Option Units to be purchased by each Underwriter shall be the number of Option Units which bears the same ratio to the aggregate number of Option Units being purchased as the number of Underwritten Units set forth opposite the name of such Underwriter in Schedule 1 hereto (or such number increased as set forth in Section 10 hereof) bears to the aggregate number of Underwritten Units being purchased from the Company by the several Underwriters, subject, however, to such adjustments to eliminate any fractional Public Units as the Representatives in their sole discretion shall make.

The Underwriters may exercise the option to purchase Option Units at any time in whole, or from time to time in part, on or before the forty-fifth day following the date of the Prospectus, by written notice from the Representatives to the Company. Such notice shall set forth the aggregate number of Option Units as to which the option is being exercised and the date and time when the Option Units are to be delivered and paid for, which may be the same date and time as the Closing Date (as defined below) but shall not be earlier than the Closing Date nor later than the tenth full business day (as defined below) after the date of such notice (unless such time and date are postponed in accordance with the provisions of Section 10 hereof). Any such notice shall be given at least two business days prior to the date and time of delivery specified therein.

(c) In addition to the discount from the public offering price represented by the Purchase Price, the Company hereby agrees to pay to the Underwriters a deferred discount of \$0.35 per Public Unit (including both Underwritten Units and Option Units) purchased hereunder (the “**Deferred Discount**”). The Deferred Discount will be paid directly to the Representatives (subject to the provisions of Section 4(ii)), on behalf of the Underwriters, by the Trustee from amounts on deposit in the Trust Account (without accrued interest) by wire transfer payable in same-day funds if and when the Company consummates an initial Business Combination. The Underwriters hereby agree that if no Business Combination is consummated within the time period provided in the Trust Agreement, as such time period may be extended, and the funds held under the Trust Agreement are distributed to the holders of the shares of Common Stock included in the Public Units sold pursuant to this Agreement (the “**Public Stockholders**”), (i) the Underwriters will forfeit any rights or claims to the Deferred Discount and (ii) the Trustee is authorized to distribute the Deferred Discount to the Public Stockholders on a pro rata basis.

(d) The Company understands that the Underwriters intend to make a public offering of the Public Units (the “**Offering**”), and initially to offer the Public Units on the terms set forth in the Pricing Disclosure Package. The Company acknowledges and agrees that the Underwriters may offer and sell Public Units to or through any affiliate of an Underwriter.

(e) Payment for the Public Units shall be made by wire transfer in immediately available funds to the account specified by the Company to the Representatives in the case of the Underwritten Units, through the offices of Davis Polk & Wardwell, LLP, 450 Lexington Avenue, New York, NY 10017 at 10:00 A.M. New York City time on January 15, 2021, or at such other time or place on the same or such other date, not later than the fifth business day thereafter, as the Representatives and the Company may agree upon in writing or, in the case of the Option Units, on the date and at the time and place specified by the Representatives in the written notice of the Underwriters’ election to purchase such Option Units. The Company shall not be obligated to sell or deliver any of the Underwritten Units, except upon tender of payment by the Representatives for all Underwritten Units. The time and date of such payment for the Underwritten Units is referred to herein as the “**Closing Date**,” and the time and date for such payment for the Option Units, if other than the Closing Date, is herein referred to as the “**Additional Closing Date**.”

Payment for the Public Units to be purchased on the Closing Date or the Additional Closing Date, as the case may be, shall be made against delivery to the Representatives for the respective accounts of the several Underwriters of the Public Units to be purchased on such date in definitive or book-entry form registered in such names and in such denominations as the Representatives shall request in writing not later than two full business days prior to the Closing Date or the Additional Closing Date, as the case may be, with any transfer taxes payable in connection with the sale of such Public Units duly paid by the Company. Delivery of the Public Units shall be made through the facilities of The Depository Trust Company ("*DTC*") unless the Representatives shall otherwise instruct.

(f) The Company acknowledges and agrees that the Representatives and the other Underwriters are acting solely in the capacity of an arm's length contractual counterparty to the Company with respect to the Offering contemplated hereby (including in connection with determining the terms of the Offering) and not as a financial advisor or a fiduciary to, or an agent of, the Company or any other person. Additionally, neither the Representatives nor any other Underwriter is advising the Company or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Company shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and neither the Representatives nor the other Underwriters shall have any responsibility or liability to the Company with respect thereto. Any review by the Representatives and the other Underwriters of the Company, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Company.

3. *Representations and Warranties of the Company.* The Company represents and warrants to each Underwriter that:

(a) *Preliminary Prospectus.* No order preventing or suspending the use of any Preliminary Prospectus has been issued by the Commission, and each Preliminary Prospectus included in the Pricing Disclosure Package, at the time of filing thereof, complied in all material respects with the Securities Act, and no Preliminary Prospectus, at the time of filing thereof, contained any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that the Company makes no representation or warranty with respect to any statements or omissions made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in any Preliminary Prospectus, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in Section 7(b) hereof.

(b) *Pricing Disclosure Package.* The Pricing Disclosure Package as of the Applicable Time did not, and as of the Closing Date and as of the Additional Closing Date, as the case may be, will not, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that the Company makes no representation or warranty with respect to any statements or omissions made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in such Pricing Disclosure Package, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in Section 7(b) hereof. No statement of material fact included in the Prospectus has been omitted from the Pricing Disclosure Package and no statement of material fact included in the Pricing Disclosure Package that is required to be included in the Prospectus has been omitted therefrom.

(c) *Issuer Free Writing Prospectus.* Other than the Registration Statement, the Preliminary Prospectus and the Prospectus, the Company (including its agents and representatives, other than the Underwriters in their capacity as such) has not prepared, made, used, authorized, approved or referred to and will not prepare, make, use, authorize, approve or refer to any “**written communication**” (as defined in Rule 405 under the Securities Act) that constitutes an offer to sell or solicitation of an offer to buy the Public Units other than any document not constituting a prospectus pursuant to Section 2(a)(10)(a) of the Securities Act or Rule 134 under the Securities Act.

(d) *Form 8-A.* The Company has filed with the Commission a Form 8-A (file number 001-39881) providing for the registration under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), of the Public Units, the Public Shares and the Public Warrants, which registration is currently effective on the date hereof. The Public Units and the Public Shares and Public Warrants included therein have been authorized for listing, subject to official notice of issuance and evidence of satisfactory distribution, on the NYSE, and the Company knows of no reason or set of facts that is likely to adversely affect such authorization.

The Company has paid the registration fee for this offering pursuant to Rule 456(a) under the Securities Act.

(lll) *No Ratings*. There are (and prior to the Closing Date, will be) no debt securities, convertible securities or preferred stock issued or guaranteed by the Company that are rated by a “**nationally recognized statistical rating organization**,” as such term is defined in Section 3(a)(62) under the Exchange Act.

(mmm) *Company Ownership of Other Entities*. The Company does not own, and since its incorporation has not owned, an interest in any corporation, partnership, limited liability company, joint venture, trust or other entity.

4. *Further Agreements of the Company*. The Company covenants and agrees with each Underwriter that:

(a) *Required Filings*. The Company will file the final Prospectus with the Commission within the time periods specified by Rule 424(b) and Rule 430A, 430B or 430C under the Securities Act; and the Company will furnish copies of the Prospectus (to the extent not previously delivered) to the Underwriters in New York City prior to 10:00 A.M., New York City time, on the business day next succeeding the date of this Agreement in such quantities as the Representatives may reasonably request.

(b) *Delivery of Copies.* The Company will deliver, upon request, without charge, (i) to the Representatives, signed copies of the Registration Statement as originally filed and each amendment thereto, in each case including all exhibits and consents filed therewith; and (ii) to each Underwriter (A) a conformed copy of the Registration Statement as originally filed and each amendment thereto (without exhibits) and (B) during the Prospectus Delivery Period (as defined below), as many copies of the Prospectus (including all amendments and supplements thereto) as the Representatives may reasonably request. As used herein, the term “**Prospectus Delivery Period**” means such period of time after the first date of the public offering of the Public Units as in the opinion of counsel for the Underwriters a prospectus relating to the Public Units is required by law to be delivered (or required to be delivered but for Rule 172 under the Securities Act) in connection with sales of the Public Units by any Underwriter or dealer.

(c) *Amendments or Supplements.* Before making, preparing, using, authorizing, approving, referring to or filing any amendment or supplement to the Registration Statement, the Pricing Disclosure Package or the Prospectus, the Company will furnish to the Representatives and counsel for the Underwriters a copy of the proposed amendment or supplement for review and will not make, prepare, use, authorize, approve, refer to or file any such proposed amendment or supplement to which the Representatives reasonably object.

(d) *Notice to the Representatives.* The Company will advise the Representatives promptly, and confirm such advice in writing, (i) when the Registration Statement has become effective; (ii) when any amendment to the Registration Statement has been filed or becomes effective; (iii) when any supplement to the Pricing Disclosure Package, the Prospectus or any Written Testing-the-Waters Communication or any amendment to the Prospectus has been filed or distributed; (iv) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or the receipt of any comments from the Commission relating to the Registration Statement or any other request by the Commission for any additional information, including, but not limited to, any request for information concerning any Testing-the-Waters Communication; (v) of the issuance by the Commission or any other governmental or regulatory authority of any order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus, any of the Pricing Disclosure Package, the Prospectus or any Written Testing-the-Waters Communication or the initiation or threatening of any proceeding for that purpose or pursuant to Section 8A of the Securities Act; (vi) of the occurrence of any event or development within the Prospectus Delivery Period as a result of which the Prospectus, any of the Pricing Disclosure Package or any Written Testing-the-Waters Communication as then amended or supplemented would include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus, the Pricing Disclosure Package or any Written Testing-the-Waters Communication is delivered to a purchaser, not misleading; and (vii) of the receipt by the Company of any notice with respect to any suspension of the qualification of the Public Units for offer and sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and the Company will use its reasonable best efforts to prevent the issuance of any such order suspending the effectiveness of the Registration Statement, preventing or suspending the use of any Preliminary Prospectus, any of the Pricing Disclosure Package or the Prospectus or any Written Testing-the-Waters Communication or suspending any such qualification of the Public Units and, if any such order is issued, will obtain as soon as possible the withdrawal thereof.

(e) *Ongoing Compliance.* If during the Prospectus Delivery Period (i) any event or development shall occur or condition shall exist as a result of which the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, not misleading or (ii) it is necessary to amend or supplement the Prospectus to comply with law, the Company will immediately notify the Underwriters thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission and furnish to the Underwriters and to such dealers as the Representatives may designate such amendments or supplements to the Prospectus as may be necessary so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, be misleading or so that the Prospectus will comply with law. If at any time prior to the Closing Date (i) any event or development shall occur or condition shall exist as a result of which the Pricing Disclosure Package as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Pricing Disclosure Package is delivered to a purchaser, not misleading or (ii) it is necessary to amend or supplement the Pricing Disclosure Package to comply with law, the Company will immediately notify the Underwriters thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission (to the extent required) and furnish to the Underwriters and to such dealers as the Representatives may designate such amendments or supplements to the Pricing Disclosure Package as may be necessary so that the statements in the Pricing Disclosure Package as so amended or supplemented will not, in the light of the circumstances existing when the Pricing Disclosure Package is delivered to a purchaser, be misleading or so that the Pricing Disclosure Package will comply with law.

(f) *Blue Sky Compliance.* The Company will qualify the Public Units for offer and sale under the securities or Blue Sky laws of such jurisdictions as the Representatives shall reasonably request and will continue such qualifications in effect so long as required for distribution of the Public Units; *provided* that the Company shall not be required to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to service of process in any such jurisdiction or (iii) subject itself to taxation in any such jurisdiction if it is not otherwise so subject.

(g) *Earning Statement.* The Company will make generally available to its security holders and the Representatives as soon as practicable an earning statement that satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 of the Commission promulgated thereunder covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the “*effective date*” (as defined in Rule 158) of the Registration Statement.

(h) *Clear Market.* For a period of 180 days after the date of the Prospectus, the Company will not (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, or submit to, or file with, the Commission a registration statement under the Securities Act relating to, any units, shares of Common Stock (including Founder Shares), Warrants or any securities convertible into or exercisable or exchangeable for any units, shares of Common Stock or Warrants, or publicly disclose the intention to undertake any of the foregoing, or (ii) enter into any swap or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of any units, shares of Common Stock or Warrants or any such other securities, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of any of such securities, in cash or otherwise, without the prior written consent of J.P. Morgan Securities LLC, Barclays Capital Inc. and CIBC World Markets Corp., except that (A) none of the foregoing shall apply in relation to the issuance and sale of the Private Placement Warrants, the Option Units on exercise of the option provided for in Section 2(b) hereof, the Working Capital Warrants, or any securities to be issued upon or following the consummation of a Business Combination (including the Forward Purchase Securities), and (B) the Company may register with the Commission pursuant to the Registration Rights Agreement, in accordance with the terms of the Registration Rights Agreement, the resale of the Founder Shares, the Private Placement Warrants, the Working Capital Warrants and the Forward Purchase Securities (and any shares of Common Stock issued or issuable upon the exercise of any such Private Placement Warrants, Working Capital Warrants or Forward Purchase Warrants). The Company agrees not to waive or amend the Insider Letter without the written consent of the Representatives.

(i) *Use of Proceeds.* The Company will apply the net proceeds from the sale of the Private Placement Warrants and the Offering received by it in a manner materially consistent with the applications described under the caption “Use of Proceeds” in the Pricing Disclosure Package and the Prospectus.

(j) *No Stabilization.* Neither the Company nor its affiliates will take, directly or indirectly, any action designed to or that could reasonably be expected to cause or result in any stabilization or manipulation of the price of the Public Units.

(k) *Exchange Listing.* The Company will use its reasonable best efforts to list, subject to notice of issuance, the Public Units, the Public Shares and the Public Warrants on the NYSE.

(l) *Reports.* For a period commencing on the initial effective date of the Registration Statement and ending five years from the date of the consummation of the Business Combination or until such earlier time at which the Liquidation occurs, the Company shall, to the extent such information or documents are not otherwise publicly available, upon written request from the Representatives, furnish to the Representatives (i) copies of such financial statements and other periodic and special reports as the Company from time to time furnishes generally to holders of any class of securities, and (ii) such additional documents and information with respect to the Company and the affairs of any future subsidiaries of the Company as the Representatives may from time to time reasonably request, all subject to the execution of a satisfactory confidentiality agreement. Any registration statements, financial statements, periodic and special reports or other additional documents referred to in the preceding sentence filed or furnished on the Commission’s EDGAR website and publicly available will be considered furnished for the purposes of this Section 4(l).

(m) *Filings.* The Company will file with the Commission such reports as may be required by Rule 463 under the Securities Act.

(n) *Emerging Growth Company.* The Company will promptly notify the Representatives if the Company ceases to be an Emerging Growth Company at any time prior to the later of (i) completion of the distribution of Public Units within the meaning of the Securities Act and (ii) completion of the 180-day restricted period referred to in Section 4(h) hereof.

(o) *Exchange Act Registration.* For a period commencing on the initial effective date of the Registration Statement and ending five years from the date of the consummation of the Business Combination or until such earlier time at which the Liquidation occurs, the Company will use its best efforts to maintain the registration of the Common Stock (or such other security into which such Common Stock may be exchanged in connection with a Business Combination) under the provisions of the Exchange Act, except after giving effect to a going private transaction after the completion of an initial Business Combination. During such period, the Company will not deregister the Common Stock under the Exchange Act (except in connection with an exchange of the Common Stock pursuant to a Business Combination or a going private transaction after the completion of an initial Business Combination) without the prior written consent of the Representatives.

(p) *Current Report on Form 8-K.* The Company shall, on the date hereof, retain its independent registered public accounting firm to audit the balance sheet of the Company as of the Closing Date (the “**Audited Balance Sheet**”) reflecting the receipt by the Company of the proceeds of the Offering on the Closing Date. As soon as the Audited Balance Sheet becomes available, the Company shall promptly, but not later than four business days after the Closing Date, file a Current Report on Form 8-K with the Commission, which Current Report shall contain the Company’s Audited Balance Sheet. Additionally, upon the Company’s receipt of the proceeds from the exercise of all or any portion of the option provided for in Section 2(b) hereof, the Company shall promptly, but not later than four business days after the receipt of such proceeds, file a Current Report on Form 8-K with the Commission, which report shall disclose the Company’s sale of the Option Units and its receipt of the proceeds therefrom, unless the receipt of such proceeds are reflected in the Current Report on Form 8-K referenced in the immediately prior sentence.

(q) *Quarterly Review.* For a period commencing on the initial effective date of the Registration Statement and ending five years from the date of the consummation of the Business Combination or until such earlier time at which the Liquidation occurs or the Public Shares and Public Warrants cease to be publicly traded, the Company, at its expense, shall cause its regularly engaged independent registered public accounting firm to review (but not audit) the Company’s financial statements for each of the first three fiscal quarters prior to the announcement of quarterly financial information, the filing of the Company’s Form 10-Q quarterly report and the mailing, if any, of quarterly financial information to stockholders.

(r) *Rule 462(b) Registration Statement.* If the Company elects to rely upon Rule 462(b), the Company shall file a Rule 462(b) Registration Statement with the Commission in compliance with Rule 462(b) by 10:00 P.M., Washington, D.C. time, on the date of this Agreement, and the Company shall at the time of filing either pay to the Commission the filing fee for the Rule 462(b) Registration Statement or give irrevocable instructions for the payment of such fee pursuant to Rule 111(b) under the Securities Act.

(s) *Transfer and Warrant Agent.* For a period commencing on the initial effective date of the Registration Statement and ending five years from the date of the consummation of the Business Combination or until such earlier time at which the Liquidation occurs or the Public Shares and Public Warrants cease to be publicly traded, the Company shall retain a transfer and warrant agent.

(t) *Initial Business Combination.* The Company will not consummate an initial Business Combination with any entity that is affiliated with the Sponsor or any of the Company's officers or directors unless it or a committee of independent and disinterested members of its board of directors obtains an opinion from an independent investment banking firm that is a member of FINRA, or from an independent accounting firm, that such initial Business Combination is fair to the Company from a financial point of view. The Company shall not pay the Sponsor or its affiliates or any of the Company's officers, directors or any of their respective affiliates any fees or compensation of any kind for services rendered to the Company prior to, or in connection with, the consummation of an initial Business Combination; *provided, however*, that (i) Sponsor and such officers, directors and affiliates (A) may receive up to \$2,000,000 in the aggregate, and reimbursement for out-of-pocket expenses incurred by them, in connection with activities on the Company's behalf related to identifying, investigating, negotiating and completing an initial Business Combination and (B) may be repaid loans as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus and (ii) Sponsor or an affiliate of the Sponsor may receive up to \$10,000 per month pursuant to the Administrative Services Agreement for office space, utilities, administrative and support services provided to the Company, none of which payments described in (i) or (ii) will be made from the proceeds held in the Trust Account prior to completion of the initial Business Combination.

(u) *FINRA Submissions.* For a period of 60 days following the effective date of the Registration Statement, in the event any person or entity (regardless of any FINRA affiliation or association) is engaged to assist the Company in its search for a merger candidate or to provide any other merger and acquisition services, or has provided or will provide any investment banking, financial, advisory and/or consulting services to the Company, the Company agrees that it shall promptly provide to FINRA (via a FINRA submission), the Representatives and their counsel a notification prior to entering into the agreement or transaction relating to a potential Business Combination: (i) the identity of the person or entity providing any such services; (ii) complete details of all such services and copies of all agreements governing such services prior to entering into the agreement or transaction; and (iii) justification as to why the value received by any person or entity for such services is not underwriting compensation for the Offering. The Company also agrees that proper disclosure of such arrangement or potential arrangement will be made in the tender offer materials or proxy statement, as applicable, which the Company may file in connection with the Business Combination for purposes of offering redemption of shares held by its stockholders or for soliciting stockholder approval, as applicable.

(v) *Affiliates or Associated Persons of Members.* The Company shall advise FINRA, the Representatives and their counsel if it is aware that any 10% or greater stockholder of the Company becomes an affiliate or associated person of a Member participating in the distribution of the Public Units.

(w) *Trust Account Investments.* The Company shall cause the proceeds of the Offering and the sale of the Private Placement Warrants to be held in the Trust Account to be invested only in United States government treasury bills with a maturity of 180 days or less or in money market funds meeting certain conditions under Rule 2a-7 under the Investment Company Act as set forth in the Trust Agreement and disclosed in the Pricing Disclosure Package and the Prospectus. The Company will otherwise conduct its business in a manner so that it will not become subject to the Investment Company Act. Furthermore, once the Company consummates an initial Business Combination, it will not be required to register as an investment company under the Investment Company Act.

(x) *Use of Funds in Trust Account.* During the period prior to the Company's initial Business Combination or Liquidation, the Company may instruct the Trustee to release from the Trust Account, (i) solely from interest income earned on the funds held in the Trust Account, the amounts necessary to pay taxes, if any, and (ii) to pay Public Stockholders who properly redeem their Public Shares (as defined below) in connection with a stockholder vote to approve an amendment to the Company's Amended and Restated Certificate of Incorporation (A) to modify the substance or timing of the Company's obligation to redeem 100% of the outstanding Public Shares if the Company does not consummate an initial Business Combination within 24 months from the closing of the Offering or (B) which adversely affects the rights of Public Stockholders. Otherwise, all funds held in the Trust Account (including any interest income earned on the amounts held in the Trust Account (net of taxes payable thereon in accordance with the preceding sentence)) will remain in the Trust Account until the earlier of the consummation of the Company's initial Business Combination and the Liquidation; *provided, however*, that in the event of the Liquidation, up to \$100,000 of interest income may be released to the Company if the proceeds of the Offering held by the Company outside of the Trust Account are not sufficient to cover the costs and expenses associated with implementing the Company's plan of dissolution.

(y) *Availability of Authorized but Unissued Securities.* The Company will reserve and keep available that maximum number of its authorized but unissued securities that are issuable pursuant to the Forward Purchase Agreement or upon the exercise of any of the Public Warrants, Private Placement Warrants, Working Capital Warrants or Forward Purchase Warrants.

(z) *No Additional Issuances prior to the Business Combination.* Prior to the earlier of the consummation of an initial Business Combination and the Liquidation, the Company shall not issue (other than in replacement for lost, stolen or mutilated certificates) any shares of Common Stock, Warrants or any options or other securities convertible into shares of Common Stock, or any preferred stock, in each case, that (i) receive funds from the Trust Account or (ii) vote as a class with the Public Shares (A) on any initial Business Combination or (B) to approve an amendment to the Company's Amended and Restated Certificate of Incorporation to (x) extend the time the Company has to consummate a Business Combination beyond 24 months from the Closing Date or (y) amend the foregoing provisions prior to consummation of a Business Combination.

(aa) *Audit Committee Review.* Prior to the earlier of the consummation of an initial Business Combination and the Liquidation, the Company's audit committee will review on a quarterly basis all payments made to the Sponsor, to the Company's officers or directors, or to the Company's or any of such other persons' respective affiliates.

(bb) *Penny Stock*. The Company agrees that it will use commercially reasonable efforts to prevent the Company from becoming subject to Rule 419 under the Securities Act prior to the consummation of any Business Combination, including, but not limited to, using its best efforts to prevent any of the Company's outstanding securities from being deemed to be a "*penny stock*" as defined in Rule 3a51-1 under the Exchange Act during such period.

(cc) *Internal Controls*. To the extent required by Rule 13a-15(e) under the Exchange Act, the Company will maintain "*disclosure controls and procedures*" (as defined under Rule 13a-15(e) under the Exchange Act) and a system of internal accounting controls sufficient to provide reasonable assurances that (i) transactions are executed in accordance with management's general or specific authorization, (ii) transactions are recorded as necessary in order to permit preparation of financial statements in accordance with GAAP and to maintain accountability for assets, (iii) access to assets is permitted only in accordance with management's general or specific authorization, and (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

(dd) *Maintenance of Listing*. The Company will use commercially reasonable efforts to effect and maintain the listing of (i) the Public Units, Public Shares and Public Warrants on the NYSE (or another national securities exchange) until the consummation of the Business Combination or until such earlier time at which the Liquidation occurs, and (ii) the Public Shares (or securities issued in exchange therefor) on the NYSE (or another national securities exchange) until five years from the date of the consummation of the Business Combination.

(ee) *Sarbanes Oxley*. As soon as legally required to do so, the Company and its directors and officers, in their capacities as such, shall take all actions necessary to comply with any applicable provisions of the Sarbanes-Oxley Act, including Section 402 related to loans and Sections 302 and 906 related to certifications, and to comply with the rules of the NYSE.

(ff) *Certificate of Incorporation*. The Company shall not take any action or omit to take any action that would cause the Company to be in breach or violation of its Amended and Restated Certificate of Incorporation.

(gg) *Consummate the Initial Business Combination.* The Company, subject to any applicable provision of the Company's Amended and Restated Certificate of Incorporation, may consummate the initial Business Combination and conduct redemptions of Public Shares for cash upon consummation of such Business Combination without a stockholder vote pursuant to Rule 13e-4 and Regulation 14E under the Exchange Act, including the filing of tender offer documents with the Commission. Such tender offer documents will contain substantially the same financial and other information about the initial Business Combination and the redemption rights as is required under the Commission's proxy rules and will provide each stockholder of the Company with the opportunity prior to the consummation of the initial Business Combination to redeem the shares of Common Stock held by such stockholder for an amount of cash equal to (A) the aggregate amount then on deposit in the Trust Account as of two business days prior to the consummation of the initial Business Combination, representing (x) the proceeds held in the Trust Account from the Offering and the sale of the Private Placement Warrants and (y) any interest income earned on the funds held in the Trust Account (which interest shall be net of taxes payable), divided by (B) the total number of Public Shares then outstanding. If, however, a stockholder vote is required by law or applicable stock exchange listing requirement in connection with the initial Business Combination, or the Company decides to hold a stockholder vote for business or other reasons, the Company will submit such Business Combination to the Company's stockholders for their approval ("**Business Combination Vote**"). With respect to the initial Business Combination Vote, if any, each of the Sponsor and the Company's directors and officers has agreed to vote all of the Founder Shares and Public Shares it then holds, if any, in favor of the Company's initial Business Combination. If the Company seeks stockholder approval of the initial Business Combination, the Company will offer to each Public Stockholder the right to have its shares redeemed in conjunction with a proxy solicitation pursuant to the proxy rules of the Commission at a per share redemption price (the "**Redemption Price**") equal to (I) the aggregate amount then on deposit in the Trust Account as of two business days prior to the consummation of the initial Business Combination, representing (1) the proceeds held in the Trust Account from the Offering and the sale of the Private Placement Warrants and (2) interest income earned on the funds held in the Trust Account (which interest shall be net of any taxes payable), divided by (II) the total number of Public Shares then outstanding. If the Company seeks stockholder approval of the initial Business Combination, the Company may proceed with such Business Combination only if a majority of the outstanding shares voted by the stockholders at a duly held stockholders meeting, or such greater vote as may be required by law or applicable stock exchange listing requirement, are voted to approve such Business Combination. If, after seeking and receiving such stockholder approval, the Company elects to so proceed, it will redeem shares, at the Redemption Price, from those Public Stockholders who validly and affirmatively requested such redemption. Only Public Stockholders who properly exercise their redemption rights, in accordance with the applicable tender offer or proxy materials related to such Business Combination and the Amended and Restated Certificate of Incorporation, shall be entitled to receive distributions from the Trust Account in connection with an initial Business Combination, and the Company shall pay no distributions with respect to any other holders of shares of capital stock of the Company in connection therewith. In the event that the Company does not effect a Business Combination by twenty-four months from the closing of the Offering (or such later date as has been approved pursuant to a valid amendment to the Company's Amended and Restated Certificate of Incorporation), the Company will (i) cease all operations except for the purpose of winding up, (ii) as promptly as reasonably possible but not more than ten business days thereafter, redeem 100% of the Public Shares, at a per-share price, payable in cash, equal to the aggregate amount then on deposit in the Trust Account, including interest (which interest shall be net of taxes payable and less up to \$100,000 of such net interest to pay dissolution expenses), divided by the number of then outstanding Public Shares, which redemption will completely extinguish Public Stockholders' rights as stockholders (including the right to receive further liquidation distributions, if any), and (iii) as promptly as reasonably possible following such redemption, subject to the approval of the Company's remaining stockholders and the Company's board of directors, dissolve and liquidate, subject in each case to the Company's obligations under Delaware law to provide for claims of creditors and the requirements of other applicable law. Only Public Stockholders holding Public Shares shall be entitled to receive such redemption amounts and the Company shall pay no such redemption amounts or any distributions in liquidation from funds in the Trust Account with respect to any other shares of capital stock of the Company. The Sponsor and the Company's officers and directors have agreed that they will not propose any amendment to the Company's Amended and Restated Certificate of Incorporation (A) to modify the substance or timing of the Company's obligation to redeem 100% of the outstanding Public Shares if the Company has not consummated a Business Combination within twenty-four months from the closing of the Offering or (B) which adversely affects the rights of Public Stockholders, unless the Company offers to the Public Stockholders the right to redeem their Public Shares in connection with such amendment, as described in the Pricing Disclosure Package and Prospectus.

(hh) *Business Combination Announcement.* In the event that the Company desires or is required by an applicable law or regulation to cause an announcement (a “**Business Combination Announcement**”) to be placed in The Wall Street Journal, The New York Times or any other news or media publication or outlet or to be made via a public filing or submission with the Commission announcing the consummation of an initial Business Combination that indicates that the Underwriters were the underwriters in the Offering, the Company shall supply the Representatives with a draft of the Business Combination Announcement and provide the Representatives with a reasonable advance opportunity to comment thereon, subject to the agreement of the Underwriters to keep confidential such draft announcement in accordance with the Representatives’ standard policies regarding confidential information.

(ii) *Deferred Discount Payment.* Upon the consummation of the initial Business Combination, the Company will direct the Trustee to pay the Representatives, on behalf of the Underwriters, the Deferred Discount out of the proceeds of the Offering held in the Trust Account. The Underwriters shall have no claim to payment of any interest earned on the portion of the proceeds held in the Trust Account representing the Deferred Discount. If the Company fails to consummate its initial Business Combination within the time period required by its Amended and Restated Certificate of Incorporation, the Deferred Discount will not be paid to the Representatives and will, instead, be included in the Liquidation distribution of the proceeds held in the Trust Account made to the Public Stockholders. In connection with any such Liquidation, the Underwriters forfeit any rights or claims to the Deferred Discount.

(jj) *Forfeiture.* Upon the earlier to occur of the expiration and termination of the Underwriters’ over-allotment option with respect to the Option Units, the Company shall cancel or otherwise effect the forfeiture of Founder Shares from the Sponsor, in an aggregate amount equal to the number of Founder Shares determined by multiplying (i) 1,125,000 by (ii) a fraction, (A) the numerator of which is 4,500,000 minus the number of Option Units purchased by the Underwriters upon the exercise of their over-allotment option, and (B) the denominator of which is 4,500,000. For the avoidance of doubt, if the Underwriters exercise their over-allotment option in full, the Company shall not cancel or otherwise effect the forfeiture of the Founder Shares pursuant to this Section 4(jj).

(kk) *Written Testing-the-Waters Communication.* If at any time following the distribution of any Written Testing-the-Waters Communication, there occurred or occurs an event or development as a result of which such Written Testing-the-Waters Communication included or would include any untrue statement of a material fact or omitted or would omit to state any material fact necessary to make the statements therein in the light of the circumstances existing at that subsequent time, not misleading, the Company will promptly (i) notify the Representatives so that use of the Written Testing-the-Waters Communication may cease until it is amended or supplemented; (ii) amend or supplement, at its own expense, such Written Testing-the-Waters Communication to eliminate or correct such untrue statement or omission; and (iii) supply any amendment or supplement to the Representatives in such quantities as may be reasonably requested.

(ll) *Emerging Growth Company*. The Company will promptly notify the Representatives if the Company ceases to be an Emerging Growth Company at any time prior to the later of (i) completion of the distribution of the Public Units within the meaning of the Securities Act and (ii) completion of the 180-day restricted period referred to in Section 4(h) hereof.

(mm) *Delivery of Agreements*. The Company will deliver to the Representative executed copies of the Trust Agreement, the Warrant Agreement, the Founder's Purchase Agreement, the Warrant Purchase Agreement, the Registration Rights Agreement, the Insider Letter and the Administrative Services Agreement.

(nn) *Trust Account Waiver*. The Company will seek to have all vendors, service providers (other than its independent registered public accounting firm), prospective target businesses or other entities with which it does business enter into an agreement waiving any right, title, interest or claim of any kind in or to any monies held in the Trust Account for the benefit of the Public Stockholders. The Company may forego obtaining such waivers only if the Company's management shall have determined that such third party's engagement would be significantly more beneficial to the Company than any alternative.

(oo) *Certification of Beneficial Ownership*. The Company will deliver to each Underwriter (or its agent), on the date of execution of this Agreement, a properly completed and executed Certification Regarding Beneficial Owners and Key Controllers of Legal Entity Customers, together with copies of identifying documentation, and the Company undertakes to provide such additional supporting documentation as each Underwriter may reasonably request in connection with the verification of the foregoing Certification.

5. *Certain Agreements of the Underwriters*. Each Underwriter hereby represents and agrees that it is not subject to any pending proceeding under Section 8A of the Securities Act with respect to the Offering (and will promptly notify the Company if any such proceeding against it is initiated during the Prospectus Delivery Period).

6. *Conditions of Underwriters' Obligations*. The obligation of each Underwriter to purchase the Underwritten Units on the Closing Date or the Option Units on the Additional Closing Date, as the case may be, as provided herein is subject to the performance by the Company of its covenants and other obligations hereunder and to the following additional conditions:

(a) *Registration Compliance; No Stop Order*. No order suspending the effectiveness of the Registration Statement shall be in effect, and no proceeding for such purpose or pursuant to Section 8A under the Securities Act shall be pending before or threatened by the Commission; the Prospectus shall have been timely filed with the Commission under the Securities Act and in accordance with Section 4(a) hereof; and all requests by the Commission for additional information shall have been complied with to the reasonable satisfaction of the Representatives.

(b) *Representations and Warranties.* The representations and warranties of the Company contained herein shall be true and correct on the date hereof and on and as of the Closing Date or the Additional Closing Date, as the case may be; and the statements of the Company and its officers made in any certificates delivered pursuant to this Agreement shall be true and correct on and as of the Closing Date or the Additional Closing Date, as the case may be.

(c) *Material Adverse Change.* No event or condition of a type described in Section 3(i) hereof shall have occurred or shall exist, which event or condition is not described in the Pricing Disclosure Package (excluding any amendment or supplement thereto) and the Prospectus (excluding any amendment or supplement thereto) and the effect of which in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Public Units on the Closing Date or the Additional Closing Date, as the case may be, on the terms and in the manner contemplated by this Agreement, the Pricing Disclosure Package and the Prospectus.

(d) *Officer's Certificate.* The Representatives shall have received on and as of the Closing Date or the Additional Closing Date, as the case may be, a certificate of the chief financial officer or chief accounting officer of the Company and one additional senior executive officer of the Company who is satisfactory to the Representatives (i) confirming that such officers have carefully reviewed the Registration Statement, the Pricing Disclosure Package and the Prospectus and, to the knowledge of such officers, the representations set forth in Sections 3(b) and 3(c) hereof are true and correct, (ii) confirming that the other representations and warranties of the Company in this Agreement are true and correct and that the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date or the Additional Closing Date, as the case may be, and (iii) to the effect set forth in paragraphs (a) and (c) above.

(e) *Comfort Letters.* On the date of this Agreement and on the Closing Date or the Additional Closing Date, as the case may be, Marcum LLP shall have furnished to the Representatives, at the request of the Company, letters, dated the respective dates of delivery thereof and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in each of the Registration Statement, the Pricing Disclosure Package and the Prospectus; provided, that the letter delivered on the Closing Date or the Additional Closing Date, as the case may be, shall use a "cut-off" date no more than two business days prior to such Closing Date or such Additional Closing Date, as the case may be.

(f) *Opinion and 10b-5 Statement of Counsel for the Company.* Husch Blackwell LLP, counsel for the Company, shall have furnished to the Representatives, at the request of the Company, their written opinion and 10b-5 statement, dated the Closing Date or the Additional Closing Date, as the case may be, and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives.

(g) *Opinion and 10b-5 Statement of Counsel for the Underwriters.* The Representatives shall have received on and as of the Closing Date or the Additional Closing Date, as the case may be, an opinion and 10b-5 statement, addressed to the Underwriters, of Davis Polk & Wardwell LLP, counsel for the Underwriters, with respect to such matters as the Representatives may reasonably request, and such counsel shall have received such documents and information as they may reasonably request to enable them to pass upon such matters.

(h) *No Legal Impediment to Issuance and Sale.* No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date or the Additional Closing Date, as the case may be, prevent the issuance or sale of the Public Units; and no injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Date or the Additional Closing Date, as the case may be, prevent the issuance or sale of the Public Units.

(i) *Good Standing.* The Representatives shall have received on and as of the Closing Date or the Additional Closing Date, as the case may be, satisfactory evidence of the good standing of the Company in its jurisdiction of organization and its good standing in such other jurisdictions as the Representatives may reasonably request, in each case in writing or any standard form of telecommunication from the appropriate governmental authorities of such jurisdictions.

(j) *Exchange Listing.* The Public Units to be delivered on the Closing Date or the Additional Closing Date, as the case may be, shall have been approved for listing on the NYSE, subject to official notice of issuance.

(k) *Delivery of Transaction Documents.* On or prior to the date hereof, the Company shall have delivered to the Representatives executed copies of the Trust Agreement, the Warrant Agreement, the Founder's Purchase Agreement, the Warrant Purchase Agreement, the Registration Rights Agreement, the Insider Letter, the Administrative Services Agreement and the Forward Purchase Agreement, and each of the Transaction Documents shall be in full force and effect on the Closing Date or the Additional Closing Date, as the case may be.

(l) *Funding of Private Placement Warrants.* At least one business day prior to the Closing Date or the Additional Closing Date, as applicable, the Company shall have caused proceeds from the sale of the Private Placement Warrants to be deposited into the Trust Account such that the cumulative amount deposited into the Trust Account as of such Closing Date or Additional Closing Date shall equal the product of the number of Public Units sold in the public offering as of such Closing Date or Additional Closing Date and the public offering price per Public Unit as set forth on the cover of the Prospectus.

(m) *Additional Documents.* On or prior to the Closing Date or the Additional Closing Date, as the case may be, the Company shall have furnished to the Representatives such further certificates and documents as the Representatives may reasonably request.

All opinions, letters, certificates and evidence mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

## 7. Indemnification and Contribution.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Prospectus (or any amendment or supplement thereto), any Preliminary Prospectus, any Written Testing-the-Waters Communication, any road show as defined in Rule 433(h) under the Securities Act (a “**road show**”) or any Pricing Disclosure Package (including any Pricing Disclosure Package that has subsequently been amended), or caused by any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in paragraph (b) below.

(b) *Indemnification of the Company.* Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in the Registration Statement, the Prospectus (or any amendment or supplement thereto), any Preliminary Prospectus, any Written Testing-the-Waters Communication, any road show or any Pricing Disclosure Package (including any Pricing Disclosure Package that has subsequently been amended), it being understood and agreed upon that the only such information furnished by any Underwriter consists of the following information in the Prospectus furnished on behalf of each Underwriter: the fourteenth and fifteenth paragraphs under the caption “Underwriting.”

(c) *Notice and Procedures.* If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to the preceding paragraphs of this Section 7, such person (the “**Indemnified Person**”) shall promptly notify the person against whom such indemnification may be sought (the “**Indemnifying Person**”) in writing; *provided* that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under the preceding paragraphs of this Section 7 except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and *provided, further*, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under the preceding paragraphs of this Section 7. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses in such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be paid or reimbursed as they are incurred. Any such separate firm for any Underwriter, its affiliates, directors and officers and any control persons of such Underwriter shall be designated in writing by the Representatives and any such separate firm for the Company, its directors, its officers who signed the Registration Statement and any control persons of the Company shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) *Contribution.* If the indemnification provided for in paragraphs (a) or (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters on the other, from the Offering or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company, on the one hand, and the Underwriters on the other, in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters on the other, shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company from the sale of the Public Units and the total underwriting discounts and commissions received by the Underwriters in connection therewith, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate offering price of the Public Units. The relative fault of the Company, on the one hand, and the Underwriters on the other, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) *Limitation on Liability.* The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to paragraph (d) above were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of paragraphs (d) and (e), in no event shall an Underwriter be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter with respect to the Offering exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to paragraphs (d) and (e) are several in proportion to their respective purchase obligations hereunder and not joint.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity.

8. *Effectiveness of Agreement.* This Agreement shall become effective as of the date first written above.

9. *Termination.* This Agreement may be terminated in the absolute discretion of the Representatives, by notice to the Company, if after the execution and delivery of this Agreement and on or prior to the Closing Date or, in the case of the Option Units, prior to the Additional Closing Date (i) trading generally shall have been suspended or materially limited on or by any of the NSYE or The Nasdaq Stock Market; (ii) trading of any securities issued or guaranteed by the Company shall have been suspended on any exchange or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been declared by federal or New York State authorities; or (iv) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis, either within or outside the United States, that, in the judgment of the Representatives, is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Public Units on the Closing Date or the Additional Closing Date, as the case may be, on the terms and in the manner contemplated by this Agreement, the Pricing Disclosure Package and the Prospectus.

10. *Defaulting Underwriter.*

(a) If, on the Closing Date or the Additional Closing Date, as the case may be, any Underwriter defaults on its obligation to purchase the Public Units that it has agreed to purchase hereunder on such date, the non-defaulting Underwriters may in their discretion arrange for the purchase of such Public Units by other persons satisfactory to the Company on the terms contained in this Agreement. If, within 36 hours after any such default by any Underwriter, the non-defaulting Underwriters do not arrange for the purchase of such Public Units, then the Company shall be entitled to a further period of 36 hours within which to procure other persons satisfactory to the non-defaulting Underwriters to purchase such Public Units on such terms. If other persons become obligated or agree to purchase the Public Units of a defaulting Underwriter, either the non-defaulting Underwriters or the Company may postpone the Closing Date or the Additional Closing Date, as the case may be, for up to five full business days in order to effect any changes that in the opinion of counsel for the Company or counsel for the Underwriters may be necessary in the Registration Statement and the Prospectus or in any other document or arrangement, and the Company agrees to promptly prepare any amendment or supplement to the Registration Statement and the Prospectus that effects any such changes. As used in this Agreement, the term “**Underwriter**” includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule 1 hereto that, pursuant to this Section 10, purchases Public Units that a defaulting Underwriter agreed but failed to purchase.

(b) If, after giving effect to any arrangements for the purchase of the Public Units of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Company as provided in paragraph (a) above, the aggregate number of Public Units that remain unpurchased on the Closing Date or the Additional Closing Date, as the case may be, does not exceed one-eleventh of the aggregate number of Public Units to be purchased on such date, then the Company shall have the right to require each non-defaulting Underwriter to purchase the number of Public Units that such Underwriter agreed to purchase hereunder on such date plus such Underwriter’s pro rata share (based on the number of Public Units that such Underwriter agreed to purchase on such date) of the Public Units of such defaulting Underwriter or Underwriters for which such arrangements have not been made.

(c) If, after giving effect to any arrangements for the purchase of the Public Units of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Company as provided in paragraph (a) above, the aggregate number of Public Units that remain unpurchased on the Closing Date or the Additional Closing Date, as the case may be, exceeds one-eleventh of the aggregate amount of Public Units to be purchased on such date, or if the Company shall not exercise the right described in paragraph (b) above, then this Agreement or, with respect to any Additional Closing Date, the obligation of the Underwriters to purchase Public Units on the Additional Closing Date, as the case may be, shall terminate without liability on the part of the non-defaulting Underwriters. Any termination of this Agreement pursuant to this Section 10 shall be without liability on the part of the Company, except that the Company will continue to be liable for the payment of expenses as set forth in Section 11 hereof and except that the provisions of Section 7 hereof shall not terminate and shall remain in effect.

(d) Nothing contained herein shall relieve a defaulting Underwriter of any liability it may have to the Company or any non-defaulting Underwriter for damages caused by its default.

#### 11. *Payment of Expenses.*

(a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company will pay or cause to be paid all costs and expenses incident to the performance of its obligations hereunder, including without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Public Units and any taxes payable in that connection; (ii) the costs incident to the preparation, printing and filing under the Securities Act of the Registration Statement, the Preliminary Prospectus, any Pricing Disclosure Package and the Prospectus (including all exhibits, amendments and supplements thereto) and the distribution thereof; (iii) the costs of reproducing and distributing each of the Transaction Documents; (iv) the fees and expenses of the Company's counsel and independent accountants; (v) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Public Units under the laws of such jurisdictions as the Representatives may designate and the preparation, printing and distribution of a Blue Sky Memorandum (including the related fees and expenses of counsel for the Underwriters); (vi) the cost of preparing stock certificates; (vii) the costs and charges of any transfer agent, trustee, warrant agent and registrar; (viii) all expenses and application fees incurred in connection with any filing with, and clearance of the offering by, FINRA (including the reasonable and documented fees and expenses of counsel for the Underwriters relating to such filings up to \$15,000); (ix) all expenses incurred by the Company in connection with any "**road show**" presentation to potential investors, including without limitation, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged by the Company or with the Company's prior written consent (which may be by email) in connection with the road show presentations; (x) all expenses and application fees related to the listing of the Public Units on the NYSE; and (xi) all expenses incurred in connection with the Underwriters' investigative background searches on the Company's officers, directors and director nominees named in the "Management" section of the Registration Statement and Prospectus (such amount not to exceed \$3,500 per person).

(b) If (i) this Agreement is terminated pursuant to Section 9 (other than clauses (iii) and (iv)), (ii) the Company for any reason fails to tender the Public Units for delivery to the Underwriters or (iii) the Underwriters decline to purchase the Public Units for any reason permitted under this Agreement, the Company agrees to reimburse the Underwriters for all out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Underwriters in connection with this Agreement and the Offering.

12. *Persons Entitled to Benefit of Agreement.* This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and any controlling persons referred to herein, and the affiliates of each Underwriter referred to in Section 7 hereof. Nothing in this Agreement is intended or shall be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No purchaser of Public Units from any Underwriter shall be deemed to be a successor merely by reason of such purchase.

13. *Survival.* The respective indemnities, rights of contribution, representations, warranties and agreements of the Company and the Underwriters contained in this Agreement or made by or on behalf of the Company or the Underwriters pursuant to this Agreement or any certificate delivered pursuant hereto shall survive the delivery of and payment for the Public Units and shall remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company or the Underwriters or the directors, officers, controlling persons or affiliates referred to in Section 7 hereof.

14. *Certain Defined Terms.* For purposes of this Agreement, (a) except where otherwise expressly provided, the term “*affiliate*” has the meaning set forth in Rule 405 under the Securities Act; and (b) the term “*business day*” means any day other than a day on which banks are permitted or required to be closed in New York City; and (c) the term “*Liquidation*” means the distributions of the Trust Account to the Public Stockholders in connection with the redemption of the Common Stock held by the Public Stockholders pursuant to the terms of the Company’s Amended and Restated Certificate of Incorporation, as amended, if the Company fails to consummate a Business Combination with the time period provided therein.

15. *Compliance with USA Patriot Act.* In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

(ii) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

SECOND: The registered office of the Corporation is to be located at c/o Vcorp Services, LLC, 1013 Centre Road, Suite 403-B, Wilmington, Delaware 19805. The name of its registered agent at that address is Vcorp Services, LLC.

THIRD: The purpose of the Corporation shall be to engage in any lawful act or activity for which corporations may be organized under the GCL. In addition to the powers and privileges conferred upon the Corporation by law and those incidental thereto, the Corporation shall possess and may exercise all the powers and privileges that are necessary or convenient to the conduct, promotion or attainment of the business or purposes of the Corporation including, but not limited to, a Business Combination (as defined below).

FOURTH: The total number of shares of all classes of capital stock which the Corporation shall have authority to issue is 101,000,000 of which 100,000,000 shares shall be Common Stock of the par value of \$.0001 per share and 1,000,000 shares shall be Preferred Stock of the par value of \$.0001 per share.

---

A. Preferred Stock. The Board of Directors is expressly granted authority to issue shares of the Preferred Stock, in one or more series, and to fix for each such series such voting powers, full or limited, and such designations, preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof as shall be stated and expressed in the resolution or resolutions adopted by the Board of Directors providing for the issue of such series (a “Preferred Stock Designation”) and as may be permitted by the GCL. The number of authorized shares of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of all of the then outstanding shares of the capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class, without a separate vote of the holders of the Preferred Stock, or any series thereof, unless a vote of any such holders is required pursuant to any Preferred Stock Designation.

B. Common Stock. Except as otherwise required by law or as otherwise provided in any Preferred Stock Designation, the holders of the Common Stock shall exclusively possess all voting power and each share of Common Stock shall have one vote.

FIFTH: Intentionally Omitted.

SIXTH: The introduction and the following provisions (A) through (J) of this Article Sixth shall apply during the period commencing upon the filing of this Certificate of Incorporation and terminating upon the consummation of any Business Combination (defined below) and no amendment to this Article Sixth shall be effective during the Target Business Acquisition Period (defined below) unless approved by the affirmative vote of the holders of at least a majority of the then outstanding shares of Common Stock. Notwithstanding the foregoing, if the Corporation seeks to amend any provisions of this Article Sixth other than in connection with the consummation of a Business Combination (or any such amendment in connection with the consummation of a Business Combination would adversely affect any rights of the holders of IPO Shares (defined below) under this Article Sixth that otherwise may be exercised in connection with such Business Combination), the Corporation will provide holders of IPO Shares with the opportunity in connection with any such vote to elect to convert their IPO Shares in the manner and for the amount described in paragraph C below, such conversion to be subject to the approval of such amendment and effective immediately prior to the effective time of such amendment.

The “Target Business Acquisition Period” shall mean the period from the effectiveness of the registration statement on Form S-1 (“Registration Statement”) filed with the Securities and Exchange Commission (“Commission”) in connection with the Corporation’s initial public offering (“IPO”) up to and including the first to occur of (a) a Business Combination or (b) the Termination Date (defined below).

A “Business Combination” shall mean any merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination involving the Corporation and one or more businesses or entities (“Target Business” or “Target Businesses”). So long as the Corporation’s securities are listed on a national securities exchange, the Target Business or Target Businesses acquired in the Business Combination must together have a fair market value of at least 80% of the assets held in the Trust Account (defined below), excluding taxes payable on the income earned on the Trust Account, at the time of the signing of the definitive agreement governing the terms of the initial Business Combination. If the Corporation acquires less than 100% of the equity interests or assets of a Target Business, the portion of such Target Business that the Corporation acquires is what will be valued for purposes of the 80% fair market value test.

The “fair market value” for purposes of this Article Sixth will be determined by the Board of Directors of the Corporation based upon one or more standards generally accepted by the financial community (such as actual and potential sales, earnings, cash flow and/or book value). If the Board of Directors is unable to independently determine the fair market value of the Target Business, the Corporation will obtain an opinion from an independent investment banking firm, or another independent entity that commonly renders valuation opinions, with respect to the satisfaction of such criteria.

A. Prior to the consummation of any Business Combination, the Corporation shall either (i) submit such Business Combination to its stockholders for approval (“Proxy Solicitation”) pursuant to the proxy rules promulgated under the Securities Exchange Act of 1934, as amended (“Exchange Act”) or (ii) provide all holders of its Common Stock with the opportunity to sell their shares to the Corporation, effective upon consummation of such Business Combination, for cash through a tender offer (“Tender Offer”) pursuant to the tender offer rules promulgated under the Exchange Act.

B. If the Corporation engages in a Proxy Solicitation in connection with any proposed Business Combination, the Corporation will consummate such Business Combination only if a majority of the then outstanding shares of Common Stock present and entitled to vote at the meeting to approve the Business Combination (or such greater number as may be required by applicable law or the rules of any applicable national securities exchange) are voted for the approval of such Business Combination.

C. In the event that a Business Combination is approved in accordance with the above paragraph (B), any holder of shares of Common Stock sold in the IPO (the “IPO Shares”) may demand that the Corporation convert such holder’s IPO Shares into cash upon the consummation of such Business Combination by the Corporation; provided, however, that no holder of IPO Shares, together with any affiliate of such holder and any other person with whom such holder is acting in concert or as a “group” (as defined under Section 13(d)(3) of the Exchange Act), shall have the right to have the Corporation convert into cash more than an aggregate of fifteen percent (15%) of the total IPO Shares then outstanding.

If so demanded, the Corporation shall, promptly after consummation of the Business Combination, convert such IPO Shares of any holder (other than those in excess of the 15% threshold specified above) into cash at a per share price equal to the quotient determined by dividing (i) the amount then held in the Trust Account (defined below) including any interest earned on the funds held in the Trust Account not previously released to the Corporation and net of taxes payable, calculated as of two business days prior to the consummation of the Business Combination, by (ii) the total number of IPO Shares then outstanding (such price being referred to as the “Conversion Price”). “Trust Account” shall mean the trust account established by the Corporation at the consummation of its IPO and into which a certain amount of the net proceeds of the IPO and simultaneous private placement is deposited, all as described in the Registration Statement.

The Corporation may require any holder of IPO Shares who demands that the Corporation convert such IPO Shares into cash to either tender such holder's certificates to the Corporation's transfer agent at any time prior to the vote taken at the stockholder meeting relating to such Business Combination or to deliver their shares to the transfer agent electronically using The Depository Trust Company's DWAC (Deposit/Withdrawal At Custodian) System at any time prior to the vote taken at the stockholder meeting relating to such Business Combination, with the exact timing of the delivery of the IPO Shares to be set forth in the proxy materials relating to such Business Combination. In addition, the Corporation may require any holder of IPO Shares who demands that the Corporation convert such IPO Shares into cash to certify to the Corporation whether such holder is acting in concert or as a group with any other holder of IPO Shares.

D. If the Corporation engages in a Tender Offer, the Corporation shall file tender offer documents with the Commission which will contain substantially the same financial and other information about the Business Combination as is required under the proxy rules promulgated under the Exchange Act and that would have been included in any proxy statement filed with the Commission in connection with a Proxy Solicitation, even if such information is not required under the tender offer rules promulgated under the Exchange Act. The per-share price at which the Corporation will repurchase the IPO Shares in any such Tender Offer shall be equal to the Conversion Price. The Corporation shall not purchase any shares of Common Stock other than IPO Shares in any such Tender Offer.

E. The Corporation will not consummate any Business Combination unless it has net tangible assets of at least \$5,000,001 either immediately prior to or upon consummation of such Business Combination.

F. In the event that the Corporation does not consummate a Business Combination by 24 months after the consummation of the IPO (the "Termination Date"), the Corporation shall (i) cease all operations except for the purposes of winding up, (ii) as promptly as reasonably possible but not more than ten (10) business days thereafter, redeem 100% of the IPO Shares for cash for a redemption price per share equal to the amount then held in the Trust Account, including the interest earned thereon not previously released to the Corporation, less any interest for any income or other taxes payable, divided by the total number of IPO Shares then outstanding (which redemption will completely extinguish such holders' rights as stockholders, including the right to receive further liquidation distributions, if any), subject to applicable law, and (iii) as promptly as reasonably possible following such redemption, subject to approval of the Corporation's then stockholders and subject to the requirements of the GCL, including the adoption of a resolution by the Board pursuant to Section 275(a) of the GCL finding the dissolution of the Corporation advisable and the provision of such notices as are required by said Section 275(a) of the GCL, dissolve and liquidate, subject (in the case of clauses (ii) and (iii) above) to the Corporation's obligations under the GCL to provide for claims of creditors and other requirements of applicable law.

G. A holder of IPO Shares shall be entitled to receive distributions from the Trust Fund only in the event (i) such holder demands conversion of such holder's IPO Shares in accordance with paragraph C above in connection with any Proxy Solicitation in relation to a Business Combination and such Business Combination is approved and consummated, (ii) such holder sells such holder's IPO Shares to the Corporation in accordance with paragraph D above in connection with any Tender Offer, (iii) the Corporation has not consummated a Business Combination by the Termination Date or (iv) the Corporation seeks to amend the provisions of this Article Sixth other than in connection with the consummation of a Business Combination (or any such amendment in connection with the consummation of a Business Combination would adversely affect any rights of the holders of IPO Shares under this Article Sixth that otherwise may be exercised in connection with such Business Combination), such holder demands conversion of such holder's IPO Shares in the manner described in paragraph C above, and such amendment is approved and becomes effective. In no other circumstances shall a holder of IPO Shares have any right or interest of any kind in or to the Trust Fund.

H. Unless and until the Corporation has consummated its initial Business Combination as permitted under this Article Sixth, the Corporation may not consummate any other business combination transaction, whether by merger, capital stock exchange, asset acquisition, stock purchase, reorganization or other similar business combination, transaction or otherwise. The Corporation shall not consummate a Business Combination with an entity that is affiliated with any of the Corporation's officers, directors or sponsors unless the Corporation has obtained an opinion from an independent investment banking firm or another independent entity that commonly renders valuation opinions that such a Business Combination is fair to the Corporation (or its stockholders) from a financial point of view and a majority of the Corporation's disinterested independent directors approve such Business Combination.

I. Prior to the consummation of a Business Combination, the Corporation may not issue (i) any shares of Common Stock or any securities convertible prior to a Business Combination into Common Stock, other than warrants for up to 2,000,000 shares of Common Stock the proceeds of which shall be used by the Corporation for transaction expenses in connection with any Business Combination and other working capital purposes; or (ii) any securities which participate in or are otherwise entitled in any manner to any of the proceeds in the Trust Account or which vote as a class with the Common Stock on any matter. Notwithstanding the foregoing, the Corporation shall be permitted to issue any Common Stock, securities convertible into Common Stock, and any other securities of the Corporation in connection with and prior to the consummation of a Business Combination, provided in any case that such securities are not entitled in any manner to any of the proceeds in the Trust Account and shall not vote as a class with the Common Stock on any matter prior to the consummation of such Business Combination.

J. The Board of Directors shall be divided into two classes: Class I and Class II. Only one class of directors shall be elected in each year and each class shall serve a two-year term. Except as the GCL may otherwise require, in the interim between annual meetings of stockholders or special meetings of stockholders called for the election of directors and/or the removal of one or more directors and the filling of any vacancy in that connection, newly created directorships and any vacancies in the Board of Directors, including unfilled vacancies resulting from the removal of directors for cause, may be filled only by the vote of a majority of the remaining directors then in office, although less than a quorum (as defined in the Corporation's Bylaws), or by the sole remaining director. All directors shall hold office until the expiration of their respective terms of office and until their successors shall have been elected and qualified. A director elected to fill a vacancy resulting from the death, resignation or removal of a director shall serve for the remainder of the full term of the director whose death, resignation or removal shall have created such vacancy and until his successor shall have been elected and qualified.

SEVENTH: The following provisions are inserted for the management of the business and for the conduct of the affairs of the Corporation, and for further definition, limitation and regulation of the powers of the Corporation and of its directors and stockholders:

A. Election of directors need not be by ballot unless the by-laws of the Corporation so provide.

B. In furtherance and not in limitation of the powers conferred by the laws of the State of Delaware, the Board of Directors is expressly authorized to make, alter and repeal the by-laws of the Corporation, subject to the power of the stockholders of the Corporation to alter or repeal any by-law whether adopted by them or otherwise.

C. The directors in their discretion may submit any contract or act for approval or ratification at any annual meeting of the stockholders or at any special meeting of the stockholders called for the purpose of considering any such act or contract, and any contract or act that shall be approved or be ratified by the vote of the holders of a majority of the stock of the Corporation which is represented in person or by proxy at such meeting and entitled to vote thereat (provided that a lawful quorum of stockholders be there represented in person or by proxy), unless a higher vote is required by applicable law, shall be as valid and binding upon the Corporation and upon all the stockholders as though it had been approved or ratified by every stockholder of the Corporation, whether or not the contract or act would otherwise be open to legal attack because of directors' interests, or for any other reason.

D. In addition to the powers and authorities hereinbefore or by statute expressly conferred upon them, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation; subject, nevertheless, to the provisions of the statutes of the State of Delaware, of this Certificate of Incorporation, and to any by-laws from time to time made by the stockholders; provided, however, that no by-law so made shall invalidate any prior act of the directors which would have been valid if such by-law had not been made.

EIGHTH: A. A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the GCL, or (iv) for any transaction from which the director derived an improper personal benefit. If the GCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the GCL, as so amended. Any repeal or modification of this paragraph A by the stockholders of the Corporation shall not adversely affect any right or protection of a director of the Corporation with respect to events occurring prior to the time of such repeal or modification.

B. The Corporation, to the full extent permitted by Section 145 of the GCL, as amended from time to time, shall indemnify all persons whom it may indemnify pursuant thereto. Expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative, or investigative action, suit or proceeding for which such officer or director may be entitled to indemnification hereunder shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Corporation as authorized hereby.

NINTH: Whenever a compromise or arrangement is proposed between this Corporation and its creditors or any class of them and/or between this Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of this Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for this Corporation under Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for this Corporation under Section 279 of Title 8 of the Delaware Code order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, to be summoned in such manner as the said court directs. If a majority in number representing three-fourths in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of this Corporation as a consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of this Corporation, as the case may be, and also on this Corporation.

TENTH: A. Unless the Corporation consents in writing to the selection of an alternative forum, or unless otherwise required by applicable law, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for any stockholder (including a beneficial owner) to bring (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim against the Corporation, its directors, officers or employees arising pursuant to any provision of the DGCL or this Amended and Restated Certificate or the By-Laws, or (iv) any action asserting a claim against the Corporation, its directors, officers or employees governed by the internal affairs doctrine and, if brought outside of Delaware, the stockholder bringing the suit will be deemed to have consented to service of process on such stockholder's counsel. Notwithstanding the foregoing, the Court of Chancery of the State of Delaware shall not be the sole and exclusive forum for any of the following actions: (A) as to which the Court of Chancery in the State of Delaware determines that there is an indispensable party not subject to the jurisdiction of the Court of Chancery (and the indispensable party does not consent to the personal jurisdiction of the Court of Chancery within ten days following such determination), (B) which is vested in the exclusive jurisdiction of a court or forum other than the Court of Chancery, (C) for which the Court of Chancery does not have subject matter jurisdiction, or (D) suits brought to enforce any duty or liability created by the Securities Act of 1933, as amended, or the rules and regulations thereunder, for which state and federal courts have concurrent jurisdiction. Furthermore, notwithstanding the foregoing, the provisions of this Section A will not apply to suits brought to enforce any duty or liability created by the Exchange Act or the rules and regulations thereunder or any other claim for which the federal courts have exclusive jurisdiction.

B. If any action the subject matter of which is within the scope of Section A immediately above is filed in a court other than a court located within the State of Delaware (a "Foreign Action") in the name of any stockholder, such stockholder shall be deemed to have consented to (i) the personal jurisdiction of the state and federal courts located within the State of Delaware in connection with any action brought in any such court to enforce paragraph A immediately above (an "Enforcement Action") and (ii) having service of process made upon such stockholder in any such Enforcement Action by service upon such stockholder's counsel in the Foreign Action as agent for such stockholder.

C. If any provision or provisions of this Article TENTH shall be held to be invalid, illegal or unenforceable as applied to any person or entity or circumstance for any reason whatsoever, then, to the fullest extent permitted by law, the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Article TENTH (including, without limitation, each portion of any sentence of this Article TENTH containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) and the application of such provision to other persons or entities and circumstances shall not in any way be affected or impaired thereby. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article TENTH.

ELEVENTH: The doctrine of corporate opportunity, or any other analogous doctrine, shall not apply with respect to the Corporation or any of its officers or directors in circumstances where the application of any such doctrine would conflict with any fiduciary duties or contractual obligations they may have as of the date of this Certificate of Incorporation or in the future. In addition to the foregoing, the doctrine of corporate opportunity shall not apply to any other corporate opportunity with respect to any of the directors or officers of the Corporation unless such corporate opportunity is offered to such person solely in his or her capacity as a director or officer of the Corporation and such opportunity is one the Corporation is legally and contractually permitted to undertake and would otherwise be reasonable for the Corporation to pursue.

**WARRANT AGREEMENT**

This agreement is made as of January 12, 2021 between Northern Genesis Acquisition Corp. II, a Delaware corporation, with offices at 4801 Main Street, Suite 1000, Kansas City, MO 64112 (“Company”), and Continental Stock Transfer & Trust Company, a New York corporation, with offices at 1 State Street, New York, New York 10004 (“Warrant Agent”).

WHEREAS, the Company is engaged in a public offering (“Public Offering”) of up to 41,400,000 units, each such unit (a “Public Unit”) comprised of one share of common stock of the Company, par value \$.0001 per share (“Common Stock”), and one-third of one warrant, where each whole warrant entitles the holder to purchase one share of Common Stock at a price of \$11.50 per share, subject to adjustment as described herein, and, in connection therewith, will issue and deliver up to 13,800,000 warrants (the “Public Warrants”) to the public investors in connection with the Public Offering; and

WHEREAS, the Company has filed with the Securities and Exchange Commission (the “SEC”) a Registration Statement on Form S-1, No. 333-251639 (“Registration Statement”), for the registration, under the Securities Act of 1933, as amended (“Act”) of, among other securities, the Public Warrants; and

WHEREAS, the Company has received a binding commitment (the “Subscription Agreement”) from Northern Genesis Sponsor II LLC to purchase up to an aggregate of 6,686,667 Warrants (the “Private Placement Warrants”) upon consummation of the Public Offering; and

WHEREAS, the Company may issue up to an additional 2,000,000 Warrants (“Working Capital Warrants”) in satisfaction of certain working capital loans made by the Company’s officers, directors, initial stockholders and affiliates;

WHEREAS, the Company have entered into agreement with Northern Genesis Capital LLC pursuant to which the Company may issue units (“Forward Purchase Units”) comprised of one share of Common Stock and one-sixth of one warrant, where each whole warrant entitles the holder to purchase one share of Common Stock at a price of \$11.50 per share, subject to adjustment as described herein (the “Forward Purchase Warrants”); and

WHEREAS, following consummation of the Public Offering, the Company may issue additional warrants (“Post IPO Warrants”) and together with the Public Warrants, Private Placement Warrants, and Working Capital Warrants, the “Warrants”) in connection with, or following the consummation by the Company of, a Business Combination (defined below); and

WHEREAS, the Company desires the Warrant Agent to act on behalf of the Company, and the Warrant Agent is willing to so act, in connection with the issuance, registration, transfer, exchange, redemption, and exercise of the Warrants; and

---

WHEREAS, the Company desires to provide for the form and provisions of the Warrants, the terms upon which they shall be issued and exercised, and the respective rights, limitation of rights, and immunities of the Company, the Warrant Agent, and the holders of the Warrants; and

WHEREAS, all acts and things have been done and performed which are necessary to make the Warrants, when executed on behalf of the Company and countersigned by or on behalf of the Warrant Agent (if a physical certificate is issued), as provided herein, the valid, binding, and legal obligations of the Company, and to authorize the execution and delivery of this Agreement.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. Appointment of Warrant Agent. The Company hereby appoints the Warrant Agent to act as agent for the Company for the Warrants, and the Warrant Agent hereby accepts such appointment and agrees to perform the same in accordance with the terms and conditions set forth in this Agreement.

2. Warrants.

2.1. Form of Warrant. Each Warrant shall be issued in registered form only, shall be in substantially the form of Exhibit A hereto, the provisions of which are incorporated herein and shall be signed by, or bear the facsimile signature of, the Board Chair, Chief Executive Officer or President of the Company and the Chief Financial Officer, Treasurer, Secretary or Assistant Secretary of the Company and shall bear a facsimile of the Company's seal. In the event the person whose facsimile signature has been placed upon any Warrant shall have ceased to serve in the capacity in which such person signed the Warrant before such Warrant is issued, it may be issued with the same effect as if he or she had not ceased to be such at the date of issuance.

2.2. Uncertificated Warrants. Notwithstanding anything herein to the contrary, (a) any Warrant, or portion thereof, may be issued as part of, and be represented by, bundled security consisting of one or more full or partial shares of Common Stock and one or more full or partial Warrants (a "Unit"), and (b) any Warrant may be issued in uncertificated or book-entry form through the Warrant Agent and/or the facilities of The Depository Trust Company (the "Depository") or other book-entry depository system, in each case as determined by the Board of Directors of the Company or by an authorized committee thereof. Any Warrant so issued shall have the same terms, force and effect as a certificated Warrant that has been duly countersigned by the Warrant Agent in accordance with the terms of this Agreement.

2.3. Effect of Countersignature. Except with respect to uncertificated Warrants as described above, unless and until countersigned by the Warrant Agent pursuant to this Agreement, a Warrant shall be invalid and of no effect and may not be exercised by the holder thereof.

## 2.4. Registration.

2.4.1. Warrant Register. The Warrant Agent shall maintain books (“Warrant Register”) for the registration of original issuance and the registration of transfer of the Warrants. Upon the initial issuance of the Warrants, the Warrant Agent shall issue and register the Warrants in the names of the respective holders thereof in such denominations and otherwise in accordance with instructions delivered to the Warrant Agent by the Company. Ownership of beneficial interests in the Public Warrants shall be shown on, and the transfer of such ownership shall be effected through, records maintained by institutions that have accounts with the Depository (such institution, with respect to a Warrant in its account, a “Participant”). If the Depository subsequently ceases to make its book-entry settlement system available for the Public Warrants, the Company may instruct the Warrant Agent regarding making other arrangements for book-entry settlement. In the event that the Public Warrants are not eligible for, or it is no longer necessary to have the Public Warrants available in, book-entry form, the Warrant Agent shall provide written instructions to the Depository to deliver to the Warrant Agent for cancellation each book-entry Public Warrant, and the Company shall instruct the Warrant Agent to deliver to the Depository definitive certificates in physical form evidencing such Warrants, which shall be in the form annexed hereto as Exhibit A.

2.4.2. Registered Holder. Prior to due presentment for registration of transfer of any Warrant, the Company and the Warrant Agent may deem and treat the person in whose name such Warrant is then registered in the Warrant Register (“registered holder”) as the absolute owner of such Warrant (notwithstanding any notation of ownership or other writing on the Warrant certificate made by anyone other than the Company or the Warrant Agent), for the purpose of any exercise thereof, and for all other purposes, and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary.

2.4.3. Detachability of Warrants. The securities comprising the Public Units will not be separately transferable until the 52<sup>nd</sup> day following the date of the prospectus or, if such 52<sup>nd</sup> day is not on a day, other than Saturday, Sunday or federal holiday, on which banks in New York City are generally open for normal business (a “Business Day”), then on the immediately succeeding Business Day following such date, or earlier with the consent of J.P. Morgan Securities LLC, Barclays Capital Inc. and CIBC World Markets Corp. (together, the “Representatives”), but in no event will the securities comprising the Public Units be separately traded until (i) the Company has filed a Current Report on Form 8-K which includes an audited balance sheet reflecting the receipt by the Company of the gross proceeds of the Public Offering including the proceeds received by the Company from the exercise of the underwriters’ over-allotment option in the Public Offering, if the over-allotment option is exercised prior to the filing of the Form 8-K, and (ii) the Company has issued a press release announcing when such separate trading shall begin (the “Detachment Date”).

2.4.4. No Fractional Warrants Other Than as Part of Units. The Company shall not issue fractional Warrants other than as part of Units, each of which is comprised of one or more full or partial shares of Common Stock and one or more full or partial Warrants. If, upon the detachment of Warrants from Units or otherwise, a holder of Warrants would be entitled to receive, in respect of all such Units of such Holder, a number of Warrants that includes a fractional Warrant, the Company shall round down, to the nearest whole number, the aggregate number of Warrants to be issued to such holder in respect of all such Units.

2.5. Private Placement Warrant and Working Capital Warrant Attributes. The Private Placement Warrants and Working Capital Warrants will be issued in the same form as the Public Warrants but they (i) will not be redeemable by the Company and (ii) may be exercised for cash or on a cashless basis at the holder's option, in either case as long as they are held by the initial holders or their permitted transferees (as prescribed in Section 5.6 hereof). Once a Private Placement Warrant or Working Capital Warrant is transferred to a holder other than an affiliate or permitted transferee, it shall be treated as a Public Warrant hereunder for all purposes.

2.6. Other Post IPO Warrants. The Forward Purchase Warrants and other Post IPO Warrants, when and if issued, shall have the same terms and be in the same form as the Public Warrants except as may be agreed upon by the Company.

### 3. Terms and Exercise of Warrants.

3.1. Warrant Price. Each Warrant certificate shall, when countersigned by the Warrant Agent, and each Warrant represented by book entry shall, entitle the registered holder thereof, subject to the provisions of such Warrant and of this Agreement, to purchase from the Company the number of shares of Common Stock stated therein, at the price of \$11.50 per share, subject to the adjustments provided in Section 4 hereof and in the last sentence of this Section 3.1. The term "Warrant Price" as used in this Agreement refers to the price per share at which the shares of Common Stock may be purchased at the time a Warrant is exercised. The Company in its sole discretion may lower the Warrant Price at any time prior to the Expiration Date (as defined below) for a period of not less than twenty (20) Business Days; provided, that the Company shall provide at least twenty (20) days' prior written notice of such reduction to registered holders of the Warrants and, provided further that any such reduction shall be applied consistently to all of the Warrants.

3.2. Duration of Warrants. A Warrant may be exercised only during the period commencing on the later of 30 days after the consummation by the Company of a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities ("Business Combination") (as described more fully in the Registration Statement) or 12 months from the closing of the Public Offering, and terminating at 5:00 p.m., New York City time on the earlier to occur of (i) five years from the consummation of a Business Combination, (ii) the Redemption Date as provided in Section 6.2 of this Agreement and (iii) the liquidation of the Company ("Expiration Date"). The period of time from the date the Warrants will first become exercisable until the expiration of the Warrants shall hereafter be referred to as the "Exercise Period." Except with respect to the right to receive the Redemption Price (as set forth in Section 6 hereunder), as applicable, each Warrant not exercised on or before the Expiration Date shall become void, and all rights thereunder and all rights in respect thereof under this Agreement shall cease at the close of business on the Expiration Date. The Company in its sole discretion may extend the duration of the Warrants by delaying the Expiration Date; provided, however, that the Company will provide at least twenty (20) days' prior written notice of any such extension to registered holders and, provided further that any such extension shall be applied consistently to all of the Warrants.

### 3.3. Exercise of Warrants.

3.3.1. Payment. Subject to the provisions of the Warrant and this Agreement, a Warrant may be exercised by the registered holder thereof by (i) (A) when the certificate representing such Warrant has been countersigned by the Warrant Agent, surrendering such Warrant certificate, at the office of the Warrant Agent, or at the office of its successor as Warrant Agent, in the Borough of Manhattan, City and State of New York, with the subscription form, as set forth in the Warrant certificate, duly executed, or (B) when the Warrant is represented by book entry, delivering the Warrant to an account of the Warrant Agent at the Depository designated for such purposes in writing by the Warrant Agent to the Depository from time to time, with the subscription form properly delivered by the Participant in accordance with the Depository's procedures, and (ii) paying in full the Warrant Price for each share of Common Stock as to which such Warrants are exercised and any and all applicable taxes due in connection with the exercise of the Warrants, as follows:

(a) by good certified check or good bank draft payable to the order of the Warrant Agent or wire transfer; or

(b) in the event of redemption pursuant to Section 6 hereof in which the Company's management has elected to force all holders of Warrants to exercise such Warrants on a "cashless basis," by surrendering the Warrants for that number of shares of Common Stock equal to the quotient obtained by dividing (x) the product of the number of shares of Common Stock underlying the Warrants, multiplied by the difference between the Warrant Price and the "Fair Market Value" (defined below) by (y) the Fair Market Value. Solely for purposes of this Section 3.3.1(b), the "Fair Market Value" shall mean the average last reported sale price of the Common Stock for the ten (10) trading days ending on the third trading day prior to the date on which the notice of redemption is sent to holders of the Warrants pursuant to Section 6 hereof; or

(c) with respect to any Private Placement Warrants or Working Capital Warrants, so long as such Private Placement Warrants or Working Capital Warrants are held by the initial purchasers or their permitted transferees, by surrendering such Private Placement Warrants or Working Capital Warrants for that number of shares of Common Stock equal to the quotient obtained by dividing (x) the product of the number of shares of Common Stock underlying the Warrants, multiplied by the difference between the exercise price of the Warrants and the "Fair Market Value" by (y) the Fair Market Value; provided, however, that no cashless exercise shall be permitted unless the Fair Market Value is equal to or higher than the exercise price. Solely for purposes of this Section 3.3.1(c), the "Fair Market Value" shall mean the average reported last sale price of the Common Stock for the ten (10) trading days ending on the third trading day prior to the date of exercise; or

(d) in the event the registration statement required by Section 7.4 hereof is not effective and current within ninety (90) days after the closing of a Business Combination, by surrendering such Warrants for that number of shares of Common Stock equal to the quotient obtained by dividing (x) the product of the number of shares of Common Stock underlying the Warrants, multiplied by the difference between the exercise price of the Warrants and the "Fair Market Value" by (y) the Fair Market Value; provided, however, that no cashless exercise shall be permitted unless the Fair Market Value is equal to or higher than the exercise price. Solely for purposes of this Section 3.3.1(d), the "Fair Market Value" shall mean the average reported last sale price of the Common Stock for the ten (10) trading days ending on the trading day prior to the date of exercise.

3.3.2. Issuance of Shares of Common Stock. As soon as practicable after the exercise of any Warrant and the clearance of the funds in payment of the Warrant Price (if any), the Company shall issue to the registered holder of such Warrant a certificate or certificates, or book entry position, for the number of shares of Common Stock to which he, she or it is entitled, registered in such name or names as may be directed by him, her or it, and if such Warrant shall not have been exercised in full, a new countersigned Warrant certificate, or book entry position, for the number of shares as to which such Warrant shall not have been exercised. Notwithstanding the foregoing, in no event will the Company be required to net cash settle the Warrant exercise. No Warrant shall be exercisable for cash and the Company shall not be obligated to issue shares of Common Stock upon exercise of a Warrant unless the Common Stock issuable upon such Warrant exercise has been registered, qualified or deemed to be exempt under the securities laws of the state of residence of the registered holder of the Warrants. In the event that the condition in the immediately preceding sentence is not satisfied with respect to a Warrant, the holder of such Warrant shall not be entitled to exercise such Warrant for cash and such Warrant may have no value and expire worthless, in which case the purchaser of a Unit containing such Warrants shall have paid the full purchase price for the Unit solely for the shares of Common Stock underlying such Unit. Warrants may not be exercised by, or securities issued to, any registered holder in any state in which such exercise would be unlawful. If, by reason of any exercise of Warrants on a “cashless basis”, the holder of any Warrant would be entitled, upon the exercise of such Warrant, to receive a fractional interest in a share of Common Stock, the Company shall round down to the nearest whole number, the number of shares of Common Stock to be issued to such holder.

3.3.3. Valid Issuance. All shares of Common Stock issued upon the proper exercise of a Warrant in conformity with this Agreement shall be validly issued, fully paid and nonassessable.

3.3.4. Date of Issuance. Each person in whose name any book entry position or certificate for shares of Common Stock is issued shall for all purposes be deemed to have become the holder of record of such shares on the date on which the Warrant certificate, or book entry position representing such Warrant, was surrendered and payment of the Warrant Price was made, irrespective of the date of delivery of such certificate, except that, if the date of such surrender and payment is a date when the share transfer books of the Company or book entry system of the Warrant Agent are closed, such person shall be deemed to have become the holder of such shares at the close of business on the next succeeding date on which the share transfer books or book entry system are open.

3.3.5. Maximum Percentage. A holder of a Warrant may notify the Company in writing in the event it elects to be subject to the provisions contained in this subsection 3.3.5; however, no holder of a Warrant shall be subject to this subsection 3.3.5 unless he, she or it makes such election. If the election is made by a holder, the Warrant Agent shall not effect the exercise of the holder's Warrants, and such holder shall not have the right to exercise such Warrants, to the extent that after giving effect to such exercise, such person (together with such person's affiliates), to the Warrant Agent's actual knowledge, would beneficially own in excess of 9.8% (the "Maximum Percentage") of the shares of Common Stock outstanding immediately after giving effect to such exercise. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by such person and its affiliates shall include the number of shares of Common Stock issuable upon exercise of the Warrants with respect to which the determination of such sentence is being made, but shall exclude shares of Common Stock that would be issuable upon (x) exercise of the remaining, unexercised portion of the Warrants beneficially owned by such person and its affiliates and (y) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company beneficially owned by such person and its affiliates (including, without limitation, any convertible notes or convertible preferred stock or warrants) subject to a limitation on conversion or exercise analogous to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this paragraph, beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). For purposes of the Warrants, in determining the number of outstanding shares of Common Stock, the holder may rely on the number of outstanding shares of Common Stock as reflected in (1) the Company's most recent annual report on Form 10-K, quarterly report on Form 10-Q, current report on Form 8-K or other public filing with the SEC as the case may be, (2) a more recent public announcement by the Company or (3) any other notice by the Company or the Warrant Agent setting forth the number of shares of Common Stock outstanding. For any reason at any time, upon the written request of the holder of the Warrant, the Company shall, within two (2) Business Days, confirm orally and in writing to such holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of equity securities of the Company by the holder and its affiliates since the date as of which such number of outstanding shares of Common Stock was reported. By written notice to the Company, the holder of Warrants may from time to time increase or decrease the Maximum Percentage applicable to such holder to any other percentage specified in such notice; provided, however, that any such increase shall not be effective until the sixty-first (61st) day after such notice is delivered to the Company.

#### 4. Adjustments.

4.1. Stock Dividends; Split Ups. If after the date hereof, and subject to the provisions of Section 4.6 below, the number of outstanding shares of Common Stock is increased by a stock dividend payable in shares of Common Stock, or by a split up of shares of Common Stock, or other similar event, then, on the effective date of such stock dividend, split up or similar event, the number of shares of Common Stock issuable on exercise of each Warrant shall be increased in proportion to such increase in outstanding shares of Common Stock.

4.2. Aggregation of Shares. If after the date hereof, the number of outstanding shares of Common Stock is decreased by a consolidation, combination, reverse stock split or reclassification of shares of Common Stock or other similar event, then, on the effective date of such consolidation, combination, reverse stock split, reclassification or similar event, the number of shares of Common Stock issuable on exercise of each Warrant shall be decreased in proportion to such decrease in outstanding shares of Common Stock.

4.3. Extraordinary Dividends. If the Company, at any time while the Warrants are outstanding and unexpired, shall pay a dividend or make a distribution in cash, securities or other assets to the holders of the shares of Common Stock or other shares of the Company's capital stock into which the Warrants are convertible (an "Extraordinary Dividend"), then the Warrant Price shall be decreased, effective immediately after the effective date of such Extraordinary Dividend, by the amount of cash and the fair market value (as determined by the Company's Board of Directors, in good faith) of any securities or other assets paid in respect of such Extraordinary Dividend divided by all outstanding shares of the Company at such time (whether or not any shareholders waived their right to receive such dividend); provided, however, that none of the following shall be deemed an Extraordinary Dividend for purposes of this provision: (a) any adjustment described in subsection 4.1 above, (b) any cash dividends or cash distributions which, when combined on a per share basis with all other cash dividends and cash distributions paid on the Common Stock during the 365-day period ending on the date of declaration of such dividend or distribution does not exceed \$0.50 per share (taking into account all of the outstanding shares of the Company at such time (whether or not any shareholders waived their right to receive such dividend) and as adjusted to appropriately reflect any of the events referred to in other subsections of this Section 4 and excluding cash dividends or cash distributions that resulted in an adjustment to the Warrant Price or to the number of shares of Common Stock issuable on exercise of each Warrant) but only with respect to the amount of the aggregate cash dividends or cash distributions equal to or less than \$0.50, (c) any payment to satisfy the conversion rights of the holders of the shares of Common Stock in connection with a proposed initial Business Combination or certain amendments to the Company's Amended and Restated Certificate of Incorporation (as described in the Registration Statement) or (d) any payment in connection with the Company's liquidation and the distribution of its assets upon its failure to consummate a Business Combination. Solely for purposes of illustration, if the Company, at a time while the Warrants are outstanding and unexpired, pays a cash dividend of \$0.35 and previously paid an aggregate of \$0.40 of cash dividends and cash distributions on the Common Stock during the 365-day period ending on the date of declaration of such \$0.35 dividend, then the Warrant Price will be decreased, effectively immediately after the effective date of such \$0.35 dividend, by \$0.25 (the absolute value of the difference between \$0.75 (the aggregate amount of all cash dividends and cash distributions paid or made in such 365-day period, including such \$0.35 dividend) and \$0.50 (the greater of (x) \$0.50 and (y) the aggregate amount of all cash dividends and cash distributions paid or made in such 365-day period prior to such \$0.35 dividend)). Furthermore, solely for the purposes of illustration, if following the closing of the Company's initial Business Combination, there were total shares outstanding of 100,000,000 and the Company paid a \$1.00 dividend to 17,500,000 of such shares (with the remaining 82,500,000 shares waiving their right to receive such dividend), then no adjustment to the Warrant Price would occur as a \$17.5 million dividend payment divided by 100,000,000 shares equals \$0.175 per share which is less than \$0.50 per share.

4.4. Adjustments in Exercise Price. Whenever the number of shares of Common Stock purchasable upon the exercise of the Warrants is adjusted, as provided in Sections 4.1 and 4.2 above, the Warrant Price shall be adjusted (to the nearest cent) by multiplying such Warrant Price immediately prior to such adjustment by a fraction (x) the numerator of which shall be the number of shares of Common Stock purchasable upon the exercise of the Warrants immediately prior to such adjustment, and (y) the denominator of which shall be the number of shares of Common Stock so purchasable immediately thereafter.

4.5. Replacement of Securities upon Reorganization, etc. In case of any reclassification or reorganization of the outstanding shares of Common Stock (other than a change under subsections 4.1 or 4.2 or Section 4.3 hereof or that solely affects the par value of such shares of Common Stock), or in the case of any merger or consolidation of the Company with or into another entity or conversion of the Company as another entity (other than a consolidation or merger in which the Company is the continuing corporation and that does not result in any reclassification or reorganization of the outstanding shares of Common Stock), or in the case of any sale or conveyance to another entity of the assets or other property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the holders of the Warrants shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in the Warrants and in lieu of the shares of Common Stock of the Company immediately theretofore purchasable and receivable upon the exercise of the rights represented thereby, the kind and amount of shares of stock or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of the Warrants would have received if such holder had exercised his, her or its Warrant(s) immediately prior to such event (the “Alternative Issuance”); provided, however, that in connection with the closing of any such consolidation, merger, sale or conveyance, the successor or purchasing entity shall execute an amendment hereto with the Warrant Agent providing for delivery of such Alternative Issuance; provided, further, that (i) if the holders of the Common Stock were entitled to exercise a right of election as to the kind or amount of securities, cash or other assets receivable upon such consolidation or merger, then the kind and amount of securities, cash or other assets constituting the Alternative Issuance for which each Warrant shall become exercisable shall be deemed to be the weighted average of the kind and amount received per share by the holders of the Common Stock in such consolidation or merger that affirmatively make such election, and (ii) if a tender, exchange or redemption offer shall have been made to and accepted by the holders of the Common Stock (other than a tender, exchange or redemption offer made by the Company in connection with redemption rights held by stockholders of the Company as provided for in the Company’s amended and restated certificate of incorporation or as a result of the repurchase of shares of Common Stock by the Company if a proposed initial Business Combination is presented to the stockholders of the Company for approval) under circumstances in which, upon completion of such tender or exchange offer, the maker thereof, together with members of any group (within the meaning of Rule 13d-5(b)(1) under the Exchange Act (or any successor rule)) of which such maker is a part, and together with any affiliate or associate of such maker (within the meaning of Rule 12b-2 under the Exchange Act (or any successor rule)) and any members of any such group of which any such affiliate or associate is a part, own beneficially (within the meaning of Rule 13d-3 under the Exchange Act (or any successor rule)) more than 50% of the outstanding shares of Common Stock, the holder of a Warrant shall be entitled to receive as the Alternative Issuance, the highest amount of cash, securities or other property to which such holder would actually have been entitled as a stockholder if such Warrant holder had exercised the Warrant prior to the expiration of such tender or exchange offer, accepted such offer and all of the Common Stock held by such holder had been purchased pursuant to such tender or exchange offer, subject to adjustments (from and after the consummation of such tender or exchange offer) as nearly equivalent as possible to the adjustments provided for in this Section 4; provided, further, that if less than 70% of the consideration receivable by the holders of the Common Stock in the applicable event is payable in the form of common stock in the successor entity that is listed for trading on a national securities exchange or is quoted in an established over-the-counter market, or is to be so listed for trading or quoted immediately following such event, and if the Registered Holder properly exercises the Warrant within thirty (30) days following the public disclosure of the consummation of such applicable event by the Company pursuant to a Current Report on Form 8-K filed with the Commission, the Warrant Price shall be reduced by an amount (in dollars) (but in no event less than zero) equal to the difference of (i) the Warrant Price in effect prior to such reduction minus (ii) (A) the Per Share Consideration (as defined below) minus (B) the Black-Scholes Warrant Value (as defined below). The “Black-Scholes Warrant Value” means the value of a Warrant immediately prior to the consummation of the applicable event based on the Black-Scholes Warrant Model for a Capped American Call on Bloomberg Financial Markets (“Bloomberg”). For purposes of calculating such amount, (1) Section 6 of this Agreement shall be taken into account, (2) the price of each share of Common Stock shall be the volume weighted average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event, (3) the assumed volatility shall be the 90 day volatility obtained from the HVT function on Bloomberg determined as of the trading day immediately prior to the day of the announcement of the applicable event, and (4) the assumed risk-free interest rate shall correspond to the U.S. Treasury rate for a period equal to the remaining term of the Warrant. “Per Share Consideration” means (i) if the consideration paid to holders of the Common Stock consists exclusively of cash, the amount of such cash per share of Common Stock, and (ii) in all other cases, the amount of cash per share of Common Stock, if any, plus the volume weighted average price of the Common Stock as reported during the ten (10) trading day period ending on the trading day prior to the effective date of the applicable event. If any reclassification or reorganization also results in a change in shares of Common Stock covered by subsection 4.1, then such adjustment shall be made pursuant to subsection 4.1 or Sections 4.2, 4.3 and this Section 4.5. The provisions of this Section 4.5 shall similarly apply to successive reclassifications, reorganizations, mergers or consolidations, sales or other transfers. In no event will the Warrant Price be reduced to less than the par value per share issuable upon exercise of the Warrant.

4.6. Issuance in connection with a Business Combination. If, in connection with a Business Combination, the Company (a) issues additional shares of Common Stock or equity-linked securities at an issue price or effective issue price of less than \$9.20 per share (with such issue price or effective issue price as determined by the Company's Board of Directors, in good faith, and in the case of any such issuance to Northern Genesis Sponsor II LLC, the initial stockholders, or their affiliates, without taking into account any founders' shares held by them prior to such issuance) (such price, the "Newly Issued Price"), (b) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of the Business Combination on the date of the consummation of such Business Combination (net of redemptions), and (c) the Fair Market Value (as defined below) is below \$9.20 per share, the exercise price of the warrants will be adjusted (to the nearest cent) to be equal to 115% of the greater of (i) the Fair Market Value or (ii) the price at which the Company issues the Common Stock or equity-linked securities and the Redemption Trigger Price (as defined below) shall be adjusted to equal to 180% of the greater of the Fair Market Value and the Newly Issued Price. Solely for purposes of this Section 4.6, the "Fair Market Value" shall mean the volume weighted average reported trading price of the Common Stock for the twenty (20) trading days starting on the trading day prior to the date of the consummation of the Business Combination.

4.7. Notices of Changes in Warrant. Upon every adjustment of the Warrant Price or the number of shares issuable upon exercise of a Warrant, the Company shall give written notice thereof to the Warrant Agent, which notice shall state the Warrant Price resulting from such adjustment and the increase or decrease, if any, in the number of shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Upon the occurrence of any event specified in Sections 4.1, 4.2, 4.3, 4.4, 4.5, or 4.6, then, in any such event, the Company shall give written notice to each Warrant holder, at the last address set forth for such holder in the Warrant Register, of the record date or the effective date of the event. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such event.

4.8. No Fractional Warrants or Shares. Notwithstanding any provision contained in this Agreement to the contrary, the Company shall not issue fractional shares of Common Stock upon exercise of Warrants. If, by reason of any adjustment made pursuant to this Section 4, the holder of any Warrants would be entitled, upon the exercise of such Warrants, to receive in respect of all such Warrants so exercised a number of shares of Common Stock that includes a fractional interest in a share, the Company shall, upon such exercise, round down, to the nearest whole number of shares, the number of shares of Common Stock to be issued to the Warrant holder.

4.9. Form of Warrant Certificate. The form of Warrant certificate need not be changed because of any adjustment pursuant to this Section 4, and Warrant certificates issued after such adjustment may state the same Warrant Price and the same number of shares as is stated in the Warrant certificates initially issued pursuant to this Agreement. However, the Company may at any time in its sole discretion make any change in the form of Warrant certificate that the Company may deem appropriate and that does not affect the substance thereof, and any Warrant certificate thereafter issued or countersigned, whether in exchange or substitution for an outstanding Warrant or otherwise, may be in the form as so changed.

4.10. Other Events. In case any event shall occur affecting the Company as to which none of the provisions of preceding subsections of this Section 4 are strictly applicable, but which would require an adjustment to the terms of the Warrants in order to (i) avoid an adverse impact on the Warrants and (ii) effectuate the intent and purpose of this Section 4, then, in each such case, the Company shall appoint a firm of independent public accountants, investment banking or other appraisal firm of recognized national standing, which shall give its opinion as to whether or not any adjustment to the rights represented by the Warrants is necessary to effectuate the intent and purpose of this Section 4 and, if they determine that an adjustment is necessary, the terms of such adjustment. The Company shall adjust the terms of the Warrants in a manner that is consistent with any adjustment recommended in such opinion.

## 5. Transfer and Exchange of Warrants.

5.1. Registration of Transfer. The Warrant Agent shall register the transfer, from time to time, of any outstanding Warrants upon the Warrant Register, upon surrender of such Warrants for transfer (including, in the case of certificated Warrants, the Warrant certificate, properly endorsed with signatures properly guaranteed) and accompanied by appropriate instructions for transfer. Upon any such transfer, a new Warrant certificate representing an equal aggregate number of Warrants shall be issued and the old Warrant certificate shall be cancelled by the Warrant Agent. In the case of certificated Warrants, the Warrants so cancelled shall be delivered by the Warrant Agent to the Company from time to time upon request.

5.2. Procedure for Surrender of Warrants. Warrants may be surrendered to the Warrant Agent, either in certificated form or in book entry position, together with a written request for exchange or transfer, and thereupon the Warrant Agent shall issue in exchange therefor one or more new Warrant certificates, or book entry positions, as requested by the registered holder of the Warrants so surrendered, representing an equal aggregate number of Warrants; provided, however, that in the event that a Warrant certificate or book entry position surrendered for transfer bears a restrictive legend, the Warrant Agent shall not cancel such Warrant certificate or book entry position and issue a new Warrant certificate or book entry position in exchange therefor until the Warrant Agent has received an opinion of counsel for the Company stating that such transfer may be made and indicating whether the new Warrant certificates or book entry positions must also bear a restrictive legend.

5.3. Fractional Warrants. The Warrant Agent shall not be required to effect any registration of transfer or exchange which will result in the issuance of a Warrant certificate or book-entry position for only a fraction of a Warrant.

5.4. Service Charges. No service charge shall be made for any exchange or registration of transfer of Warrants.

5.5. Warrant Execution and Countersignature. The Warrant Agent is hereby authorized to countersign and to deliver, in accordance with the terms of this Agreement, the Warrant certificates required to be issued pursuant to the provisions of this Section 5, and the Company, whenever required by the Warrant Agent, will supply the Warrant Agent with Warrant certificates duly executed on behalf of the Company for such purpose.

5.6. Private Placement Warrants and Working Capital Warrants. The Warrant Agent shall not register any transfer of Private Placement Warrants or Working Capital Warrants until thirty (30) days after the consummation by the Company of an initial Business Combination, except for the following transfers (the transferee of any of the following constituting a "permitted transferee"):

5.6.1. A transfer by any registered holder to (a) any Related Person of such registered holder, (b) Northern Genesis Sponsor II LLC or any person or entity that at the time of the applicable transfer is, or immediately prior to the closing of a Business Combination was, an officer, manager, or member of Northern Genesis Sponsor II LLC, (c) any person that at the time of the applicable transfer is, or immediately prior to the closing of a Business Combination was, an officer or director of the Company, (d) any Related Person of any of the foregoing, or (e) any entity that is controlled by any combination of any of the foregoing; in each case on the condition that prior to such registration for transfer, the Warrant Agent shall be presented with written documentation confirming the transferee's status as a permitted transferee and pursuant to which such transferee (or the trustee or legal guardian for such transferee) agrees to be bound, solely with respect to the Warrants so transferred, by the transfer restrictions contained in this section and any other applicable agreement by which the transferor is bound with respect to such Warrants;

5.6.2. In the case of a registered holder that is a natural person, a transfer by virtue of laws of descent and distribution upon death of such registered holder, and a transfer pursuant to a qualified domestic relations order; in each case on the condition that prior to such registration for transfer, the Warrant Agent shall be presented with written documentation confirming the transferee's status as a permitted transferee and pursuant to which such transferee (or the trustee or legal guardian for such transferee) agrees to be bound, solely with respect to the Warrants so transferred, by the transfer restrictions contained in this section and any other applicable agreement by which the transferor is bound with respect to such Warrants;

5.6.3. In the case of a registered holder that is an entity, a transfers by virtue of the laws of the jurisdiction of an entity's organization and the entity's organizational documents upon dissolution of the entity; in each case on the condition that prior to such registration for transfer, the Warrant Agent shall be presented with written documentation confirming the transferee's status as a permitted transferee and pursuant to which such transferee (or the trustee or legal guardian for such transferee) agrees to be bound, solely with respect to the Warrants so transferred, by the transfer restrictions contained in this section and any other applicable agreement by which the transferor is bound with respect to such Warrants;

5.6.4. Following the closing of a Business Combination, any transfer as a result of enforcement of rights and remedies under any bona fide hypothecation or pledge of or other grant of a security interest in any such Warrant as security for indebtedness; in each case on the condition that prior to such registration for transfer, the Warrant Agent shall be presented with written documentation either (a) confirming that the transferee is not a person or entity to which such Warrants may be transferred pursuant to Section 5.6.1, or (b) pursuant to which such transferee (or the trustee or legal guardian for such transferee) agrees to be bound, solely with respect to the Warrants so transferred, by the transfer restrictions contained in this section and any other applicable agreement by which the transferor is bound with respect to such Warrants;

5.6.5. Any transfer to or exchange with the Company (or successor issuer of such Warrants) to effectuate any stock split, reverse stock split, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change; *provided, however*, that any such Warrants shall be subject to the restrictions of this Section 5.6 to the same extent as the Warrants so transferred or exchanged.

As used in this Section 5.6, "**Related Person**" means (a) in the case of a registered holder that is an entity, any securityholder, partner, member or affiliate (as defined below) of such registered holder; and (b) in the case of a registered holder that is a natural person, (i) any member of such registered holder's immediate family (as defined below), (ii) any trust, the beneficiaries of which are such registered holder, any Related Person of such registered holder, and/or any charitable organization, or the assets of which are deemed for federal income tax purposes to be owned by such registered holder and/or one or more Related Persons of such registered holder, or (iii) any entity that is directly or indirectly controlled by such registered holder and/or any combination of any of the foregoing. For purposes of the foregoing, (A) "**immediate family**" of a specified person means his or her spouse or domestic partner, any parent of such specified person or of his or her spouse or domestic partner, or any lineal descendant of any of the foregoing (including by adoption), (B) "**affiliate**" of a specified person or entity means any other person or entity that directly, or indirectly through one or more other affiliates, controls or is controlled by, or is under common control with, the specified person or entity, and (C) "**control**" means the possession, directly or indirectly, or as trustee or executor, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, as trustee or executor, by contract or otherwise, and, in the case of a fund, includes the power to direct or cause the direction of the investment decisions of such fund, whether through authority as the manager, investment manager, general partner, or otherwise.

5.6.6. Transfers of Units; Transfers prior to Detachment. Each transfer of a Unit on the register relating to such Units shall operate also to transfer the Warrants included in such Unit. Prior to the Detachment Date, the Public Warrants may be transferred or exchanged only together with the Public Unit in which such Public Warrant is included, and only for the purpose of effecting, or in conjunction with, a transfer or exchange of such Public Unit.

#### 6. Redemption.

6.1. Redemption. Subject to Section 6.4 hereof, all, and not less than all, of the outstanding Warrants may be redeemed, at the option of the Company, at any time during the Exercise Period, at the office of the Warrant Agent, upon the notice referred to in Section 6.2, at the price of \$0.01 per Warrant (“Redemption Price”), provided that the last sales price of the Common Stock equals or exceeds \$18.00 per share (subject to adjustment in accordance with Section 4 hereof) (the “Redemption Trigger Price”), on each of twenty (20) trading days within any thirty (30) trading day period commencing after the Warrants become exercisable and ending on the third trading day prior to the date on which notice of redemption is given and provided that there is an effective registration statement covering the shares of Common Stock issuable upon exercise of the Warrants, and a current prospectus relating thereto, available throughout the 30-day redemption or the Company has elected to require the exercise of the Warrants on a “cashless basis” pursuant to subsection 3.3.1(b); provided, however, that if and when the Public Warrants become redeemable by the Company, the Company may not exercise such redemption right if the issuance of shares of Common Stock upon exercise of the Public Warrants is not exempt from registration or qualification under applicable state blue sky laws or the Company is unable to effect such registration or qualification.

6.2. Date Fixed for, and Notice of, Redemption. In the event the Company shall elect to redeem all of the Warrants that are subject to redemption, the Company shall fix a date for the redemption (the “Redemption Date”). Notice of redemption shall be mailed by first class mail, postage prepaid, by the Company not less than thirty (30) days prior to the Redemption Date to the registered holders of the Warrants to be redeemed at their last addresses as they shall appear on the registration books. Any notice mailed in the manner herein provided shall be conclusively presumed to have been duly given whether or not the registered holder received such notice.

6.3. Exercise After Notice of Redemption. The Public Warrants may be exercised, for cash (or on a “cashless basis” in accordance with Section 3 of this Agreement) at any time after notice of redemption shall have been given by the Company pursuant to Section 6.2 hereof and prior to the Redemption Date. In the event the Company determines to require all holders of Public Warrants to exercise their Warrants on a “cashless basis” pursuant to Section 3.3.1(b), the notice of redemption will contain the information necessary to calculate the number of shares of Common Stock to be received upon exercise of the Warrants, including the “Fair Market Value” in such case. On and after the Redemption Date, the record holder of the Warrants shall have no further rights except to receive, upon surrender of the Warrants, the Redemption Price.

6.4. Exclusion of Certain Warrants. The Company agrees that the redemption rights provided in this Section 6 shall not apply to (i) the Private Placement Warrants and Working Capital Warrants if at the time of the redemption such Private Placement Warrants or Working Capital Warrants continue to be held by the initial purchasers or their permitted transferees or (ii) Post IPO Warrants if such warrants provide that they are non-redeemable by the Company. However, with respect to the Private Placement Warrants or Working Capital Warrants, once such Private Placement Warrants or Working Capital Warrants are transferred (other than to permitted transferees under Section 5.6), the Company may redeem the Private Placement Warrants and Working Capital Warrants in the same manner as the Public Warrants.

7. Other Provisions Relating to Rights of Holders of Warrants.

7.1. No Rights as Stockholder. A Warrant does not entitle the registered holder thereof to any of the rights of a stockholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any preemptive rights to vote or to consent or to receive notice as stockholders in respect of the meetings of stockholders or the election of directors of the Company or any other matter.

7.2. Lost, Stolen, Mutilated, or Destroyed Warrants. If any Warrant certificate is lost, stolen, mutilated, or destroyed, the Company and the Warrant Agent may on such terms as to indemnity or otherwise as they may in their discretion impose (which shall, in the case of a mutilated Warrant certificate, include the surrender thereof), issue a new Warrant certificate of like denomination, tenor, and date as the Warrant certificate so lost, stolen, mutilated, or destroyed. Any such new Warrant certificate shall constitute a substitute contractual obligation of the Company, whether or not the allegedly lost, stolen, mutilated, or destroyed Warrant certificate shall be at any time enforceable by anyone.

7.3. Reservation of Shares of Common Stock. The Company shall at all times reserve and keep available a number of its authorized but unissued shares of Common Stock that will be sufficient to permit the exercise in full of all outstanding Warrants issued pursuant to this Agreement.

#### 7.4. Registration of Common Stock; Cashless Exercise at Company's Option.

7.4.1. Registration of Common Stock. The Company agrees that as soon as practicable after the closing of its initial Business Combination, but in no event later than fifteen (15) Business Days after the closing of its initial Business Combination, it shall use its best efforts to file with the Securities and Exchange Commission a registration statement for the registration, under the Act, of the shares of Common Stock issuable upon exercise of the Warrants, and it shall use its best efforts to take such action as is necessary to register or qualify for sale, in those states in which the Warrants were initially offered by the Company and in those states where holders of Warrants then reside, the shares of Common Stock issuable upon exercise of the Warrants, to the extent an exemption is not available. The Company will use its best efforts to cause the same to become effective and to maintain the effectiveness of such registration statement until the expiration of the Warrants in accordance with the provisions of this Agreement. If any such registration statement has not been declared effective by the 60th day following the closing of the Business Combination, holders of the Warrants shall have the right, during the period beginning on the 61st day after the closing of the Business Combination and ending upon such registration statement being declared effective by the Securities and Exchange Commission, and during any other period when the Company shall fail to have maintained an effective registration statement covering the shares of Common Stock issuable upon exercise of the Warrants, to exercise such Warrants on a "cashless basis" as determined in accordance with Section 3.3.1(d). The Company shall provide the Warrant Agent with an opinion of counsel for the Company (which shall be an outside law firm with securities law experience) stating that (i) the exercise of the Warrants on a cashless basis in accordance with this Section 7.4 is not required to be registered under the Act and (ii) the shares of Common Stock issued upon such exercise will be freely tradable under U.S. federal securities laws by anyone who is not an affiliate (as such term is defined in Rule 144 under the Act) of the Company and, accordingly, will not be required to bear a restrictive legend. For the avoidance of any doubt, unless and until all of the Warrants have been exercised on a cashless basis or have expired, the Company shall continue to be obligated to comply with its registration obligations under the first three sentences of this Section 7.4.

7.4.2. Cashless Exercise at Company's Option. If the Common Stock is at the time of any exercise of a Warrant not listed on a national securities exchange such that it satisfies the definition of a "covered security" under Section 18(b)(1) of the Securities Act (or any successor statute), the Company may, at its option, (i) require holders of Public Warrants who exercise Public Warrants to exercise such Public Warrants on a "cashless basis" in accordance with Section 3(a)(9) of the Securities Act (or any successor statute) as described in subsection 7.4.1 and (ii) in the event the Company so elects, the Company shall not be required to file or maintain in effect a registration statement for the registration, under the Securities Act, of the Common Stock issuable upon exercise of the Warrants, notwithstanding anything in this Agreement to the contrary. If the Company does not elect at the time of exercise to require a holder of Public Warrants who exercises Public Warrants to exercise such Public Warrants on a "cashless basis," it agrees to use its best efforts to register or qualify for sale the Common Stock issuable upon exercise of the Public Warrant under the blue sky laws of the state of residence of the exercising Public Warrant holder to the extent an exemption is not available.

#### 8. Concerning the Warrant Agent and Other Matters.

8.1. Payment of Taxes. The Company will from time to time promptly pay all taxes and charges that may be imposed upon the Company or the Warrant Agent in respect of the issuance or delivery of shares of Common Stock upon the exercise of Warrants, but the Company shall not be obligated to pay any transfer taxes in respect of the Warrants or such shares.

## 8.2. Resignation, Consolidation, or Merger of Warrant Agent.

8.2.1. Appointment of Successor Warrant Agent. The Warrant Agent, or any successor to it hereafter appointed, may resign its duties and be discharged from all further duties and liabilities hereunder after giving sixty (60) days' notice in writing to the Company. If the office of the Warrant Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor Warrant Agent in place of the Warrant Agent. If the Company shall fail to make such appointment within a period of thirty (30) days after it has been notified in writing of such resignation or incapacity by the Warrant Agent or by the holder of the Warrant (who shall, with such notice, submit his Warrant for inspection by the Company), then the holder of any Warrant may apply to the Supreme Court of the State of New York for the County of New York for the appointment of a successor Warrant Agent at the Company's cost. Any successor Warrant Agent, whether appointed by the Company or by such court, shall be a corporation organized and existing under the laws of the State of New York, in good standing and having its principal office in the Borough of Manhattan, City and State of New York, and authorized under such laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority. After appointment, any successor Warrant Agent shall be vested with all the authority, powers, rights, immunities, duties, and obligations of its predecessor Warrant Agent with like effect as if originally named as Warrant Agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor Warrant Agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor Warrant Agent all the authority, powers, and rights of such predecessor Warrant Agent hereunder; and upon request of any successor Warrant Agent the Company shall make, execute, acknowledge, and deliver any and all instruments in writing for more fully and effectually vesting in and confirming to such successor Warrant Agent all such authority, powers, rights, immunities, duties, and obligations.

8.2.2. Notice of Successor Warrant Agent. In the event a successor Warrant Agent shall be appointed, the Company shall give notice thereof to the predecessor Warrant Agent and the transfer agent for the shares of Common Stock not later than the effective date of any such appointment.

8.2.3. Merger or Consolidation of Warrant Agent. Any corporation into which the Warrant Agent may be merged or with which it may be consolidated or any corporation resulting from any merger or consolidation to which the Warrant Agent shall be a party shall be the successor Warrant Agent under this Agreement without any further act.

## 8.3. Fees and Expenses of Warrant Agent.

8.3.1. Remuneration. The Company agrees to pay the Warrant Agent reasonable remuneration for its services as such Warrant Agent hereunder and will reimburse the Warrant Agent upon demand for all expenditures that the Warrant Agent may reasonably incur in the execution of its duties hereunder.

8.3.2. Further Assurances. The Company agrees to perform, execute, acknowledge, and deliver or cause to be performed, executed, acknowledged, and delivered all such further and other acts, instruments, and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Agreement.

#### 8.4. Liability of Warrant Agent.

8.4.1. Reliance on Company Statement. Whenever in the performance of its duties under this Agreement, the Warrant Agent shall deem it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a statement signed by the Chief Executive Officer or Board Chair of the Company and delivered to the Warrant Agent. The Warrant Agent may rely upon such statement for any action taken or suffered in good faith by it pursuant to the provisions of this Agreement.

8.4.2. Indemnity. The Warrant Agent shall be liable hereunder only for its own fraud, gross negligence, willful misconduct or bad faith. The Company agrees to indemnify the Warrant Agent and save it harmless against any and all liabilities, including judgments, costs and reasonable counsel fees, for anything done or omitted by the Warrant Agent in the execution of this Agreement except as a result of the Warrant Agent's fraud, gross negligence, willful misconduct, or bad faith.

8.4.3. Exclusions. The Warrant Agent shall have no responsibility with respect to the validity of this Agreement or with respect to the validity or execution of any Warrant (except its countersignature thereof); nor shall it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Warrant; nor shall it be responsible to make any adjustments required under the provisions of Section 4 hereof or responsible for the manner, method, or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment; nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any shares of Common Stock to be issued pursuant to this Agreement or any Warrant or as to whether any shares of Common Stock will, when issued, be valid and fully paid and nonassessable.

8.4.4. Acceptance of Agency. The Warrant Agent hereby accepts the agency established by this Agreement and agrees to perform the same upon the terms and conditions herein set forth and among other things, shall account promptly to the Company with respect to Warrants exercised and concurrently account for, and pay to the Company, all monies received by the Warrant Agent for the purchase of shares of Common Stock through the exercise of Warrants.

#### 9. Miscellaneous Provisions.

9.1. Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company or the Warrant Agent shall bind and inure to the benefit of their respective successors and assigns.

9.2. Notices. Any notice, statement or demand authorized by this Agreement to be given or made by the Warrant Agent or by the holder of any Warrant to or on the Company shall be sufficiently given when so delivered if by hand or overnight delivery or if sent by certified mail or private courier service within five (5) days after deposit of such notice, postage prepaid, addressed (until another address is filed in writing by the Company with the Warrant Agent), as follows:

9.3. Applicable Law. The validity, interpretation, and performance of this Agreement and of the Warrants shall be governed in all respects by the laws of the State of New York, without giving effect to conflicts of law principles that would result in the application of the substantive laws of another jurisdiction. The Company hereby agrees that any action, proceeding or claim against it arising out of or relating in any way to this Agreement shall be brought and enforced in the courts of the State of New York or the United States District Court for the Southern District of New York, and irrevocably submits to such jurisdiction. The Company hereby waives any objection that such courts represent an inconvenient forum. Any such process or summons to be served upon the Company may be served by transmitting a copy thereof by registered or certified mail, return receipt requested, postage prepaid, addressed to it at the address set forth in Section 9.2 hereof. Such mailing shall be deemed personal service and shall be legal and binding upon the Company in any action, proceeding or claim. The foregoing shall not relate to any claims brought under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

9.4. Persons Having Rights under this Agreement. Nothing in this Agreement expressed and nothing that may be implied from any of the provisions hereof is intended, or shall be construed, to confer upon, or give to, any person or corporation other than the parties hereto and the registered holders of the Warrants and, for the purposes of Sections 7.4, 9.4 and 9.8 hereof, the Representatives, any right, remedy, or claim under or by reason of this Warrant Agreement or of any covenant, condition, stipulation, promise, or agreement hereof. The Representatives shall be deemed to be third party beneficiaries of this Agreement with respect to Sections 7.4, 9.4 and 9.8. All covenants, conditions, stipulations, promises, and agreements contained in this Warrant Agreement shall be for the sole and exclusive benefit of the parties hereto (and the Representatives with respect to the Sections 7.4, 9.4 and 9.8 hereof) and their successors and assigns and of the registered holders of the Warrants.

9.5. Examination of the Warrant Agreement. A copy of this Agreement shall be available at all reasonable times at the office of the Warrant Agent in the Borough of Manhattan, City and State of New York, for inspection by the registered holder of any Warrant. The Warrant Agent may require any such holder to submit his Warrant for inspection by it.

9.6. Counterparts. This Agreement may be executed in any number of original or facsimile counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

9.7. Effect of Headings. The section headings herein are for convenience only and are not part of this Agreement and shall not affect the interpretation thereof.

9.8. Amendments. This Agreement may be amended by the parties hereto without the consent of any registered holder for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained herein, conforming the provisions hereof to the description of the terms of the Warrants and this Agreement set forth in the Registration Statement or adding or changing any other provisions with respect to matters or questions arising under this Agreement as the parties may deem necessary or desirable and that the parties deem shall not adversely affect the interest of the registered holders. All other modifications or amendments, including any amendment to increase the Warrant Price or shorten the Exercise Period, shall require the written consent or vote of the registered holders of (i) a majority of the then outstanding Public Warrants if such modification or amendment is being undertaken prior to, or in connection with, the consummation of a Business Combination or (ii) a majority of the then outstanding Warrants if such modification or amendment is being undertaken after the consummation of a Business Combination. Notwithstanding the foregoing, the Company may lower the Warrant Price or extend the duration of the Exercise Period pursuant to Sections 3.1 and 3.2, respectively, without the consent of the registered holders. The provisions of this Section 9.8 may not be modified, amended or deleted without the prior written consent of the Representatives.

9.9. Trust Account Waiver. The Warrant Agent acknowledges and agrees that it shall not make any claims or proceed against the trust account established by the Company in connection with the Public Offering (as more fully described in the Registration Statement) ("Trust Account"), including by way of set-off, and shall not be entitled to any funds in the Trust Account under any circumstance. In the event that the Warrant Agent has a claim against the Company under this Agreement, the Warrant Agent will pursue such claim solely against the Company and not against the property held in the Trust Account.

9.10. Severability. This Agreement shall be deemed severable, and the invalidity or unenforceability of any term or provision hereof shall not affect the validity or enforceability of this Agreement or of any other term or provision hereof. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible and be valid and enforceable.

**INVESTMENT MANAGEMENT TRUST AGREEMENT**

This Agreement is made as of January 12, 2021 by and between Northern Genesis Acquisition Corp. II (the “Company”) and Continental Stock Transfer & Trust Company (“Trustee”).

WHEREAS, the Company’s registration statement on Form S-1, No. 333-251639 (“Registration Statement”) for its initial public offering of securities (“IPO”) has been declared effective as of the date hereof (“Effective Date”) by the Securities and Exchange Commission (capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Registration Statement); and

WHEREAS, J.P. Morgan Securities LLC, Barclays Capital Inc. and CIBC World Markets Corp. (the “Representatives”) are acting as the representatives of the several underwriters in the IPO; and

WHEREAS, as described in the Registration Statement, and in accordance with the Company’s Amended and Restated Certificate of Incorporation, \$360,000,000 (\$414,000,000 if the over-allotment option is exercised in full) of the proceeds from the IPO and a simultaneous private placement of warrants will be delivered to the Trustee to be deposited and held in a segregated trust account located at all times in the United States (the “Trust Account”) for the benefit of the Company and the holders of the Company’s common stock, par value \$0.0001 per share (“Common Stock”), issued in the IPO as hereinafter provided (the proceeds to be delivered to the Trustee will be referred to herein as the “Property”; the stockholders for whose benefit the Trustee shall hold the Property will be referred to as the “Public Stockholders,” and the Public Stockholders and the Company will be referred to together as the “Beneficiaries”); and

WHEREAS, the Company and the Trustee desire to enter into this Agreement to set forth the terms and conditions pursuant to which the Trustee shall hold the Property;

IT IS AGREED:

1. Agreements and Covenants of Trustee. The Trustee hereby agrees and covenants to:

(a) Hold the Property in trust for the Beneficiaries in accordance with the terms of this Agreement in the Trust Account established by the Trustee initially at J.P. Morgan Chase Bank, N.A. (or at another U.S. chartered commercial bank with consolidated assets of \$100 billion or more) in the United States, maintained by Trustee, and at a brokerage institution selected by the Company that is reasonably satisfactory to the Trustee;

(b) Manage, supervise, and administer the Trust Account subject to the terms and conditions set forth herein;

(c) In a timely manner, upon the written instruction of the Company, invest and reinvest the Property in United States “government securities” within the meaning of Section 2(a)(16) of the Investment Company Act of 1940, as amended (the “Investment Company Act”), having a maturity of 185 days or less, and/or in any open ended investment company registered under the Investment Company Act that holds itself out as a money market fund selected by the Company meeting the conditions of paragraph (d) of Rule 2a-7 promulgated under the Investment Company Act, which invest only in direct U.S. government treasury obligations; it being understood that the Trust Account will earn no interest while account funds are uninvested awaiting the Company’s instructions hereunder and the Trustee may earn bank credits or other consideration during such periods;

---

(d) Collect and receive, when due, all principal and income arising from the Property, which shall become part of the "Property," as such term is used herein;

(e) Notify the Company and the Representatives of all communications received by it with respect to any Property requiring action by the Company;

(f) Supply any necessary information or documents as may be requested by the Company in connection with the Company's preparation of its tax returns;

(g) Participate in any plan or proceeding for protecting or enforcing any right or interest arising from the Property if, as, and when instructed by the Company to do so;

(h) Render to the Company monthly written statements of the activities of and amounts in the Trust Account reflecting all receipts and disbursements of the Trust Account;

(i) Commence liquidation of the Trust Account only after and promptly after receipt of, and only in accordance with, the terms of a letter ("Termination Letter"), in a form substantially similar to that attached hereto as either Exhibit A or Exhibit B, signed on behalf of the Company and complete the liquidation of the Trust Account and distribute the Property in the Trust Account only as directed in the Termination Letter and the other documents referred to therein; provided, however, that in the event that a Termination Letter has not been received by the Trustee within the period of time (the "Last Date") provided in the Company's Amended and Restated Certificate of Incorporation, as the same may be amended from time to time (the "Certificate of Incorporation"), the Trust Account shall be liquidated in accordance with the procedures set forth in the Termination Letter attached as Exhibit B hereto and distributed to the Public Stockholders as of the Last Date; and

(j) Upon receipt of a letter (an "Amendment Notification Letter") in the form of Exhibit C, signed on behalf of the Company by an authorized officer, distribute to Public Stockholders who exercised their conversion rights in connection with an amendment to Article Sixth of the Company's Amended and Restated Certificate of Incorporation (an "Amendment") an amount equal to the pro rata share of the Property relating to the Common Stock for which such Public Stockholders have exercised conversion rights in connection with such Amendment.

2. Limited Distributions of Income from Trust Account.

(a) Upon written request from the Company, which may be given from time to time in a form substantially similar to that attached hereto as Exhibit D, the Trustee shall distribute to the Company the amount of interest income earned on the Trust Account requested by the Company to cover any income or other tax obligation owed by the Company.

(b) Upon written request from the Company, which may be given in a form substantially similar to that attached hereto as Exhibit D, the Trustee shall distribute to the Company the amount of interest income earned on the Property and requested by the Company to cover expenses related to the Company's working capital requirements; provided, however, that the aggregate amount of all such distributions in any twelve-month period shall not exceed \$125,000 and the Company will not be allowed to withdraw interest income earned on the trust account unless there are sufficient funds available to pay the Company's tax obligations on such interest income or otherwise then due at that time.

(c) The limited distributions referred to in Sections 2(a) and 2(b) above shall be made only from income collected on the Property. Except as provided in Sections 2(a) and 2(b) above, no other distributions from the Trust Account shall be permitted except in accordance with Sections 1(i) or 1(j) hereof.

3. Agreements and Covenants of the Company. The Company agrees and covenants to:

(a) Give all instructions to the Trustee hereunder in writing, signed by any one of the Company's authorized officers. In addition, except with respect to its duties under Sections 1(i), 1(j), 2(a) and 2(b) above, the Trustee shall be entitled to rely on, and shall be protected in relying on, any verbal or telephonic advice or instruction which it in good faith believes to be given by any one of the persons authorized above to give written instructions, provided that the Company shall promptly confirm such instructions in writing;

(b) Subject to the provisions of Section 5 of this Agreement, hold the Trustee harmless and indemnify the Trustee from and against any and all expenses, including reasonable counsel fees and disbursements, or losses suffered by the Trustee in connection with any claim, potential claim, action, suit, or other proceeding brought against the Trustee which in any way arises out of or relates to this Agreement, the services of the Trustee hereunder, or the Property or any income earned from investment of the Property, except for expenses and losses resulting from the Trustee's gross negligence or willful misconduct. Promptly after the receipt by the Trustee of notice of demand or claim or the commencement of any action, suit, or proceeding, pursuant to which the Trustee intends to seek indemnification under this paragraph, it shall notify the Company in writing of such claim (hereinafter referred to as the "Indemnified Claim"). The Trustee shall have the right to conduct and manage the defense against such Indemnified Claim, provided, that the Trustee shall obtain the consent of the Company with respect to the selection of counsel, which consent shall not be unreasonably withheld. The Trustee may not agree to settle any Indemnified Claim without the prior written consent of the Company, which consent shall not be unreasonably withheld. The Company may participate in such action with its own counsel;

(c) Pay the Trustee an initial acceptance fee, an annual fee, and a transaction processing fee for each disbursement made pursuant to Sections 2(a) and 2(b) as set forth on Schedule A hereto, which fees shall be subject to modification by the parties from time to time. It is expressly understood that the Property shall not be used to pay such fees and further agreed that any fees owed to the Trustee shall be deducted by the Trustee from the disbursements made to the Company pursuant to Section 2(b) or pursuant to Section 1(i) solely in connection with the consummation of a business combination (a "Business Combination"). The Company shall pay the Trustee the initial acceptance fee and first year's fee at the consummation of the IPO and thereafter on the anniversary of the Effective Date;

(d) In connection with any vote of the Company's stockholders regarding a Business Combination, provide to the Trustee an affidavit or certificate of a firm regularly engaged in the business of soliciting proxies and/or tabulating stockholder votes verifying the vote of the Company's stockholders regarding such Business Combination;

(e) In the event that the Company directs the Trustee to commence liquidation of the Trust Account pursuant to Section 1(i), the Company agrees that it will not direct the Trustee to make any payments that are not specifically authorized by this Agreement;

(f) If the Company has an Amendment approved by its stockholders, provide the Trustee with an Amendment Notification Letter in the form of Exhibit C providing instructions for the distribution of funds to Public Stockholders who exercise their conversion rights in connection with such Amendment; and

(g) Provide the Representatives with a copy of any Termination Letter, Amendment Notification Letter, and/or any other correspondence that it issues to the Trustee with respect to any proposed withdrawal from the Trust Account promptly after such issuance.

4. Limitations of Liability. The Trustee shall have no responsibility or liability to:

(a) Take any action with respect to the Property, other than as directed in Sections 1 and 2 hereof, and the Trustee shall have no liability to any party except for liability arising out of its own gross negligence or willful misconduct;

(b) Institute any proceeding for the collection of any principal and income arising from, or institute, appear in, or defend any proceeding of any kind with respect to, any of the Property unless and until it shall have received instructions from the Company given as provided herein to do so and the Company shall have advanced or guaranteed to it funds sufficient to pay any expenses incident thereto;

(c) Change the investment of any Property, other than in compliance with Section 1(c);

(d) Refund any depreciation in principal of any Property;

(e) Assume that the authority of any person designated by the Company to give instructions hereunder shall not be continuing unless provided otherwise in such designation, or unless the Company shall have delivered a written revocation of such authority to the Trustee;

(f) The other parties hereto or to anyone else for any action taken or omitted by it, or any action suffered by it to be taken or omitted, in good faith and in the exercise of its own best judgment, except for its gross negligence or willful misconduct. The Trustee may rely conclusively and shall be protected in acting upon any order, notice, demand, certificate, opinion, or advice of counsel (including counsel chosen by the Trustee), statement, instrument, report, or other paper or document (not only as to its due execution and the validity and effectiveness of its provisions, but also as to the truth and acceptability of any information therein contained) which is believed by the Trustee, in good faith, to be genuine and to be signed or presented by the proper person or persons. The Trustee shall not be bound by any notice or demand, or any waiver, modification, termination, or rescission of this Agreement or any of the terms hereof, unless evidenced by a written instrument delivered to the Trustee signed by the proper party or parties and, if the duties or rights of the Trustee are affected, unless it shall give its prior written consent thereto;

(g) Verify the correctness of the information set forth in the Registration Statement or to confirm or assure that any Business Combination consummated by the Company or any other action taken by it is as contemplated by the Registration Statement;

(h) File local, state, and/or federal tax returns or information returns with any taxing authority on behalf of the Trust Account or deliver payee statements to the Company documenting the taxes, if any, payable by the Company or the Trust Account, relating to the income earned on the Property;

(i) Pay any taxes on behalf of the Trust Account (it being expressly understood that the Property shall not be used to pay any such taxes and that such taxes, if any, shall be paid by the Company from funds not held in the Trust Account or released to it under Sections 2(a) or 2(b) hereof);

(j) Imply obligations, perform duties, inquire, or otherwise be subject to the provisions of any agreement or document other than this agreement and that which is expressly set forth herein; or

(k) Verify calculations, qualify, or otherwise approve Company requests for distributions pursuant to Sections 1(i), 1(j), 2(a) or 2(b) above.

5. Trust Account Waiver. The Trustee has no right of set-off or any right, title, interest or claim of any kind ("Claim") to, or to any monies in, the Trust Account, and hereby irrevocably waives any Claim to, or to any monies in, the Trust Account that it may have now or in the future. In the event the Trustee has any Claim against the Company under this Agreement, including, without limitation, under Section 3(b) or Section 3(c) hereof, the Trustee shall pursue such Claim solely against the Company and its assets outside the Trust Account and not against the Property or any monies in the Trust Account.

6. Termination. This Agreement shall terminate as follows:

(a) If the Trustee gives written notice to the Company that it desires to resign under this Agreement, the Company shall use its reasonable efforts to locate a successor trustee during which time the Trustee shall act in accordance with this Agreement. At such time that the Company notifies the Trustee that a successor trustee has been appointed by the Company and has agreed to become subject to the terms of this Agreement, the Trustee shall transfer the management of the Trust Account to the successor trustee, including but not limited to the transfer of copies of the reports and statements relating to the Trust Account, whereupon this Agreement shall terminate; provided, however, that, in the event that the Company does not locate a successor trustee within ninety (90) days of receipt of the resignation notice from the Trustee, the Trustee may submit an application to have the Property deposited with any court in the State of New York or with the United States District Court for the Southern District of New York and upon such deposit, the Trustee shall be immune from any liability whatsoever; or

(b) At such time that the Trustee has completed the liquidation of the Trust Account in accordance with the provisions of Section 1(i) hereof, and distributed the Property in accordance with the provisions of the Termination Letter, this Agreement shall terminate except with respect to Section 3(b) and Section 5.

Except for Sections 1(i) and 1(j) (which sections may not be modified, amended or deleted without the affirmative vote of sixty five percent (65%) of the then outstanding shares of Common Stock of the Company; provided that no such amendment will affect any Public Stockholder who has otherwise indicated his, her or its election to redeem his, her or its shares of Common Stock in connection with a vote sought to amend this Agreement), this Agreement or any provision hereof may only be changed, amended or modified by a writing signed by each of the parties hereto; provided, however, that no such change, amendment or modification may be made without the prior written consent of the Representatives. ## 2. REGISTRATION RIGHTS.

### 2.1. Demand Registration.

2.1.1. Request for Registration. At any time and from time to time on or after the date that the Company consummates a Business Combination, the holders of not less than twenty-five percent (25%) of the then-outstanding Registrable Securities (calculated, with respect to Warrants, on the basis of the shares of Common Stock underlying such Warrants) may make a written demand for registration under the Securities Act of all or part of such Registrable Securities, as the case may be (a “**Demand Registration**”). Any demand for a Demand Registration shall specify the number of shares of Registrable Securities proposed to be sold and the intended method(s) of distribution thereof, including whether the offering of such Registrable Securities pursuant to such Demand Registration shall be in the form of an underwritten offering. The Company will notify all holders of Registrable Securities of the demand, and each holder of Registrable Securities who wishes to include all or a portion of such holder’s Registrable Securities in the Demand Registration (each such holder including shares of Registrable Securities in such registration, a “**Demanding Holder**”) shall so notify the Company within fifteen (15) days after the receipt by the holder of the notice from the Company. Upon any such request, the Demanding Holders shall be entitled to have their Registrable Securities included in the Demand Registration, subject to Section 2.1.4 and the provisos set forth in Section 3.1.1. The Company shall not be obligated to effect more than an aggregate of four (4) Demand Registrations under this Section 2.1.1 in respect of all Registrable Securities, except that the Company shall be obligated to effect at least two (2) Demand Registrations under this Section 2.1.1 in respect of all Registrable Securities following the Founder Shares Lock-up Expiration Date.

2.1.2. Effective Registration. A registration will not count as a Demand Registration until the Registration Statement filed with the Commission with respect to such Demand Registration has been declared effective and the Company has complied with all of its obligations under this Agreement with respect thereto; provided, however, that if, after such Registration Statement has been declared effective, the offering of Registrable Securities pursuant to a Demand Registration is interfered with by any stop order or injunction of the Commission or any other governmental agency or court, the Registration Statement with respect to such Demand Registration will be deemed not to have been declared effective, unless and until, (i) such stop order or injunction is removed, rescinded or otherwise terminated, and (ii) a majority-in-interest of the Demanding Holders thereafter elect to continue the offering; provided, further, that the Company shall not be obligated to file a second Registration Statement until a Registration Statement that has been filed is counted as a Demand Registration or is terminated.

2.1.3. Underwritten Offering. If a majority-in-interest of the Demanding Holders so elect and such holders so advise the Company as part of their written demand for a Demand Registration, the offering of such Registrable Securities pursuant to such Demand Registration shall be in the form of an underwritten offering. In such event, the right of any holder to include its Registrable Securities in such registration shall be conditioned upon such holder’s participation in such underwriting and the inclusion of such holder’s Registrable Securities in the underwriting to the extent provided herein. All Demanding Holders proposing to distribute their Registrable Securities through such underwriting shall enter into an underwriting agreement in customary form with the Underwriter or Underwriters selected for such underwriting by a majority-in-interest of the holders initiating the Demand Registration.

2.1.4. Reduction of Offering. If the managing Underwriter or Underwriters for a Demand Registration that is to be an underwritten offering advises the Company and the Demanding Holders in writing that the dollar amount or number of shares of Registrable Securities which the Demanding Holders desire to sell, taken together with all other shares of Common Stock or other securities which the Company desires to sell and the shares of Common Stock, if any, as to which registration has been requested pursuant to written contractual piggy-back registration rights held by other stockholders of the Company who desire to sell, exceeds the maximum dollar amount or maximum number of shares that can be sold in such offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of shares, as applicable, the “**Maximum Number of Shares**”), then the Company shall include in such registration: (i) first, the Registrable Securities as to which Demand Registration has been requested by the Demanding Holders (pro rata in accordance with the number of shares that each such person has requested be included in such registration, regardless of the number of shares held by each such person (such proportion is referred to herein as “**Pro Rata**”)) that can be sold without exceeding the Maximum Number of Shares; (ii) second, to the extent that the Maximum Number of Shares has not been reached under the foregoing clause (i), the shares of Common Stock or other securities that the Company desires to sell that can be sold without exceeding the Maximum Number of Shares; (iii) third, to the extent that the Maximum Number of Shares has not been reached under the foregoing clauses (i) and (ii), the shares of Common Stock or other securities for the account of other persons that the Company is obligated to register pursuant to written contractual arrangements with such persons and that can be sold without exceeding the Maximum Number of Shares.

2.1.5. Withdrawal. If a majority-in-interest of the Demanding Holders disapprove of the terms of any underwriting or are not entitled to include all of their Registrable Securities in any offering, such majority-in-interest of the Demanding Holders may elect to withdraw from such offering by giving written notice to the Company and the Underwriter or Underwriters of their request to withdraw prior to the effectiveness of the Registration Statement filed with the Commission with respect to such Demand Registration. If the majority-in-interest of the Demanding Holders withdraws from a proposed offering relating to a Demand Registration, then such registration shall not count as a Demand Registration provided for in Section 2.1.

## 2.2. Piggy-Back Registration.

2.2.1. Piggy-Back Rights. If at any time on or after the date the Company consummates a Business Combination the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of equity securities, or securities or other obligations exercisable or exchangeable for, or convertible into, equity securities, by the Company for its own account or for shareholders of the Company for their account (or by the Company and by shareholders of the Company including, without limitation, pursuant to Section 2.1), other than a Registration Statement (i) filed in connection with any employee stock option or other benefit plan, (ii) for an exchange offer or offering of securities solely to the Company’s existing shareholders, (iii) for an offering of debt that is convertible into equity securities of the Company or (iv) for a dividend reinvestment plan, then the Company shall (x) give written notice of such proposed filing to the holders of Registrable Securities as soon as practicable but in no event less than ten (10) days before the anticipated filing date, which notice shall describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any, of the offering, and (y) offer to the holders of Registrable Securities in such notice the opportunity to register the sale of such number of shares of Registrable Securities as such holders may request in writing within five (5) days following receipt of such notice (a “**Piggy-Back Registration**”). The Company shall cause such Registrable Securities to be included in such registration and shall use its best efforts to cause the managing Underwriter or Underwriters of a proposed underwritten offering to permit the Registrable Securities requested to be included in a Piggy-Back Registration on the same terms and conditions as any similar securities of the Company and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. All holders of Registrable Securities proposing to distribute their securities through a Piggy-Back Registration that involves an Underwriter or Underwriters shall enter into an underwriting agreement in customary form with the Underwriter or Underwriters selected for such Piggy-Back Registration.

2.2.2. Reduction of Offering. If the managing Underwriter or Underwriters for a Piggy-Back Registration that is to be an underwritten offering advises the Company and the holders of Registrable Securities in writing that the dollar amount or number of shares of Common Stock which the Company desires to sell, taken together with shares of Common Stock, if any, as to which registration has been demanded pursuant to separate written contractual arrangements with persons or entities other than the holders of Registrable Securities hereunder, the Registrable Securities as to which registration has been requested under this Section 2.2, and the shares of Common Stock, if any, as to which registration has been requested pursuant to the written contractual piggy-back registration rights of other stockholders of the Company, exceeds the Maximum Number of Shares, then the Company shall include in any such registration:

(i) If the registration is undertaken for the Company's account: (A) the shares of Common Stock or other securities that the Company desires to sell that can be sold without exceeding the Maximum Number of Shares; (B) to the extent that the Maximum Number of Shares has not been reached under the foregoing clause (A), the shares of Common Stock or other securities, if any, comprised of Registrable Securities, as to which registration has been requested pursuant to the applicable written contractual piggy-back registration rights of such security holders, Pro Rata, that can be sold without exceeding the Maximum Number of Shares; and (C) to the extent that the Maximum Number of Shares has not been reached under the foregoing clauses (A) and (B), the shares of Common Stock or other securities for the account of other persons that the Company is obligated to register pursuant to written contractual piggy-back registration rights with such persons and that can be sold without exceeding the Maximum Number of Shares; and

(ii) If the registration is a "demand" registration undertaken at the demand of persons other than either the holders of Registrable Securities, (A) first, the shares of Common Stock or other securities for the account of the demanding persons that can be sold without exceeding the Maximum Number of Shares; (B) second, to the extent that the Maximum Number of Shares has not been reached under the foregoing clause (A), the shares of Common Stock or other securities that the Company desires to sell that can be sold without exceeding the Maximum Number of Shares; (C) third, to the extent that the Maximum Number of Shares has not been reached under the foregoing clauses (A) and (B), collectively, the shares of Common Stock or other securities comprised of Registrable Securities, Pro Rata, as to which registration has been requested pursuant to the terms hereof, that can be sold without exceeding the Maximum Number of Shares; and (D) fourth, to the extent that the Maximum Number of Shares has not been reached under the foregoing clauses (A), (B) and (C), the shares of Common Stock or other securities for the account of other persons that the Company is obligated to register pursuant to written contractual arrangements with such persons, that can be sold without exceeding the Maximum Number of Shares.

2.2.3. Withdrawal. Any holder of Registrable Securities may elect to withdraw such holder's request for inclusion of Registrable Securities in any Piggy-Back Registration by giving written notice to the Company of such request to withdraw prior to the effectiveness of the Registration Statement. The Company (whether on its own determination or as the result of a withdrawal by persons making a demand pursuant to written contractual obligations) may withdraw a Registration Statement at any time prior to the effectiveness of such Registration Statement. Notwithstanding any such withdrawal, the Company shall pay all expenses incurred by the holders of Registrable Securities in connection with such Piggy-Back Registration as provided in Section 3.3.

2.3. Registrations on Form S-3. The holders of Registrable Securities may at any time and from time to time request in writing that the Company register the resale of any or all of such Registrable Securities on Form S-3 or any similar short-form registration which may be available at such time ("**Form S-3**"); provided, however, that the Company shall not be obligated to effect such request through an underwritten offering. Upon receipt of such written request, the Company will promptly give written notice of the proposed registration to all other holders of Registrable Securities, and, as soon as practicable thereafter, effect the registration of all or such portion of such holder's or holders' Registrable Securities as are specified in such request, together with all or such portion of the Registrable Securities or other securities of the Company, if any, of any other holder or holders joining in such request as are specified in a written request given within fifteen (15) days after receipt of such written notice from the Company; provided, however, that the Company shall not be obligated to effect any such registration pursuant to this Section 2.3: (i) if Form S-3 is not available for such offering; or (ii) if the holders of the Registrable Securities, together with the holders of any other securities of the Company entitled to inclusion in such registration, propose to sell Registrable Securities and such other securities (if any) at any aggregate price to the public of less than \$500,000. Registrations effected pursuant to this Section 2.3 shall not be counted as Demand Registrations effected pursuant to Section 2.1.

### 3. REGISTRATION PROCEDURES.

3.1. Filings; Information. Whenever the Company is required to effect the registration of any Registrable Securities pursuant to Section 2, the Company shall use its best efforts to effect the registration and sale of such Registrable Securities in accordance with the intended method(s) of distribution thereof as expeditiously as practicable, and in connection with any such request:

3.1.1. Filing Registration Statement. The Company shall use its best efforts to, as expeditiously as possible after receipt of a request for a Demand Registration pursuant to Section 2.1, prepare and file with the Commission a Registration Statement on any form for which the Company then qualifies or which counsel for the Company shall deem appropriate and which form shall be available for the sale of all Registrable Securities to be registered thereunder in accordance with the intended method(s) of distribution thereof, and shall use its best efforts to cause such Registration Statement to become effective and use its best efforts to keep it effective for the period required by Section 3.1.3; provided, however, that the Company shall have the right to defer any Demand Registration for up to thirty (30) days, and any Piggy-Back Registration for such period as may be applicable to deferment of any Demand Registration to which such Piggy-Back Registration relates, in each case if the Company shall furnish to the holders a certificate signed by the President or Chairman of the Company stating that, in the good faith judgment of the Board of Directors of the Company, it would be materially detrimental to the Company and its shareholders for such Registration Statement to be effected at such time; provided further, however, that the Company shall not have the right to exercise the right set forth in the immediately preceding proviso more than once in any 365-day period in respect of a Demand Registration hereunder.

3.1.2. Copies. The Company shall, prior to filing a Registration Statement or prospectus, or any amendment or supplement thereto, furnish without charge to the holders of Registrable Securities included in such registration, and such holders' legal counsel, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the prospectus included in such Registration Statement (including each preliminary prospectus), and such other documents as the holders of Registrable Securities included in such registration or legal counsel for any such holders may request in order to facilitate the disposition of the Registrable Securities owned by such holders.

3.1.3. Amendments and Supplements. The Company shall prepare and file with the Commission such amendments, including post-effective amendments, and supplements to such Registration Statement and the prospectus used in connection therewith as may be necessary to keep such Registration Statement effective and in compliance with the provisions of the Securities Act until all Registrable Securities and other securities covered by such Registration Statement have been disposed of in accordance with the intended method(s) of distribution set forth in such Registration Statement or such securities have been withdrawn.

3.1.4. Notification. After the filing of a Registration Statement, the Company shall promptly, and in no event more than two (2) business days after such filing, notify the holders of Registrable Securities included in such Registration Statement of such filing, and shall further notify such holders promptly and confirm such advice in writing in all events within two (2) business days of the occurrence of any of the following: (i) when such Registration Statement becomes effective; (ii) when any post-effective amendment to such Registration Statement becomes effective; (iii) the issuance or threatened issuance by the Commission of any stop order (and the Company shall take all actions required to prevent the entry of such stop order or to remove it if entered); and (iv) any request by the Commission for any amendment or supplement to such Registration Statement or any prospectus relating thereto or for additional information or of the occurrence of an event requiring the preparation of a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of the securities covered by such Registration Statement, such prospectus will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and promptly make available to the holders of Registrable Securities included in such Registration Statement any such supplement or amendment; except that before filing with the Commission a Registration Statement or prospectus or any amendment or supplement thereto, including documents incorporated by reference, the Company shall furnish to the holders of Registrable Securities included in such Registration Statement and to the legal counsel for any such holders, copies of all such documents proposed to be filed sufficiently in advance of filing to provide such holders and legal counsel with a reasonable opportunity to review such documents and comment thereon, and the Company shall not file any Registration Statement or prospectus or amendment or supplement thereto, including documents incorporated by reference, to which such holders or their legal counsel shall object.

3.1.5. State Securities Laws Compliance. The Company shall use its best efforts to (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or “blue sky” laws of such jurisdictions in the United States as the holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request and (ii) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental authorities as may be necessary by virtue of the business and operations of the Company and do any and all other acts and things that may be necessary or advisable to enable the holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph or subject itself to taxation in any such jurisdiction.

3.1.6. Agreements for Disposition. The Company shall enter into customary agreements (including, if applicable, an underwriting agreement in customary form) and take such other actions as are reasonably required in order to expedite or facilitate the disposition of such Registrable Securities. The representations, warranties and covenants of the Company in any underwriting agreement which are made to or for the benefit of any Underwriters, to the extent applicable, shall also be made to and for the benefit of the holders of Registrable Securities included in such registration statement. No holder of Registrable Securities included in such registration statement shall be required to make any representations or warranties in the underwriting agreement except, if applicable, with respect to such holder’s organization, good standing, authority, title to Registrable Securities, lack of conflict of such sale with such holder’s material agreements and organizational documents, and with respect to written information relating to such holder that such holder has furnished in writing expressly for inclusion in such Registration Statement.

3.1.7. Cooperation. The principal executive officer of the Company, the principal financial officer of the Company, the principal accounting officer of the Company and all other officers and members of the management of the Company shall cooperate fully in any offering of Registrable Securities hereunder, which cooperation shall include, without limitation, the preparation of the Registration Statement with respect to such offering and all other offering materials and related documents, and participation in meetings with Underwriters, attorneys, accountants and potential investors.

3.1.8. Records. The Company shall make available for inspection by the holders of Registrable Securities included in such Registration Statement, any Underwriter participating in any disposition pursuant to such registration statement and any attorney, accountant or other professional retained by any holder of Registrable Securities included in such Registration Statement or any Underwriter, all financial and other records, pertinent corporate documents and properties of the Company, as shall be necessary to enable them to exercise their due diligence responsibility, and cause the Company's officers, directors and employees to supply all information requested by any of them in connection with such Registration Statement.

3.1.9. Opinions and Comfort Letters. The Company shall furnish to each holder of Registrable Securities included in any Registration Statement a signed counterpart, addressed to such holder, of (i) any opinion of counsel to the Company delivered to any Underwriter and (ii) any comfort letter from the Company's independent public accountants delivered to any Underwriter. In the event no legal opinion is delivered to any Underwriter, the Company shall furnish to each holder of Registrable Securities included in such Registration Statement, at any time that such holder elects to use a prospectus, an opinion of counsel to the Company to the effect that the Registration Statement containing such prospectus has been declared effective and that no stop order is in effect.

3.1.10. Earnings Statement. The Company shall comply with all applicable rules and regulations of the Commission and the Securities Act, and make available to its shareholders, as soon as practicable, an earnings statement covering a period of twelve (12) months, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder.

3.1.11. Listing. The Company shall use its best efforts to cause all Registrable Securities included in any registration to be listed on such exchanges or otherwise designated for trading in the same manner as similar securities issued by the Company are then listed or designated or, if no such similar securities are then listed or designated, in a manner satisfactory to the holders of a majority of the Registrable Securities included in such registration.

3.1.12. Road Show. If the registration involves the registration of Registrable Securities involving gross proceeds in excess of \$25,000,000, the Company shall use its reasonable efforts to make available senior executives of the Company to participate in customary "road show" presentations that may be reasonably requested by the Underwriter in any underwritten offering.

3.2. Obligation to Suspend Distribution. Upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3.1.4(iv), or, in the case of a resale registration on Form S-3 pursuant to Section 2.3 hereof, upon any suspension by the Company, pursuant to a written insider trading compliance program adopted by the Company's Board of Directors, of the ability of all "insiders" covered by such program to transact in the Company's securities because of the existence of material non-public information, each holder of Registrable Securities included in any registration shall immediately discontinue disposition of such Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such holder receives the supplemented or amended prospectus contemplated by Section 3.1.4(iv) or the restriction on the ability of "insiders" to transact in the Company's securities is removed, as applicable, and, if so directed by the Company, each such holder will deliver to the Company all written copies, other than permanent file copies then in such holder's possession, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice.

3.3. Registration Expenses. The Company shall bear all costs and expenses incurred in connection with any Demand Registration pursuant to Section 2.1, any Piggy-Back Registration pursuant to Section 2.2, and any registration on Form S-3 effected pursuant to Section 2.3, and all expenses incurred in performing or complying with its other obligations under this Agreement, whether or not the Registration Statement becomes effective, including, without limitation: (i) all registration and filing fees; (ii) fees and expenses of compliance with securities or “blue sky” laws (including fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities); (iii) printing expenses; (iv) the Company’s internal expenses (including, without limitation, all salaries and expenses of its officers and employees); (v) the fees and expenses incurred in connection with the listing of the Registrable Securities as required by Section 3.1.11; (vi) Financial Industry Regulatory Authority fees; (vii) fees and disbursements of counsel for the Company and fees and expenses for independent certified public accountants retained by the Company (including the expenses or costs associated with the delivery of any opinions or comfort letters requested pursuant to Section 3.1.9); (viii) the fees and expenses of any special experts retained by the Company in connection with such registration; and (ix) the fees and expenses of one legal counsel selected by the holders of a majority-in-interest of the Registrable Securities included in such registration. The Company shall have no obligation to pay any underwriting discounts or selling commissions attributable to the Registrable Securities being sold by the holders thereof, which underwriting discounts or selling commissions shall be borne by such holders. Additionally, in an underwritten offering, all selling shareholders and the Company shall bear the expenses of the Underwriter pro rata in proportion to the respective amount of shares each is selling in such offering.

3.4. Information. The holders of Registrable Securities shall provide such information as may reasonably be requested by the Company, or the managing Underwriter, if any, in connection with the preparation of any Registration Statement, including amendments and supplements thereto, in order to effect the registration of any Registrable Securities under the Securities Act pursuant to Section 2 and in connection with the Company’s obligation to comply with federal and applicable state securities laws.

#### 4. INDEMNIFICATION AND CONTRIBUTION.

4.1. Indemnification by the Company. The Company agrees to indemnify and hold harmless each Investor and each other holder of Registrable Securities, and each of their respective officers, employees, affiliates, directors, partners, members, attorneys and agents, and each person, if any, who controls an Investor and each other holder of Registrable Securities (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) (each, an “**Investor Indemnified Party**”), from and against any expenses, losses, judgments, claims, damages or liabilities, whether joint or several, arising out of or based upon any untrue statement (or allegedly untrue statement) of a material fact contained in any Registration Statement under which the sale of such Registrable Securities was registered under the Securities Act, any preliminary prospectus, final prospectus or summary prospectus contained in the Registration Statement, or any amendment or supplement to such Registration Statement, or arising out of or based upon any omission (or alleged omission) to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or any violation by the Company of the Securities Act or any rule or regulation promulgated thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any such registration; and the Company shall promptly reimburse the Investor Indemnified Party for any legal and any other expenses reasonably incurred by such Investor Indemnified Party in connection with investigating and defending any such expense, loss, judgment, claim, damage, liability or action whether or not any such person is a party to any such claim or action and including any and all legal and other expenses incurred in giving testimony or furnishing documents in response to a subpoena or otherwise; provided, however, that the Company will not be liable in any such case to the extent that any such expense, loss, claim, damage or liability arises out of or is based upon any untrue statement or allegedly untrue statement or omission or alleged omission made in such Registration Statement, preliminary prospectus, final prospectus, or summary prospectus, or any such amendment or supplement, in reliance upon and in conformity with information furnished to the Company, in writing, by such selling holder expressly for use therein. The Company also shall indemnify any Underwriter of the Registrable Securities, their officers, affiliates, directors, partners, members and agents and each person who controls such Underwriter on substantially the same basis as that of the indemnification provided above in this Section 4.1.

4.2. Indemnification by Holders of Registrable Securities. Subject to the limitations set forth in Section 4.4.3 hereof, each selling holder of Registrable Securities will, in the event that any registration is being effected under the Securities Act pursuant to this Agreement of any Registrable Securities held by such selling holder, indemnify and hold harmless the Company, each of its directors and officers and each Underwriter (if any), and each other selling holder and each other person, if any, who controls another selling holder or such Underwriter within the meaning of the Securities Act, against any losses, claims, judgments, damages or liabilities, whether joint or several, insofar as such losses, claims, judgments, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or allegedly untrue statement of a material fact contained in any Registration Statement under which the sale of such Registrable Securities was registered under the Securities Act, any preliminary prospectus, final prospectus or summary prospectus contained in the Registration Statement, or any amendment or supplement to the Registration Statement, or arise out of or are based upon any omission or the alleged omission to state a material fact required to be stated therein or necessary to make the statement therein not misleading, if the statement or omission was made in reliance upon and in conformity with information furnished in writing to the Company by such selling holder expressly for use therein, and shall reimburse the Company, its directors and officers, and each other selling holder or controlling person for any legal or other expenses reasonably incurred by any of them in connection with investigation or defending any such loss, claim, damage, liability or action. Each selling holder's indemnification obligations hereunder shall be several and not joint and shall be limited to the amount of any net proceeds actually received by such selling holder.

4.3. Conduct of Indemnification Proceedings. Promptly after receipt by any person of any notice of any loss, claim, damage or liability or any action in respect of which indemnity may be sought pursuant to Section 4.1 or 4.2, such person (the "**Indemnified Party**") shall, if a claim in respect thereof is to be made against any other person for indemnification hereunder, notify such other person (the "**Indemnifying Party**") in writing of the loss, claim, judgment, damage, liability or action; provided, however, that the failure by the Indemnified Party to notify the Indemnifying Party shall not relieve the Indemnifying Party from any liability which the Indemnifying Party may have to such Indemnified Party hereunder, except and solely to the extent the Indemnifying Party is actually prejudiced by such failure. If the Indemnified Party is seeking indemnification with respect to any claim or action brought against the Indemnified Party, then the Indemnifying Party shall be entitled to participate in such claim or action, and, to the extent that it wishes, jointly with all other Indemnifying Parties, to assume control of the defense thereof with counsel satisfactory to the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume control of the defense of such claim or action, the Indemnifying Party shall not be liable to the Indemnified Party for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof other than reasonable costs of investigation; provided, however, that in any action in which both the Indemnified Party and the Indemnifying Party are named as defendants, the Indemnified Party shall have the right to employ separate counsel (but no more than one such separate counsel) to represent the Indemnified Party and its controlling persons who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Indemnified Party against the Indemnifying Party, with the fees and expenses of such counsel to be paid by such Indemnifying Party if, based upon the written advice of counsel of such Indemnified Party, representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, consent to entry of judgment or effect any settlement of any claim or pending or threatened proceeding in respect of which the Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such judgment or settlement includes an unconditional release of such Indemnified Party from all liability arising out of such claim or proceeding.

#### 4.4. Contribution.

4.4.1. If the indemnification provided for in the foregoing Sections 4.1, 4.2 and 4.3 is unavailable to any Indemnified Party in respect of any loss, claim, damage, liability or action referred to herein, then each such Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such loss, claim, damage, liability or action in such proportion as is appropriate to reflect the relative fault of the Indemnified Parties and the Indemnifying Parties in connection with the actions or omissions which resulted in such loss, claim, damage, liability or action, as well as any other relevant equitable considerations. The relative fault of any Indemnified Party and any Indemnifying Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by such Indemnified Party or such Indemnifying Party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

4.4.2. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 4.4 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding Section 4.4.1.

4.4.3. The amount paid or payable by an Indemnified Party as a result of any loss, claim, damage, liability or action referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 4.4, no holder of Registrable Securities shall be required to contribute any amount in excess of the dollar amount of the net proceeds (after payment of any underwriting fees, discounts, commissions or taxes) actually received by such holder from the sale of Registrable Securities which gave rise to such contribution obligation. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) with respect to any action shall be entitled to contribution in such action from any person who was not guilty of such fraudulent misrepresentation.

#### 5. UNDERWRITING AND DISTRIBUTION.

5.1. Rule 144. The Company covenants that it shall file any reports required to be filed by it under the Securities Act and the Exchange Act and shall take such further action as the holders of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holders to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 under the Securities Act, as such Rules may be amended from time to time, or any similar rule or regulation hereafter adopted by the Commission.

#### 6. MISCELLANEOUS.

6.1. Assignment; No Third-Party Beneficiaries. This Agreement and the rights, duties and obligations of the Company hereunder may not be assigned or delegated by the Company in whole or in part. This Agreement and the rights, duties and obligations of the holders of Registrable Securities hereunder may be freely assigned or delegated by such holder of Registrable Securities in conjunction with and to the extent of any transfer of Registrable Securities by any such holder. This Agreement and the provisions hereof shall be binding upon and shall inure to the benefit of each of the parties, to the permitted assigns of the Investors or holder of Registrable Securities or of any assignee of the Investors or holder of Registrable Securities. This Agreement is not intended to confer any rights or benefits on any persons that are not party hereto other than as expressly set forth in Article 4 and this Section 6.2.

6.2. Notices. All notices, demands, requests, consents, approvals or other communications (collectively, "**Notices**") required or permitted to be given hereunder or which are given with respect to this Agreement shall be in writing and shall be personally served, delivered by reputable air courier service with charges prepaid, or transmitted by hand delivery, telegram, telex or facsimile, addressed as set forth below, or to such other address as such party shall have specified most recently by written notice. Notice shall be deemed given on the date of service or transmission if personally served or transmitted by telegram, telex or facsimile; provided, that if such service or transmission is not on a business day or is after normal business hours, then such notice shall be deemed given on the next business day. Notice otherwise sent as provided herein shall be deemed given on the next business day following timely delivery of such notice to a reputable air courier service with an order for next-day delivery.

6.3. Severability. This Agreement shall be deemed severable, and the invalidity or unenforceability of any term or provision hereof shall not affect the validity or enforceability of this Agreement or of any other term or provision hereof. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible that is valid and enforceable.

6.4. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which taken together shall constitute one and the same instrument. 6.8. Waivers and Extensions. Any party to this Agreement may waive any right, breach or default which such party has the right to waive, provided that such waiver will not be effective against the waiving party unless it is in writing, is signed by such party, and specifically refers to this Agreement. Waivers may be made in advance or after the right waived has arisen or the breach or default waived has occurred. Any waiver may be conditional. No waiver of any breach of any agreement or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof nor of any other agreement or provision herein contained. No waiver or extension of time for performance of any obligations or acts shall be deemed a waiver or extension of the time for performance of any other obligations or acts.

6.9. Remedies Cumulative. In the event that the Company fails to observe or perform any covenant or agreement to be observed or performed under this Agreement, the Investor or any other holder of Registrable Securities may proceed to protect and enforce its rights by suit in equity or action at law, whether for specific performance of any term contained in this Agreement or for an injunction against the breach of any such term or in aid of the exercise of any power granted in this Agreement or to enforce any other legal or equitable right, or to take any one or more of such actions, without being required to post a bond. None of the rights, powers or remedies conferred under this Agreement shall be mutually exclusive, and each such right, power or remedy shall be cumulative and in addition to any other right, power or remedy, whether conferred by this Agreement or now or hereafter available at law, in equity, by statute or otherwise.

6.10. Governing Law. This Agreement shall be governed by, interpreted under, and construed in accordance with the internal laws of the State of New York applicable to agreements made and to be performed within the State of New York, without giving effect to any choice-of-law provisions thereof that would compel the application of the substantive laws of any other jurisdiction. The Company irrevocably submits to the nonexclusive jurisdiction of any New York State or United States Federal court sitting in The City of New York, Borough of Manhattan, over any suit, action or proceeding arising out of or relating to this Agreement. The Company irrevocably waives, to the fullest extent permitted by law, any objection that they may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum.

6.11. Waiver of Trial by Jury. EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES THE RIGHT TO A TRIAL BY JURY IN ANY ACTION, SUIT, COUNTERCLAIM OR OTHER PROCEEDING (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF, CONNECTED WITH OR RELATING TO THIS AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREBY, OR THE ACTIONS OF THE INVESTOR IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT HEREOF.

RE: Private Placement Warrant Subscription Agreement

Ladies and Gentlemen:

Northern Genesis Acquisition Corp. II (the "**Company**"), a blank check company formed for the purpose of acquiring one or more businesses or entities (a "**Business Combination**"), intends to register its securities under the Securities Act of 1933, as amended (the "**Securities Act**"), in connection with its initial public offering ("**IPO**"). The Company currently anticipates selling units in the IPO, each comprised of one share of common stock, par value \$0.0001 per share, of the Company ("**Common Stock**") and one-third of one warrant, each whole warrant ("**Warrant**") to purchase one share of Common Stock.

Pursuant to this letter agreement (this "**Agreement**"), the Company and Northern Genesis Sponsor II LLC, a Delaware limited liability company (the "**Sponsor**") hereby confirm (a) the subscription by Sponsor for the purchase from the Company in a private placement of the Initial Warrants and Additional Warrants (each as defined below and, collectively, the "**Private Placement Warrants**"), and (b) the other terms and conditions of such purchase as set forth in this Agreement, which terms and conditions shall be binding on Sponsor and (except as otherwise provided herein) each successive holder of such Private Placements and related Private Placement Securities (as defined below) (each, a "**Holder**") from and after the date first set forth above.

1. Subscription for Private Placement Warrants.

1.1 Sponsor hereby commits to purchase from the Company an aggregate of 5,966,667 Warrants (the "**Initial Warrants**") at \$1.50 per Initial Warrant, for an aggregate purchase price of \$8,950,000 (the "**Initial Purchase Price**"). Additionally, if the underwriters in the IPO exercise their over-allotment option in full or part, Sponsor further commits to purchase a percentage of an additional 720,000 Warrants ("**Additional Warrants**"), for an aggregate purchase price of up to \$1,080,000 (the "**Over-Allotment Purchase Price**" and together with the Initial Purchase Price, the "**Purchase Price**"), equal to the same percentage of the underwriter's over-allotment option that is exercised.

1.2 The consummation of the purchase and issuance of the Initial Warrants and Additional Warrants (if any) shall occur simultaneously with the consummation of the IPO and over-allotment option, respectively. At least 24 hours prior to the effective date ("**Effective Date**") of the Company's registration statement filed in connection with the IPO ("**Registration Statement**"), Sponsor will cause the Purchase Price to be paid in immediately available funds by wire transfer in accordance with written instructions provided by the Company. Upon expiration of the over-allotment option, the Company shall cause any unused portion of the Over-Allotment Purchase Price paid by Sponsor to be returned to Sponsor. If the Company does not complete the IPO within thirty (30) days from the Effective Date, the Company will cause the Purchase Price (without interest) to be returned to Sponsor.

2. Terms of Private Placement Warrants.

2.1 The terms of the Private Placement Warrants shall be identical to the other Warrants of the Company, except that they will not be redeemable and will be exercisable on a cashless basis so long as they are held by Sponsor or any of its Permitted Transferees, as more particularly described in that certain Warrant Agreement to be entered into by the Company and Continental Stock Transfer & Trust Company prior to or upon the closing of the IPO. For the avoidance of doubt, shares issuable upon the exercise of any Private Placement Warrants do not constitute "IPO Shares" as to be defined in the Company's Amended and Restated Certificate of Incorporation, as the same may be amended from time to time (the "**Certificate of Incorporation**"). In addition, the Private Placement Warrants and other Private Placement Warrant Securities (defined below) are subject to the terms of this Agreement until the expiration of all restrictions and obligations hereunder with respect to the Private Placement Securities.

2.2 As used herein, "**Private Placement Warrant Securities**" means, and the restrictions and other terms of this Agreement shall apply to, (a) the Private Placement Warrants originally issued to Sponsor pursuant to this Agreement, and the shares of Common Stock for which any such Private Placement Warrants may be exercised, (b) any new, substituted or additional securities that are distributed with respect to any of the foregoing without payment of additional consideration pursuant to a stock dividend, a stock split, a recapitalization or a similar transaction, and (c) any securities into which any of the foregoing may be converted or that may be issued in exchange for any of the foregoing, including pursuant to any Business Combination.

2.3 For the avoidance of doubt, the provisions of this Agreement shall not apply to any Warrants, shares of Common Stock, or other securities of the Company, other than the Private Placement Warrant Securities, that may from time to time be held by any Holder, including any shares of Common Stock or other securities of the Company purchased in any other private placement, the IPO, or the open market, or that are issued upon the exercise or conversion of any warrants or other convertible securities of the Company other than Private Placement Warrant Securities.

3. Voting of Certain Common Stock in relation to a Business Combination. If, following the exercise of any Private Placement Warrants, the Company solicits approval of its stockholders of a merger, share exchange, asset acquisition, stock purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities (a "**Business Combination**"), each Holder agrees to vote all shares of Common Stock issued upon exercise of such Private Placement Warrants (or otherwise constituting Private Placement Warrant Securities) that are then held thereby in favor of such Business Combination.

4. No Redemption Rights. Each Holder hereby acknowledges that the Certificate of Incorporation will not grant to the holder of any Private Placement Warrant Securities the right to cause any such Private Placement Warrant Securities to be converted into cash or redeemed in connection any vote to approve a Business Combination or in connection with any vote to amend Article Sixth of the Certificate of Incorporation. In addition, if the Company provides all holders of its Common Stock with an opportunity to sell their shares to the Company, effective upon consummation of such Business Combination, for cash through a tender offer, each Holder hereby agrees not to tender or sell in such tender offer any shares of Common Stock that constitute Private Placement Warrant Securities.

5. No Right to Trust Account. Each Holder hereby acknowledges that the Certificate of Incorporation will not grant to the holder of any Private Placement Warrant Securities any right to distributions by the Company from the trust account which will be established for the benefit of the Company's public stockholders and into which substantially all of the proceeds of the IPO will be deposited (the "**Trust Account**") in the event of a liquidation of the Company, including upon the Company's failure to timely complete an initial Business Combination, and hereby waives any and all right, title, interest or claim of any kind in or to any distributions from the Trust Account in respect of any Private Placement Warrant Securities.

6. Lock-up.

6.1 Subject to the exceptions set forth herein, each Holder agrees that such Holder shall not, during the Lock-up Period without the prior written consent of the Company, sell or otherwise dispose of or enter into any agreement to sell or otherwise dispose of title to any Private Placement Warrant Securities that are or become held by such Holder during the Lock-up Period (each, a "**Transfer**"). As used herein, "**Lock-up Period**" means the period of time from the date hereof through and including the earliest of (a) the day that is 30 days after the closing of a Business Combination; or (b) the completion, following any Business Combination, of any liquidation, merger, stock exchange or other similar transaction which results in all of the Company's securityholders having the right to exchange their Common Stock for cash, securities or other property.

6.2 Notwithstanding any other provision of this Agreement, the restrictions set forth in Section 6.1 shall not apply to any of the following (the transferee in any such Transfer, a “**Permitted Transferee**”):

6.2.1 Transfers between a Holder and (a) any Related Person of such Holder, (b) Sponsor or any person or entity that at the time of the applicable Transfer is, or immediately prior to the closing of a Business Combination was, an officer, manager, or member of Sponsor, (c) any person that at the time of the applicable Transfer is, or immediately prior to the closing of a Business Combination was, an officer or director of the Company, (d) any Related Person of any of the foregoing, or (e) any entity that is controlled by any combination of any of the foregoing; *provided, however*, that each such transferee must agree in writing for the express benefit of and in form reasonably acceptable to the Company to be bound by this Agreement with respect to (and solely with respect to) the Private Placement Warrant Securities that are so transferred to such transferee;

6.2.2 In the case of a Holder that is a natural Person, Transfers by virtue of laws of descent and distribution upon death of such Holder, and Transfers pursuant to a qualified domestic relations order; *provided, however*, that each such transferee must agree in writing for the express benefit of and in form reasonably acceptable to the Company to be bound by this Agreement with respect to (and solely with respect to) the Private Placement Warrant Securities that are so transferred to such transferee;

6.2.3 In the case of a Holder that is an entity, Transfers by virtue of the laws of the jurisdiction of an entity’s organization and the entity’s organizational documents upon dissolution of the entity; *provided, however*, that each such transferee must agree in writing for the express benefit of and in form reasonably acceptable to the Company to be bound by this Agreement with respect to (and solely with respect to) the Private Placement Warrant Securities that are so transferred to such transferee;

6.2.4 Following the closing of a Business Combination, any bona fide hypothecation or pledge of or other grant of a security interest in any Private Placement Warrant Securities as security for indebtedness, and any Transfer of any such Private Placement Warrant Securities as a result of enforcement of rights and remedies thereunder; *provided, however*, that (a) no public disclosure or filing with respect thereto shall be made during the Lock-up Period except to the extent required by law, and (b) if the transferee pursuant to any such arrangement is a person or entity to which such Private Placement Warrant Securities may be Transferred pursuant to Section 6.2.1, such Private Placement Warrant Securities shall remain subject to this Agreement notwithstanding such transfer, and such transferee must agree in writing for the express benefit of and in form reasonably acceptable to the Company to be bound by this Agreement with respect to (and solely with respect to) the Private Placement Warrant Securities that are so transferred to such transferee;

6.2.5 any transfer to or exchange with the Company (or successor issuer of Private Placement Warrant Securities) to effectuate any stock split, reverse stock split, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change; *provided, however*, that any Warrants or shares of Common Stock or other securities of the Company (or successor issuer of Private Placement Warrant Securities) that are acquired as a result thereof shall constitute Private Placement Warrant Securities and be subject to the restrictions on Transfer set forth in this Agreement to the same extent as Private Placement Warrant Securities so transferred or exchanged.

6.3 As used herein, “**Related Person**” means (a) in the case of a Holder that is an entity, any securityholder, partner, member or affiliate (as defined below) of such Holder; and (b) in the case of a Holder that is a natural person, (i) any member of such Holder’s immediate family (as defined below), (ii) any trust, the beneficiaries of which are such Holder, any Related Person of such Holder, and/or any charitable organization, or the assets of which are deemed for federal income tax purposes to be owned by such Holder and/or one or more Related Persons of such Holder, or (iii) any entity that is directly or indirectly controlled by such Holder and/or any combination of any of the foregoing. For purposes of the foregoing, (A) “**immediate family**” of a specified person means his or her spouse or domestic partner, any parent of such specified person or of his or her spouse or domestic partner, or any lineal descendant of any of the foregoing (including by adoption), (B) “**affiliate**” of a specified person or entity means any other person or entity that directly, or indirectly through one or more other affiliates, controls or is controlled by, or is under common control with, the specified person or entity, and (C) “**control**” means the possession, directly or indirectly, or as trustee or executor, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, as trustee or executor, by contract or otherwise, and, in the case of a fund, includes the power to direct or cause the direction of the investment decisions of such fund, whether through authority as the manager, investment manager, general partner, or otherwise.

## 7. Securities Law Restrictions; Registration Rights.

7.1 Each Holder agrees not to sell, transfer or otherwise dispose of all or any part of the Private Placement Warrant Securities unless, prior thereto (a) a registration statement on the appropriate form under the Securities Act of 1933, as amended (the “**Securities Act**”) and applicable state securities laws with respect to the Private Placement Warrant Securities proposed to be transferred shall then be effective or (b) the Company has received an opinion from counsel reasonably satisfactory to the Company, that such registration is not required because such transaction is exempt from registration under the Securities Act and the rules promulgated by the Securities and Exchange Commission (“**SEC**”) thereunder and with all applicable state securities laws.

7.2 Restrictive Legends. Prior to registration pursuant to the Registration Rights Agreement described below, all certificates representing any Private Placement Warrant Securities shall have endorsed thereon legends substantially as follows:

“THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR ANY STATE SECURITIES LAWS AND NEITHER THE SECURITIES NOR ANY INTEREST THEREIN MAY BE OFFERED, SOLD, TRANSFERRED, PLEDGED OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT OR SUCH LAWS OR AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT AND SUCH LAWS WHICH, IN THE OPINION OF COUNSEL, IS AVAILABLE.”

7.3 Registration Rights. Each Holder acknowledges that the Private Placement Warrants are being purchased pursuant to an exemption from the registration requirements of the Securities Act and that the Private Placement Warrant Securities will become freely tradable only after certain conditions are met or they are registered pursuant to a Registration Rights Agreement to be entered into by Sponsor and the Company in connection with the closing of the IPO (the “**Registration Rights Agreement**”).

8. Additional Agreements and Acknowledgements.

8.1 Waiver of Claims Against Trust. Each Holder hereby acknowledges and agrees that it has no right, title, interest or claim of any kind in or to any monies held in the Trust Account, except for redemption and liquidation rights, if any, that such Holder may have in respect of any shares of Common Stock sold in the IPO (“**Public Shares**”) held from time to time by such Holder. Each Holder agrees that it shall have no right of set-off or any right, title, interest or claim of any kind (“**Claim**”) to, or to any monies in the Trust Account, and hereby irrevocably waives any Claim to, or to any monies in, the Trust Account that it may have now or in the future, except for redemption and liquidation rights, if any, such Holder may have in respect of any Public Shares held by such Holder from time to time. In the event that the Holder has any Claim against the Company under this Agreement, the Holder shall pursue such Claim solely against the Company and its assets outside the Trust Account and not against the property or any monies in the Trust Account.

8.2 Disclosure. Each Holder hereby acknowledges and consents to the disclosure of the existence and terms of this Agreement, including without limitation in the Registration Statement and to the filing of this Agreement with the SEC as an exhibit to the Registration Statement.

9. Representations and Warranties.

9.1 Representations and Warranties of Sponsor. Except for the specific representations and warranties contained in this Section 9.1 and in any certificate or agreement delivered pursuant hereto, none of Sponsor nor any person acting on behalf of Sponsor nor any of Sponsor’s affiliates (the “**Sponsor Parties**”) has made, makes or shall be deemed to make any other express or implied representation or warranty with respect to the Sponsor and this offering, and Sponsor hereby disclaims any such representation or warranty. Sponsor hereby represents and warrants to the Company as follows:

9.1.1 Organization and Authority. Sponsor is validly existing and in good standing under the laws of the state of its organization and possesses all requisite power and authority necessary to carry out the transactions contemplated by this Agreement. All entity action on the part of Sponsor necessary for the authorization, execution, delivery, and performance of this Agreement by Sponsor and the consummation by Sponsor of the transactions contemplated hereby has been taken. This Agreement, when executed and delivered by the Company, will constitute a legal, valid and binding agreement of Sponsor, enforceable against Sponsor in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance or similar laws affecting the enforcement of creditors’ rights generally and subject to general principles of equity (regardless of whether enforcement is sought in a proceeding at law or in equity).

9.1.2 No Conflicts or Consents. The execution, delivery and performance of this Agreement and the consummation by the Sponsor of the transactions contemplated hereby do not violate, conflict with or constitute a default under (a) the formation and governing documents of the Sponsor, (b) any agreement, indenture or instrument to which the Sponsor is a party, (c) any law, statute, rule or regulation to which the Sponsor is subject, or (d) any agreement, order, judgment or decree to which the Sponsor is subject. No governmental, administrative or other third party consents or approvals are required on the part of Sponsor in connection with the transactions contemplated by this Agreement

9.1.3 No Adverse Actions. There are no actions, suits, investigations or proceedings pending, threatened against or affecting Sponsor which (a) seek to restrain, enjoin, prevent the consummation of or otherwise affect the transactions contemplated by this Agreement or (b) question the validity or legality of any such transactions or seek to recover damages or to obtain other relief in connection with any such transactions.

9.1.4 No Brokers. No broker, finder or similar intermediary has acted for or on behalf of Sponsor or any of its respective affiliates in connection with this Agreement or the transactions contemplated hereby and no broker, finder, agent or similar intermediary is entitled to any broker’s, finder’s or similar fee or other commission in connection therewith.

9.1.5 Experience, Financial Capability and Suitability. Sponsor is: (a) sophisticated in financial matters and is able to evaluate the risks and benefits of the investment in the Private Placement Warrant Securities and (b) able to bear the economic risk of its investment in the Private Placement Warrant Securities for an indefinite period of time because the Private Placement Warrant Securities have not been registered under the Securities Act and therefore cannot be resold unless subsequently registered under the Securities Act or an exemption from such registration is available. Sponsor is capable of evaluating the merits and risks of its investment in the Company and has the capacity to protect its own interests. Sponsor must bear the economic risk of this investment until the Private Placement Warrant Securities are sold pursuant to an effective registration statement under the Securities Act or an exemption from registration available with respect to such sale. Sponsor is able to bear the economic risks of an investment in the Placement Warrant Securities and to afford a complete loss of Sponsor's investment in the Private Placement Warrant Securities.

9.1.6 Access to Information; Independent Investigation. Prior to the execution of this Agreement, Sponsor has had the opportunity to ask questions of and receive answers from representatives of the Company concerning an investment in the Company, as well as the finances, operations, business and prospects of the Company, and the opportunity to obtain additional information to verify the accuracy of all information so obtained. In determining whether to make this investment, Sponsor has relied solely on Sponsor's own knowledge and understanding of the Company and its business based upon Sponsor's own due diligence investigation and the information furnished pursuant to this paragraph.

9.1.7 Accredited Investor. Sponsor is an "accredited investor" as such term is defined in Rule 501(a) of Regulation D under the Securities Act and acknowledges the sale contemplated hereby is being made in reliance on a private placement exemption applicable to "accredited investors" or similar exemptions under federal and state law.

9.1.8 Investment Purposes. Sponsor is purchasing the Private Placement Warrants solely for investment purposes, for the Sponsor's own account and not for the account or benefit of any other person, and not with a view towards the distribution or dissemination thereof. The Sponsor did not enter into this Agreement as a result of any general solicitation or general advertising within the meaning of Rule 502 of Regulation D under the Securities Act.

(i) Certain Acknowledgments. Sponsor understands that (a) no federal or state agency has passed upon or made any recommendation or endorsement of the offering of the Private Placement Warrant Securities; (b) no public market now exists for the Private Placement Warrant Securities, and the Company has made no assurances that a public market will ever exist for the Private Placement Warrant Securities; and (c) its agreement to purchase the Private Placement Warrants involves a high degree of risk which could cause Sponsor to lose all or part of its investment.

9.1.9 Restrictions on Transfer; Shell Company. Sponsor understands the Private Placement Warrants are being offered in a transaction not involving a public offering within the meaning of the Securities Act. Sponsor understands the Private Placement Warrant Securities will be "restricted securities" as defined in Rule 144(a)(3) under the Securities Act and Sponsor understands that any certificates representing the Private Placement Warrant Securities will contain a legend in respect of such restrictions. If in the future the Sponsor decides to offer, resell, pledge or otherwise transfer any Private Placement Warrant Securities, such Private Placement Warrant Securities may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of Section 7.1 hereof. Sponsor agrees that if any transfer of its Private Placement Warrant Securities or any interest therein is proposed to be made, as a condition precedent to any such transfer, Sponsor may be required to deliver to the Company an opinion of counsel satisfactory to the Company. Absent registration or an exemption, the Sponsor agrees not to resell and Private Placement Warrant Securities. Sponsor further acknowledges that because the Company is a shell company, Rule 144 may not be available to the Sponsor for the resale of the Private Placement Warrant Securities until at least one year following consummation of the initial business combination of the Company, despite technical compliance with the certain requirements of Rule 144 and the release or waiver of any contractual transfer restrictions.

(ii) Residence. Sponsor's principal place of business is the office or offices located at the address of Sponsor set forth on the signature page hereof.

(iii) Non-Reliance. Except for the specific representations and warranties expressly made by the Company in Section 9.2 of this Agreement and in any certificate or agreement delivered pursuant hereto, Sponsor has not relied and is not relying upon any other representations or warranties that may have been made by any of the Company Parties (defined below) in connection with the transactions contemplated by this Agreement.

9.2 Representations and Warranties of the Company. Except for the specific representations and warranties contained in this Section 9.2 and in any certificate or agreement delivered pursuant hereto, none of the Company nor any person acting on behalf of the Company nor any of the Company's affiliates (the "**Company Parties**") has made, makes or shall be deemed to make any other express or implied representation or warranty with respect to the Company and this offering, and the Company hereby disclaims any such representation or warranty. The Company hereby represents and warrants to Sponsor as follows:

9.2.1 Organization and Authority. The Company is duly organized, validly existing and in good standing under the laws of the state of Delaware and has all requisite power and authority necessary to carry out the transactions contemplated by this Agreement. All entity action on the part of the Company necessary for the authorization, execution, delivery, and performance of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby has been taken. This Agreement, when executed and delivered by Sponsor, will constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, fraudulent conveyance or similar laws affecting the enforcement of creditors' rights generally and subject to general principles of equity (regardless of whether enforcement is sought in a proceeding at law or in equity).

9.2.2 No Conflicts or Consents. The execution, delivery and performance of this Agreement and the consummation by the Company of the transactions contemplated hereby do not violate, conflict with or constitute a default under (a) the organizational documents of the Company, (b) any agreement, indenture or instrument to which the Company is a party, (c) any law, statute, rule or regulation to which the Company is subject, or (d) any agreement, order, judgment or decree to which the Company is subject. Assuming the accuracy of the representations and warranties made by the Purchaser in this Agreement, no governmental, administrative or other third party consents or approvals are required, necessary or appropriate on the part of the Company in connection with the transactions contemplated by this Agreement, other than such state "blue sky," FINRA and New York Stock Exchange consents and approvals as may be required.

9.2.3 No Adverse Actions. There are no actions, suits, investigations or proceedings pending, threatened against or affecting the Company which (a) seek to restrain, enjoin, prevent the consummation of or otherwise affect the transactions contemplated by this Agreement or (b) question the validity or legality of any such transactions or seek to recover damages or to obtain other relief in connection with any such transactions.

9.2.4 Title to Securities. The Private Placement Warrants issued to Sponsor hereunder were duly and validly issued, fully paid and non-assessable, and Purchaser has received good title to such Private Placement Warrant, free and clear of all liens, claims and encumbrances of any kind, other than (a) transfer restrictions under federal and state securities laws, and (b) liens, claims or encumbrances imposed due to the actions of the Purchaser. When any shares of Common Stock are issued upon any exercise of any Private Placement Warrants issued to Sponsor hereunder, such shares of Common Stock will be duly and validly issued, fully paid and non-assessable, and Purchaser will receive good title to such shares of Common Stock, free and clear of all liens, claims and encumbrances of any kind, other than (a) transfer restrictions hereunder (if then in effect) and under federal and state securities laws, and (b) liens, claims or encumbrances imposed due to the actions of the Purchaser.

9.2.5 No General Solicitation. No form of general solicitation or general advertising within the meaning of Regulation D of the Securities Act was used by the Company or any of its representatives in connection with the offer and sale of the Private Placement Warrants.

9.2.6 No Disqualifying Event. No "bad actor" disqualifying event described in Rule 506(d)(1)(i)-(viii) of the Securities Act (a "**Disqualification Event**") is applicable to the Company or, to the Company's knowledge, any Company Covered Person (as defined below), except for a Disqualification Event as to which Rule 506(d)(2)(ii-iv) or (d)(3), is applicable. "**Company Covered Person**" means, with respect to the Company as an "issuer" for purposes of Rule 506 promulgated under the Securities Act, any Person listed in the first paragraph of Rule 506(d)(1).

9.2.7 No Brokers. No broker, finder or similar intermediary has acted for or on behalf of the Company or any of its respective affiliates in connection with this Agreement or the transactions contemplated hereby and no broker, finder, agent or similar intermediary is entitled to any broker's, finder's or similar fee or other commission in connection therewith.

9.2.8 Non-Reliance. Except for the specific representations and warranties expressly made by the Sponsor in Section 9.1 and in any certificate or agreement delivered pursuant hereto, the Company has not relied and is not relying upon any other representations or warranties that may have been made by any of the Sponsor Parties in connection with the transactions contemplated by this Agreement.

10. General.

10.1 Further Assurances. The Company and each Holder agrees to execute such further instruments and to take such further action as may reasonably be necessary to carry out the intent of this Agreement.

10.2 Notices. All notices and other communications given or made pursuant to this Agreement shall be in writing and shall be deemed effectively given upon the earlier of actual receipt, or (a) personal delivery to the party to be notified, (b) when sent, if sent by electronic mail during normal business hours of the recipient, and if not sent during normal business hours, then on the recipient's next business day, (c) five (5) business days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) business day after deposit with a nationally recognized overnight courier, freight prepaid, specifying next business day delivery, with written verification of receipt. All communications sent to the Holder shall be sent to the Holder at the address set forth on the signature page to this Agreement, and to the Company shall be sent to the following address, or in either case to such other address as such party may specify by written notice to the other party:

10.3 Entire Agreement. This Agreement together with the Registration Rights Agreement and any other agreements that are delivered pursuant hereto or referenced herein, constitute the entire agreement and understanding of the parties hereto in respect of its subject matter and supersedes all prior understandings, agreements or representations by or among the parties hereto, written or oral, to the extent they relate in any way to the subject matter hereof or the transactions contemplated hereby.

10.4 Amendments; Waivers. The terms and provisions of this Agreement may be modified or amended only by written agreement executed by all parties hereto and may be waived only by written document executed by the party entitled to the benefits of such terms or provisions. No such waiver shall be deemed to be or shall constitute a waiver or consent with respect to any other terms or provisions of this Agreement, and any such waiver shall be effective only in the specific instance and for the purpose for which it was given and shall not constitute a continuing waiver.

10.5 Assignment. Except for an assignment of the rights and obligations of a Holder hereunder with respect to any Private Placement Warrant Securities that are transferred in accordance with the terms of this Agreement, no Holder can assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written consent of the Company. Any purported assignment in violation of this paragraph shall be void and ineffectual and shall not operate to transfer or assign any interest or title to the purported assignee. This Agreement shall be binding on each Stockholder and each of its respective successors, heirs and transferees.

10.6 No Third-Party Beneficiaries. Nothing in this Agreement shall be construed to create any rights or obligations except among the parties hereto, and no person or entity shall be regarded as a third-party beneficiary of this Agreement.

10.7 Governing Law; Jurisdiction. This Agreement and the rights and obligations of the parties hereunder shall be construed in accordance with and governed by the laws of the State of New York applicable to contracts wholly performed within the borders of such state, without giving effect to the conflict of law principles thereof. Each Party hereby agrees that any action, proceeding or claim against it arising out of or relating in any way to this Agreement shall be brought and enforced in the courts of the State of New York or the United States District Court for the Southern District of New York, irrevocably submits to such jurisdiction, and waives any objection that such courts represent an inconvenient forum.

10.8 Severability. In the event that any court of competent jurisdiction shall determine that any provision, or any portion thereof, contained in this Agreement shall be unreasonable or unenforceable in any respect, then such provision shall be deemed limited to the extent that such court deems it reasonable and enforceable, and as so limited shall remain in full force and effect. In the event that such court shall deem any such provision, or portion thereof, wholly unenforceable, the remaining provisions of this Agreement shall nevertheless remain in full force and effect.

10.9 No Waiver of Rights, Powers and Remedies. No failure or delay by a party hereto in exercising any right, power or remedy under this Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

10.10 Survival of Representations and Warranties. All representations and warranties made by the parties hereto in this Agreement or in any other agreement, certificate or instrument provided for or contemplated hereby, shall survive the execution and delivery hereof and any investigations made by or on behalf of the parties.

10.11 Headings and Captions. The headings and captions of the various sections of this Agreement are for convenience of reference only and shall in no way modify or affect the meaning or construction of any of the terms or provisions hereof.

10.12 Counterparts. This Agreement may be executed in one or more counterparts, all of which when taken together shall be considered one and the same agreement. In the event that any signature is delivered by facsimile transmission or any other form of electronic delivery, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

INDEMNIFICATION AGREEMENT

This Agreement, made and entered into effective as of the 12th day of January, 2021 (“Agreement”), by and between Northern Genesis Acquisition Corp. II, a Delaware corporation (“Company”), and \_\_\_\_\_ (“Indemnitee”).

WHEREAS, the adoption of the Sarbanes-Oxley Act of 2002 and other laws, rules and regulations being promulgated have increased the potential for liability of officers and directors; and

WHEREAS, the Board of Directors of the Company (“Board”) has determined that the ability to attract and retain such persons is in the best interests of the Company’s shareholders; and

WHEREAS, it is reasonable, prudent and necessary for the Company to obligate itself contractually to indemnify such persons to the fullest extent permitted by applicable law so that such persons will serve or continue to serve the Company free from undue concern that they will not be adequately indemnified; and

WHEREAS, this Agreement is a supplement to and in furtherance of Article VII of the Bylaws of the Company, and Article Eighth of the Amended and Restated Certificate of Incorporation of the Company and any resolutions adopted pursuant thereto and shall neither be deemed to be a substitute therefor nor to diminish or abrogate any rights of Indemnitee thereunder; and

WHEREAS, Indemnitee is willing to serve on behalf of the Company on the condition that he be indemnified according to the terms of this Agreement;

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

1. Definitions. For purposes of this Agreement:

1.1 “Change in Control” means a change in control of the Company occurring after the date hereof of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A (or in response to any similar item on any similar schedule or form) promulgated under the Securities Exchange Act of 1934, as amended (“Act”), whether or not the Company is then subject to such reporting requirement provided, however, that, without limitation, such a Change in Control shall be deemed to have occurred if after the date hereof (i) any “person” (as such term is used in Sections 13(d) and 14(d) of the Act), other than a person who is an officer or director of the Company on the date hereof (and any of such person’s affiliates), is or becomes “beneficial owner” (as defined in Rule 13d-3 under the Act), directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the then outstanding securities of the Company without the prior approval of at least two-thirds of the members of the Board in office immediately prior to such person attaining such percentage interest; (ii) the Company is a party to a merger, consolidation, sale of assets or other reorganization, or a proxy contest, as a consequence of which (A) members of the Board in office immediately prior to such transaction or event constitute less than a majority of the Board thereafter or (B) the voting securities of the Company outstanding immediately prior to such transaction do not continue to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the combined voting power of the voting securities of the surviving entity outstanding immediately after such transaction with the power to elect at least a majority of the board of directors or other governing body of such surviving entity; or (iii) during any period of two consecutive years, individuals who at the beginning of such period constituted the Board (including for this purpose any new director whose election or nomination for election by the Company’s shareholders was approved by a vote of at least two-thirds of the directors then still in office who were directors at the beginning of such period or whose election or nomination for election was previously so approved) cease for any reason to constitute at least a majority of the Board.

1.2 “Corporate Status” means the status of a person who is or was a director, officer, employee, agent or fiduciary of the Company or of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise which such person is or was serving at the request of the Company. In addition, service at the actual request of the Company, for purposes of this Agreement, Indemnitee shall be deemed to be serving or to have served at the request of the Company as a director, officer, employee, agent or fiduciary of any other enterprise if Indemnitee is or was serving as a director, officer, employee, agent or fiduciary of such enterprise and (A) such enterprise is or at the time of such service was an affiliate of the Company, (B) such enterprise is or at the time of such service was an employee benefit plan (or related trust) sponsored or maintained by the Company or an affiliate of the Company or (C) the Company or an affiliate of the Company directly or indirectly caused Indemnitee to be nominated, elected, appointed, designated, employed, engaged or selected to serve in such capacity

1.3 “Disinterested Director” means a director of the Company who is not and was not a party to the Proceeding in respect of which indemnification is sought by Indemnitee.

1.4 “Expenses” means all reasonable attorneys’ fees, retainers, court costs (including trial and appeals), transcript costs, fees of experts, witness fees, travel expenses, duplicating costs, printing and binding costs, telephone charges, postage, delivery service fees, federal, state, local, or foreign taxes imposed as a result of the actual or deemed receipt of any payments under this Agreement, and all other disbursements or expenses of the types customarily incurred in connection with prosecuting, defending, preparing to prosecute or defend, appealing, preparing to appeal, investigating, or being or preparing to be a witness in a Proceeding.

1.5 “Independent Counsel” means a law firm, or a member of a law firm, that is experienced in matters of corporation law and neither presently is, nor in the past five years has been, retained to represent: (i) the Company or Indemnitee in any other matter material to either such party, or (ii) any other party to the Proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term “Independent Counsel” does not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement. Except as provided in the first sentence of Section 9.3 hereof, Independent Counsel shall be selected by (a) the Disinterested Directors or (b) a committee of the Board consisting of two or more Disinterested Directors or if (a) and (b) above are not possible, then by a majority of the full Board.

1.6 "Proceeding" means any action, suit, arbitration, alternate dispute resolution mechanism, investigation, administrative hearing or any other proceeding, , whether conducted by or on behalf of the Company or any other party, whether civil, criminal, administrative or investigative, except one initiated by an Indemnitee pursuant to Section 11 of this Agreement to enforce his rights under this Agreement.

## 2. Services by Indemnitee.

Indemnitee agrees to serve as a director, officer or employee of the Company. Indemnitee may at any time and for any reason resign from such position (subject to any other contractual obligation or any obligation imposed by operation of law).

## 3. Indemnification - General.

The Company shall indemnify, and, subject to Section 26 hereof, advance Expenses to, Indemnitee as provided in this Agreement to the fullest extent permitted by applicable law in effect on the date hereof and to such greater extent as any amendment to or interpretation of applicable law may thereafter from time to time permit. The rights of Indemnitee provided under the preceding sentence shall include, but shall not be limited to, the rights set forth in the other Sections of this Agreement.

The Company shall purchase and maintain directors' and officers' liability insurance with limits of not less than US \$5,000,000 million while the Indemnitee is a director, officer or employee of the Company (an "Executive"), which shall include outside director liability coverage for the benefit of the Indemnitee while acting as an Executive. Following the Indemnitee ceasing to be an Executive or serving in a similar capacity of the Company, for any reason whatsoever, the Company shall maintain for the benefit of the Indemnitee, and his or her heirs and legal representatives, directors' and officers' liability insurance with at least the same insurance coverage and limits as that provided for the benefit of any other past, present and future Executive of the Company. The Company shall pay for and on behalf of the Indemnitee any and all deductibles or retentions to which the directors' and officers' liability insurance policy makes the Company or the Indemnitee subject. The Company shall provide the Indemnitee, where reasonably practicable, with 30 days advance notice of any proposed material change in, cancellation, termination or lapse in coverage of any directors' and officers' liability insurance policy of the Company for the benefit of any Executive of the Company, and shall provide details of any claim made under such policy. The Company shall purchase any available extended reporting period available under such cancelled or terminated policy and any available run-off policy, with the same insurance coverage and limits as the cancelled or terminated policy, and which shall be for a term of not less than six years, prepaid and non-cancellable. The Company shall promptly notify insurers of any claim and comply with applicable policy terms and conditions with respect to such notification. In the event of an investigation order made by a regulatory authority that is confidential and subject to non-disclosure obligations, the Company shall promptly bring such applications as are necessary for an order from the regulatory authority to enable all required notifications and provision of information to insurers concerning such claim.

For greater certainty, a claim subject to indemnification hereunder shall include any taxes, including any assessment, reassessment, claim or other amount for taxes, charges, duties, levies, imposts or similar amounts, including any interest and penalties in respect thereof, to which the Indemnitee may be subject or which the Indemnitee may suffer or incur as a result of, in respect of, arising out of or referable to any indemnification of the Indemnitee by the Company pursuant to this Agreement, including the payment of insurance premiums or any payment made by an insurer under an insurance policy, if such payment is deemed to constitute a taxable benefit or otherwise be or become subject to any tax or levy.

4. Proceedings Other Than Proceedings by or in the Right of the Company.

Indemnitee shall be entitled to the rights of indemnification provided in this Agreement if, by reason of his Corporate Status, he is, was or is threatened to be made, a party to any threatened, pending or completed Proceeding, other than a Proceeding by or in the right of the Company. Pursuant to this Agreement, subject to Section 26 hereof, Indemnitee shall be indemnified against Expenses, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or on his behalf in connection with any such Proceeding or any claim, issue or matter therein, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal Proceeding, had no reasonable cause to believe his conduct was unlawful.

5. Proceedings by or in the Right of the Company.

Indemnitee shall be entitled to the rights of indemnification provided in this Agreement if, by reason of his Corporate Status, he was or is threatened to be made, a party to any threatened, pending or completed Proceeding brought by or in the right of the Company to procure a judgment in its favor. Pursuant to this Agreement, subject to Section 26 hereof, Indemnitee shall be indemnified against amounts paid in settlement and Expenses actually and reasonably incurred by him or on his behalf in connection with the defense or settlement of any such Proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company. Notwithstanding the foregoing, no indemnification under this paragraph shall be made in respect of (1) a threatened or pending Proceeding which is settled or otherwise disposed of, or (2) any claim, issue or matter as to which such person shall have been adjudged to be liable to the Company, unless and only to the extent that the court in which such Proceeding shall have been brought, was brought or is pending, shall determine, upon application, that Indemnitee is fairly and reasonably entitled to indemnity for such portion of the settlement amount and Expenses as the court deems proper.

6. Indemnification for Expenses of Party Who is Wholly or Partly Successful.

Notwithstanding any other provision of this Agreement except for Section 26 hereof, to the extent that Indemnitee is, by reason of his Corporate Status, a party to and is successful, on the merits or otherwise, in any Proceeding, he shall be indemnified against all Expenses (and, when eligible hereunder, amounts paid in settlement) actually and reasonably incurred by him or on his behalf in connection therewith. If Indemnitee is not wholly successful in such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall indemnify Indemnitee against all Expenses (and, when eligible hereunder, amount paid in settlement) actually and reasonably incurred by him or on his behalf in connection with each successfully resolved claim, issue or matter. For purposes of this Agreement, the term "successful, on the merits or otherwise," includes, but is not limited to, (i) any termination, withdrawal, or dismissal (with or without prejudice) of any Proceeding against the Indemnitee without any express finding of liability or guilt against him, and (ii) the expiration of 90 days after the making of any claim or threat of a Proceeding without the institution of the same and without any promise or payment made to induce a settlement.

7. Indemnification for Expenses as a Witness.

Notwithstanding any other provision of this Agreement except for Section 26 hereof, to the extent that Indemnitee is, by reason of his Corporate Status, a witness in any Proceeding, he shall be indemnified against all Expenses actually and reasonably incurred by him or on his behalf in connection therewith.

8. Advancement of Expenses and Other Amounts.

Subject to Section 26 hereof, the Company shall advance all Expenses, judgments, penalties, fines and, when eligible hereunder, amounts paid in settlement, incurred by or on behalf of Indemnitee in connection with any Proceeding within thirty (30) days after the receipt by the Company of a statement or statements from Indemnitee requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding. Such statement or statements shall reasonably evidence the Expenses, judgments, penalties, fines and amounts paid in settlement, incurred by Indemnitee and shall include or be preceded or accompanied by an agreement by or on behalf of Indemnitee to repay any Expenses, judgments, penalties, fines and amounts paid in settlement advanced if it shall ultimately be determined that Indemnitee is not entitled to be indemnified against such Expenses, judgments, penalties, fines and, when eligible hereunder, amounts paid in settlement. In connection with any request for advancement of Expenses, judgments, penalties, fines and amounts paid in settlement, Indemnitee shall not be required to provide any documentation or information to the extent that the provision thereof would undermine or otherwise jeopardize attorney-client privilege. The Company's obligation in respect of the advancement of Expenses, judgments, penalties, fines and amounts paid in settlement in connection with a criminal Proceeding in which Indemnitee is a defendant shall terminate at such time as Indemnitee pleads guilty or is convicted after trial and such conviction becomes final and no longer subject to appeal. Advances shall be unsecured and interest free. Advances shall be made without regard to Indemnitee's ability to repay such amounts and without regard to Indemnitee's ultimate entitlement to indemnification under the other provisions of this Agreement.

9. Procedure for Determination of Entitlement to Indemnification.

9.1 To obtain indemnification under this Agreement in connection with any Proceeding, and for the duration thereof, Indemnitee shall submit to the Company a written request, including therein or therewith such documentation and information as is reasonably available to Indemnitee and is reasonably necessary to determine whether and to what extent Indemnitee is entitled to indemnification. The Secretary of the Company shall, promptly upon receipt of any such request for indemnification, advise the Board in writing that Indemnitee has requested indemnification.

9.2 Upon written request by Indemnitee for indemnification pursuant to Section 9.1 hereof, a determination, if required by applicable law, with respect to Indemnitee's entitlement thereto shall be made in such case: (i) if a Change in Control shall have occurred, by Independent Counsel (unless Indemnitee shall request that such determination be made by the Board or the shareholders, in which case in the manner provided for in clauses (ii) or (iii) of this Section 9.2) in a written opinion to the Board, a copy of which shall be delivered to Indemnitee; (ii) if a Change of Control shall not have occurred, at the election of the Company, (A) by the Board by a majority vote of a quorum consisting of Disinterested Directors, or (B) if a quorum of the Board consisting of Disinterested Directors is not obtainable, by a majority of a committee of the Board consisting of two or more Disinterested Directors, or (C) by Independent Counsel in a written opinion to the Board, a copy of which shall be delivered to Indemnitee, or (D) by the shareholders of the Company, by a majority vote of a quorum consisting of shareholders who are not parties to the proceeding, or if no such quorum is obtainable, by a majority vote of shareholders who are not parties to such proceeding; or (iii) as provided in Section 10.2 of this Agreement. If it is so determined that Indemnitee is entitled to indemnification, payment to Indemnitee shall be made within ten (10) days after such determination. Indemnitee shall cooperate with the person, persons or entity making such determination with respect to Indemnitee's entitlement to indemnification, including providing to such person, persons or entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure and which is reasonably available to Indemnitee and reasonably necessary to such determination. Any costs or expenses (including attorneys' fees and disbursements) incurred by Indemnitee in so cooperating with the person, persons or entity making such determination shall be borne by the Company (irrespective of the determination as to Indemnitee's entitlement to indemnification) and the Company hereby indemnifies and agrees to hold Indemnitee harmless therefrom.

9.3 If a Change of Control shall have occurred, Independent Counsel shall be selected by Indemnitee (unless Indemnitee shall request that such selection be made by the Board), and Indemnitee (or the Board, as the case may be) shall give written notice to the other party advising it of the identity of Independent Counsel so selected. In either event, Indemnitee or the Company, as the case may be, may, within seven days after such written notice of selection shall have been given, deliver to the Company or to Indemnitee, as the case may be, a written objection to such selection. Such objection may be asserted only on the ground that Independent Counsel so selected does not meet the requirements of "Independent Counsel" as defined in Section 1 of this Agreement, and the objection shall set forth with particularity the factual basis of such assertion. If such written objection is made, Independent Counsel so selected may not serve as Independent Counsel unless and until a court has determined that such objection is without merit. If, within 20 days after submission by Indemnitee of a written request for indemnification pursuant to Section 9.1 hereof, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may petition a court of competent jurisdiction, for resolution of any objection which shall have been made by the Company or Indemnitee to the other's selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by such court or by such other person as such court shall designate, and the person with respect to whom an objection is so resolved or the person so appointed shall act as Independent Counsel under Section 9.2 hereof. The Company shall pay any and all reasonable fees and expenses of Independent Counsel incurred by such Independent Counsel in connection with its actions pursuant to this Agreement, and the Company shall pay all reasonable fees and expenses incident to the procedures of this Section 9.3, regardless of the manner in which such Independent Counsel was selected or appointed. Upon the due commencement date of any judicial proceeding pursuant to Section 11.1(iii) of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing).

10. Presumptions and Effects of Certain Proceedings.

10.1 In making a determination with respect to entitlement to indemnification hereunder, the person or persons or entity making such determination shall presume that Indemnitee is entitled to indemnification under this Agreement if Indemnitee has submitted a request for indemnification in accordance with Section 9.1 of this Agreement, and the Company shall have the burden of proof to overcome that presumption by clear and convincing evidence in connection with the making by any person, persons or entity of any determination contrary to that presumption.

10.2 If the person, persons or entity empowered or selected under Section 9 of this Agreement to determine whether Indemnitee is entitled to indemnification shall not have made a determination within sixty (60) days after receipt by the Company of the request therefor, the requisite determination of entitlement to indemnification shall be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) prohibition of such indemnification under applicable law; provided, however, that such 60-day period may be extended for a reasonable time, not to exceed an additional thirty (30) days, if the person, persons or entity making the determination with respect to entitlement to indemnification in good faith require(s) such additional time for the obtaining or evaluating of documentation and/or information relating thereto; and provided, further, however, that the foregoing provisions of this Section 10.2 shall not apply (i) if the determination of entitlement to indemnification is to be made by the shareholders pursuant to Section 9.2 of this Agreement and if (A) within 15 days after receipt by the Company of the request for such determination the Board has resolved to submit such determination to the shareholders for their consideration at an annual meeting thereof to be held within 75 days after such receipt and such determination is made thereat, or (B) a special meeting of shareholders is called within 15 days after such receipt for the purpose of making such determination, such meeting is held for such purpose within 60 days after having been so called and such determination is made thereat, or (ii) if the determination of entitlement to indemnification is to be made by Independent Counsel pursuant to Section 9.2 of this Agreement. In connection with each meeting at which a shareholder determination will be made, the Company shall solicit proxies that expressly include a proposal to indemnify or reimburse the Indemnitee. The Company shall afford the Indemnitee ample opportunity to present evidence of the facts upon which the Indemnitee relies for indemnification in any Company proxy statement relating to such shareholder determination. Subject to the fiduciary duties of its members under applicable law, the Board will not recommend against indemnification or reimbursement in any proxy statement relating to the proposal to indemnify or reimburse the Indemnitee.

10.3 The termination of any Proceeding or of any claim, issue or matter therein, by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not (except as otherwise expressly provided in this Agreement) of itself adversely affect the right of Indemnitee to indemnification or create a presumption that Indemnitee did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Company or, with respect to any criminal Proceeding, that Indemnitee had reasonable cause to believe that his conduct was unlawful.

#### 10.4 Reliance as Safe Harbor.

For purposes of this Agreement, the Indemnitee shall be deemed to have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, or, with respect to any criminal Proceeding, to have had no reasonable cause to believe his conduct was unlawful, if his action is based on (i) the records or books of account of the Company, or another enterprise, including financial statements, (ii) information supplied to him by the officers of the Company or another enterprise in the course of their duties, (iii) the advice of legal counsel for the Company or another enterprise, or of an independent certified public accountant or an appraiser or other expert selected with reasonable care by the Company or another enterprise. The term "another enterprise" as used in this Section shall mean any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise of which the Indemnitee is or was serving at the request of the Company as a director, officer, partner, trustee, employee or agent. The provisions of this Section shall not be deemed to be exclusive or to limit in any way the other circumstances in which the Indemnitee may be deemed to have met the applicable standard of conduct set forth herein. Whether or not the foregoing provisions of this Section 10.4 are satisfied, it shall in any event be presumed that Indemnitee has at all times acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, or, with respect to any criminal Proceeding, to have had no reasonable cause to believe Indemnitee's conduct was unlawful. Anyone seeking to overcome this presumption shall have the burden of proof and the burden of persuasion by clear and convincing evidence.

#### 11. Remedies of Indemnitee.

11.1 In the event that (i) a determination is made pursuant to Section 9 of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section 8 of this Agreement, (iii) the determination of indemnification is to be made by Independent Counsel pursuant to Section 9.2 of this Agreement and such determination shall not have been made and delivered in a written opinion within sixty (60) days after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to Section 7 of this Agreement within thirty (30) days after receipt by the Company of a written request therefor, or (v) payment of indemnification is not made within thirty (30) days after a determination has been made that Indemnitee is entitled to indemnification or such determination is deemed to have been made pursuant to Section 9 or 10 of this Agreement, Indemnitee shall be entitled to an adjudication in an appropriate court of the State of New York, or in any other court of competent jurisdiction, of his entitlement to such indemnification or advancement of Expenses, judgments, penalties, fines or, when eligible hereunder, amounts paid in settlement. The Company shall not oppose Indemnitee's right to seek any such adjudication.

11.2 In the event that a determination shall have been made pursuant to Section 9 of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding commenced pursuant to this Section shall be conducted in all respects as a de novo trial on the merits and Indemnitee shall not be prejudiced by reason of that adverse determination.

11.3 If a determination shall have been made or deemed to have been made pursuant to Section 9 or 10 of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding commenced pursuant to this Section, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) prohibition of such indemnification under applicable law.

11.4 The Company shall be precluded from asserting in any judicial proceeding commenced pursuant to this Section that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court that the Company is bound by all the provisions of this Agreement.

11.5 In the event that Indemnitee, pursuant to this Section, seeks a judicial adjudication of his rights under, or to recover damages for breach of, this Agreement or any other agreement, including any other indemnification, contribution or advancement agreement, or any provision of the certificate of incorporation or by-laws of the Company now or hereafter in effect, or for recovery under directors' and officers' liability insurance policies maintained by the Company, Indemnitee shall be entitled to recover from the Company, and shall be indemnified by the Company against, any and all expenses (of the kinds described in the definition of Expenses) actually and reasonably incurred by him in such judicial adjudication, but only if he prevails therein. If it shall be determined in such judicial adjudication that Indemnitee is entitled to receive less than all of the indemnification or advancement of expenses sought, the expenses incurred by Indemnitee in connection with such judicial adjudication shall be appropriately prorated. In addition, the Company shall, if so requested by Indemnitee, advance the foregoing expenses to Indemnitee, subject to and in accordance with Section 8.

## 12. Procedure Regarding Indemnification.

With respect to any Proceedings, the Indemnitee, prior to taking any action with respect to such Proceeding, shall consult with the Company as to the procedure to be followed in defending, settling, or compromising the Proceeding and may not consent to any settlement or compromise of the Proceeding without the written consent of the Company (which consent may not be unreasonably withheld or delayed). The Company shall be entitled to participate in defending, settling or compromising any Proceeding and to assume the defense of such Proceeding with counsel of its choice and shall assume such defense if requested by the Indemnitee. Notwithstanding the election by, or obligation of, the Company to assume the defense of a Proceeding, the Indemnitee shall have the right to participate in the defense of such Proceeding and to employ counsel of Indemnitee's choice, but the fees and expenses of such counsel shall be at the expense of the Indemnitee unless (i) the employment of such counsel has been authorized in writing by the Company, or (ii) the Indemnitee has reasonably concluded that there may be defenses available to him which are different from or additional to those available to the Company (in which latter case the Company shall not have the right to direct the defense of such Proceeding on behalf of the Indemnitee), in either of which events the fees and expenses of not more than one additional firm of attorneys selected by the Indemnitee shall be borne by the Company. If the Company assumes the defense of a Proceeding, then counsel for the Company and Indemnitee shall keep Indemnitee reasonably informed of the status of the Proceeding and promptly send to Indemnitee copies of all documents filed or produced in the Proceeding, and the Company shall not compromise or settle any such Proceeding without the written consent of the Indemnitee (which consent may not be unreasonably withheld or delayed) if the relief provided shall be other than monetary damages and shall promptly notify the Indemnitee of any settlement and the amount thereof.

13. Non-Exclusivity; Survival of Rights; Insurance; Subrogation; Contribution.

13.1 The rights of indemnification and to receive advancement of Expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time be entitled under applicable law, the certificate of incorporation or by-laws of the Company, any agreement, a vote of shareholders or a resolution of directors, or otherwise. No amendment, alteration or repeal of this Agreement or any provision hereof shall be effective as to any Indemnitee with respect to any action taken or omitted by such Indemnitee in his Corporate Status prior to such amendment, alteration or repeal.

13.2 To the extent that the Company maintains an insurance policy or policies providing liability insurance for directors, officers, employees, agents or fiduciaries of the Company or of any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise which such person serves at the request of the Company, Indemnitee shall be covered by such policy or policies in accordance with its or their terms to the maximum extent of the coverage available for any such director, officer, employee, agent or fiduciary under such policy or policies.

13.3 In the event of any payment under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are reasonably necessary to enable the Company to bring suit to enforce such rights.

13.4 The Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder if and to the extent that Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

13.5 If a determination is made that Indemnitee is not entitled to indemnification, after Indemnitee submits a written request therefor, under this Agreement, then in respect of any threatened, pending or completed Proceeding in which the Company is jointly liability with the Indemnitee (or would be if joined in such Proceeding), the Company shall contribute to the amount of Expenses, judgments, fines and amounts paid in settlement by the Indemnitee in such proportion as is appropriate to reflect (i) the relative benefits received by the Company on the one hand and the Indemnitee on the other hand from the transaction from which Proceeding arose, and (ii) the relative fault of the Company on the one hand and of the Indemnitee on the other hand in connection with the events that resulted in such Expenses, judgments, fines or amounts paid in settlement, as well as any other relevant equitable considerations. The relative fault of the Company on the one hand and of the Indemnitee on the other hand shall be determined by reference to, among other things, the parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstances resulting in such Expenses, judgments, fines or amounts paid in settlement. The Company agrees that it would not be just and equitable if contribution pursuant to this Section were determined by pro rata allocation or any other method of allocation that does not take into account the foregoing equitable considerations. The determination as to the amount of the contribution, if any, shall be made by: (i) a court of competent jurisdiction upon the application of both the Indemnitee and the Company (if the Proceeding had been brought in, and final determination had been rendered by such court); (ii) the Board by a majority vote of a quorum consisting of Disinterested Directors; or (iii) Independent Counsel, if a quorum is not obtainable for purpose of (ii) above, or, even if obtainable, a quorum of Disinterested Directors so directs.

#### 14. Duration of Agreement.

This Agreement shall continue until and terminate upon the later of: (a) ten (10) years after the date that Indemnitee shall have ceased to serve as a director and/or officer of the Company, or (b) the final termination of all pending Proceedings in respect of which Indemnitee is granted rights of indemnification or advancement of Expenses, judgments, penalties, fines or amounts paid in settlement hereunder and or any proceeding commenced by Indemnitee pursuant to Section 11 of this Agreement. This Agreement shall be binding upon the Company and its successors and assigns and shall inure to the benefit of Indemnitee and his spouse, heirs, executors, personal representatives and administrators. The Company shall require and cause any successor (whether direct or indirect by purchase, merger, consolidation, or otherwise) to all, substantially all, or a substantial part, of the business and/or assets of the Company, by written agreement in form and substance satisfactory to Indemnitee, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

#### 15. Severability.

If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (a) the validity, legality and enforceability of the remaining provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby; and (b) to the fullest extent possible, the provisions of this Agreement (including, without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable.

16. Entire Agreement.

This Agreement constitutes the entire agreement between the Company and the Indemnitee with respect to the subject matter hereof and supersedes all prior agreements, understanding, negotiations and discussion, both written and oral, between the parties hereto with respect to such subject matter (the "Prior Agreements"); provided, however, that if this Agreement shall ever be held void or unenforceable for any reasons whatsoever, and is not reformed pursuant to Section 15 hereof, then (i) this Agreement shall not be deemed to have superseded any Prior Agreements; (ii) all of such Prior Agreements shall be deemed to be in full force and effect notwithstanding the execution of this Agreement; and (iii) the Indemnitee shall be entitled to maximum indemnification benefits provided under any Prior Agreements, as well as those provided under applicable law, the certificate of incorporation or by-laws of the Company, a vote of shareholders or resolution of directors.

17. Exception to Right of Indemnification or Advancement of Expenses.

17.1 Except as provided in Section 11.5, Indemnitee shall not be entitled to indemnification or advancement of Expenses, judgments, penalties, fines and amounts paid in settlement under this Agreement with respect to any Proceeding, or any claim therein, brought or made by him against the Company.

17.2 Indemnitee shall not be entitled to indemnification or advancement of Expenses under this Agreement with respect to any Proceeding, or any claim therein, arising from the purchase and sale by Indemnitee of securities in violation of Section 16(b) of the Exchange Act or Company similar successor statute.

18. Covenant Not to Sue; Limitation of Actions; Release of Claims.

No legal action shall be brought and no cause of action shall be asserted by or on behalf of the Company (or any of its subsidiaries) against the Indemnitee, his spouse, heirs, executors, personal representatives or administrators after the expiration of two (2) years from the date of accrual of such cause of action and any claim or cause of action of the Company (or any of its subsidiaries) shall be extinguished and deemed released unless asserted by the filing of a legal action within such two (2) year period; provided, however, that if any shorter period of limitation is otherwise applicable to any such cause of action, such shorter period shall govern.

19. Identical Counterparts.

This Agreement may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same Agreement.

20. Headings.

The headings of the paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction thereof.

21. Modification and Waiver.

No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by both of the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provisions hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.

22. Notice by Indemnitee.

Indemnitee agrees promptly to notify the Company in writing upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating any Proceeding or matter which may be subject to indemnification or advancement of Expenses, judgments, penalties, fines or amounts paid in settlement covered hereunder. The failure to notify the Company on a timely basis shall not constitute a waiver of Indemnitee's rights under this Agreement, except to the extent that such failure or delay (i) causes the amounts paid or to be paid by the Company to be greater than they otherwise would have been, (ii) adversely affects the Company's ability to obtain for itself or Indemnitee coverage or proceeds under any insurance policy available to the Company or Indemnitee, or (iii) otherwise results in prejudice to the Company.

23. Notices.

All notices, requests, demands and other communications hereunder shall be in writing and shall be deemed to have been duly given if (i) delivered by hand and receipted for by the party to whom such notice or other communication shall have been directed, or (ii) mailed by certified or registered mail with postage prepaid, on the third business day after the date on which it is so mailed:

If to Indemnitee, to:

If to the Company, to:  
Northern Genesis Acquisition Corp.  
4801 Main Street, Suite 1000  
Kansas City, MO 64112

or to such other address or such other person as Indemnitee or the Company shall designate in writing in accordance with this Section, except that notices regarding changes in notices shall be effective only upon receipt.

24. Governing Law.

The parties agree that this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of New York applicable to contracts made and performed in that state without giving effect to the principles of conflicts of laws. The Company and Indemnitee each hereby irrevocably consents to the jurisdiction of the courts of the State of New York and the federal courts within the State for all purposes in connection with any action or proceeding that arises out of or relates to this Agreement and agrees that any action instituted under this Agreement shall be brought only in the United States District Court for the Southern District of New York and any New York State court within that District.

25. Mutual Acknowledgment.

Both the Company and Indemnitee acknowledge that, in certain instances, Federal law or applicable public policy may prohibit the Company from indemnifying its directors and officers under this Agreement or otherwise. Indemnitee understands and acknowledges that the Company has undertaken or may be required in the future in certain circumstances to undertake with the Securities and Exchange Commission to submit the question of indemnification to a court for a determination of the Company's right under public policy to indemnify Indemnitee.

26. Waiver of Claims to Trust Account.

Indemnitee hereby agrees that it does not have any right, title, interest or claim of any kind (each, a "Claim") in or to any monies in the trust account established in connection with the Company's initial public offering for the benefit of the Company and holders of shares issued in such offering, and hereby waives any Claim it may have in the future as a result of, or arising out of, any services provided to the Company and will not seek recourse against such trust account for any reason whatsoever.

27. Miscellaneous.

Use of the masculine pronoun shall be deemed to include usage of the feminine pronoun where appropriate.
